BACKGROUND:

Summary

On September 17, 2018, Senate Bill (SB) 946 was signed into law and became effective on January 1, 2019. SB 946 prohibits the County from regulating sidewalk vending unless the County’s existing regulations substantially comply with the requirements of the bill. SB 946 authorized the County to establish requirements for local regulation of sidewalk vending in the interest of public health, safety and the general welfare of the community. It also sets forth enforcement and penalty provisions for sidewalk vending in violation of a local authority’s regulations.

On December 4, 2018 (Item No. 3.30), the Board of Supervisors initiated the amendments of ordinances related to roadside vending including, if necessary, amendments to Ordinance No. 853 to comply with SB 946.

On October 22, 2019 (Item No.19.3), the Board of Supervisors approved Ordinance No. 853.1 to comply with SB 946. Since then, the county has experienced an increase in Mobile Vending and Food Truck activity, and the County has recognized increased health and safety concerns related to these activities. Particularly, but not limited to, vending in the public right-of-way that could impede emergency and safety service access, or pedestrian and vehicular travel paths and additional locations where these activities, that bring the public into a potentially dangerous traveled right-of-way, should be prohibited.

On April 30, 2024, (Item No. 3.6), the Board of Supervisors Adopted an order initiating the preparation of amendments to Ordinance No. 853.1 and directed the TLMA – Code Enforcement and Transportation Departments to prepare and process the amendments that further define community effects and to update enforcement strategies for sidewalk and mobile food truck vending within the public right-of-way within the unincorporated areas of the County of Riverside.

On May 20, 2025 (item No. 21.7), the Board of Supervisors held a public hearing on this item.

6 The Board of Supervisors of the County of Riverside ordains as follows:

7 Section 1. Ordinance No. 853 is amended in its entirety to read as follows:

9 AN ORDINANCE OF THE COUNTY OF RIVERSIDE REGULATING MOBILE FOOD TRUCKS

10 AND SIDEWALK VENDING IN THE PUBLIC RIGHT OF WAY

11 (Incorporating Riverside County Ordinance No. 725)

12 The Board of Supervisors of the County of Riverside ordains as follows:

13 Section 1. FINDINGS. The Board of Supervisors finds that Mobile Food Truck and Sidewalk
14 Vending provides economic opportunities to existing and emerging new businesses, as well as promotes
15 the general welfare by increasing public access to desired goods. The Board of Supervisors also incorporates
16 the findings of the State that Sidewalk Vending provides important entrepreneurship and economic
17 development opportunities to low-income and immigrant communities, increases access to culturally
18 significant food and merchandise, and contributes to a safe and dynamic public space. Notwithstanding the
19 economic and cultural benefit to both vendors and the local community throughout the unincorporated areas
20 of Riverside County, Mobile Vending regulations are necessary to protect the public health, safety and
21 welfare. Specifically, the Board of Supervisors finds that regulating the time, place and manner of Vending
22 by Mobile Food Trucks and Sidewalk Vendors in the Public Right- of-Way is necessary to protect motorists,

24 traffic hazards.
