BACKGROUND:

Summary

The State Legislature enacted the Mello-Roos Act of 1982, to assist public agencies in financing certain capital improvements, public services, and maintenance activities. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFDs).

Meritage Homes of California, Inc., is the Owner of Tract 36365 and has petitioned that the County of Riverside Office of Economic Development assist them in forming a CFD to cover the costs associated with the maintenance of public improvements within the district. The boundaries of CFD No. 25-3M (Stone Creek) will encompass the entire Tract Map No. 36365, which is projected to include 224 single family dwelling units, none of which are currently occupied.

As approved by voters, a special tax is to be levied on each individual parcel located within the boundary of the CFD to fund the costs associated with services necessary to meet the increased demands placed by development upon the County, as listed in Exhibit A attached herein.

The special tax is levied according to a Rate and Method of Apportionment (RMA) which is developed with respect to the specific features of the residential development within the District and which is approved by the eligible voters and later adopted by ordinance. The special tax levy is annually placed on the tax roll for each Assessor Parcel Number noted in the CFD Boundary Map.

On May 6, 2025, the County of Riverside Board of Supervisors approved agenda item 3.32 and Resolution No. 2025-089, a resolution of intention as the initial step for forming the CFD and declared the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to levy a special tax to fund the service and maintenance functions requested by the Developer.

On June 24, 2025 (Agenda Item 21.1), the County of Riverside Board of Supervisors held a public hearing to receive public comments and conduct a majority protest hearing concerning the establishment of the CFD and the levy of the special tax. At the conclusion of the public hearing, the Board of Supervisors adopted Resolution No. 2025-090, the Resolution of

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Formation of the CFD, which also authorized the levy of a special tax within the CFD subject to voter approval during a duly called election held that same day.

On July 1, 2025 (Agenda Item 3.25), the Board of Supervisors adopted Resolution No. 2025-091 declaring the results of the election regarding the proposed special tax and finding that 100% of the votes cast were in favor of the levy of the special tax. In addition, the Board introduced Riverside County Ordinance No. 1000 authorizing the levy of the special tax pursuant to the Rate and Method of Apportionment approved by the voters. By today's action, the Board will formally adopt the special tax ordinance and levy the special tax.

Ordinance No. 1000 was reviewed and determined to be not a project under CEQA pursuant to State CEQA Guidelines Section 15378, which states "The creation of government funding mechanisms or other government fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment." The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair, and minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features. Those existing public or private structures, facilities, mechanical equipment, or topographical features were already separately analyzed under prior CEQA documents as part of Tract 36365. As a result, the adoption of the ordinance would not result in significant physical impact on the environment since it would not include any changes to the existing land use or a physical degradation of the property and any such impacts would have already been previously analyzed under CEQA as part of Tract 36365.

Ordinance No. 1000 is also exempt from CEQA pursuant to State CEQA Guidelines section 15061(b)(3) (common sense exemption), which provides, "The activity is covered by the common-sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA". The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair, and minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, which were already separately analyzed previously under CEQA as part of Tract 36365. As a result, there is no possibility the adoption of the ordinance would not result in any reasonably foreseeable environmental effects and any such impacts would have been previously analyzed under prior CEQA documents as part of Tract 36365.

County Counsel has approved the ordinance as to form.

Impact on Residents and Businesses

The voters within the CFD have voted to authorize the special tax levied by Riverside County Ordinance No. 1000 on real property within the CFD to provide funds for authorized maintenance and service activities. The property owners within the CFD will be favorably

impacted by the levy of the special tax and the associated maintenance and service activities it funds.

18 Government Code, at the rate and in accordance with the method of apportionment (the “Rate and
19 Method”) set forth in the Resolution of Formation and attached as Exhibit A hereto and made a part
20 hereof. The special taxes are hereby levied commencing in the fiscal year 2024-2025 and in each fiscal

NOTICE OF EXEMPTION

July 1, 2025

Project Name: Office of Economic Development, Community Facilities District (CFD) No. 25-3M (Stone Creek) of the County of Riverside; Adoption of Ordinance No. 1000, an Ordinance of the County of Riverside Authorizing the Levy of a Special Tax Within the Stone Creek CFD

Project Number: ED299125019 – CFD 25-3M Stone Creek

Project Location: Community Facilities District No. 25-3M Stone Creek, TR36365, County of Riverside

Description of Project: On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled “Land Secured Financing Districts” to include “Service and Maintenance CFDs” to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD). As approved by voters, a special tax is to be levied on each individual parcel located within the boundary of the CFD to fund the costs associated ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements located within the designated boundaries of the CFD.

Meritage Homes of California, Inc., is the Owner of Tract 36365 and has petitioned that the County of Riverside Office of Economic Development assist them in forming a CFD to cover the costs associated with the maintenance of public improvements within the district. The boundaries of CFD No. 25-3M (Stone Creek) will encompass the entire Tract Map No. 36365, which is projected to include 224 single family dwelling units, none of which are currently occupied.

On May 6, 2025, the County of Riverside Board of Supervisors approved Resolution No. 2025-089, a Resolution of Intention as the initial step for forming the CFD and declared the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to levy a special tax to fund the service and maintenance functions requested by the Developer. On June 24, 2025, the County of Riverside Board of Supervisors held a public hearing to receive public comments and conduct a majority protest hearing concerning the establishment of the CFD and the levy of the special tax. At the conclusion of the public hearing, the Board of Supervisors adopted Resolution No. 2025-090, the Resolution of Formation of the CFD, which also authorized the levy of a special tax within the CFD subject to voter approval during a duly called election held that same day. On July 1, 2025, the Board of Supervisors adopted Resolution No. 2025-091 declaring the results of the election regarding the proposed special tax and finding that 100% of the votes cast were in favor of the levy of the special tax.

Riverside County Ordinance No. 1000, which authorizes the levy of a special tax within the Stone Creek CFD to fund services for maintenance and service activities, was reviewed and determined to be not a project under the California Environmental Quality Act (CEQA) pursuant to 15378. The Ordinance includes the creation of a funding mechanism to provide maintenance and service activities within the CFD. No additional direct or indirect physical environmental impacts are anticipated from the provision of maintenance services identified in the Riverside County Ordinance No. 1000.

Name of Public Agency Approving Project: County of Riverside

Name of Person or Agency Carrying Out Project: County of Riverside Office of Economic Development

Exempt Status: Not a project as defined in California Environmental Quality Act (CEQA) Section 21065 and State CEQA Guidelines Section 15378; Section 15061(b) (3), General Rule or “Common Sense” Exemption. Codified under Public Resources Code Division 13, Chapter 2.5, Section 21065, and California Code of Regulations Title 14, Articles 5 and 20, Sections 15061 and 15378.

Reasons Why Project is Exempt: The direct effects of the adoption of the Ordinance to levy a special tax within the Stone Creek CFD would not constitute a project as defined by CEQA Section 21065 and State CEQA Guidelines Section 15378. Section 15378 (b) provides a list of five activities that are not considered a project under CEQA. The proposed Ordinance would qualify under two conditions identified in Section 15378 (b): (4) the creation of government funding mechanisms or other government fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant impact on the environment and (5) organizational or administrative activity of the government that will not result in direct or indirect physical changes to the environment. The adoption of the Ordinance by the Board satisfies these conditions as the Ordinance would provide a funding mechanism to provide ongoing maintenance of existing buildings that would not result in direct or indirect physical changes to the environment. Based on the above conditions, the adoption of the Ordinance is not a project as defined by CEQA Section 21065 and State CEQA Guidelines Section 15378. The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair, and minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features. Those public or private structures, facilities, mechanical equipment, or topographical features were already separately analyzed under prior CEQA documents and approved as part of Tract 36365. As a result, the adoption of the ordinance would not result in significant physical impact on the environment since it would not include any changes to the existing land use or a physical degradation of the property and any such impacts would have already been previously analyzed under CEQA as part of Tract 36365.

- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the project may have a significant effect on the environment. The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair, and minor alteration of public or private structures, facilities, mechanical equipment, or topographical features, which were already separately analyzed previously under CEQA as part of Tract 36365. As a result, there is no possibility the adoption of the ordinance would not result in any reasonably foreseeable environmental effects and any such impacts would have been previously analyzed under prior CEQA documents approved as part of Tract 36365. Therefore, in no way, would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.

Therefore, the County of Riverside hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.

**SUMMARY OF ORDINANCE NO. 1000
AN ORDINANCE OF THE COUNTY OF RIVERSIDE
AUTHORIZING THE LEVY OF A SPECIAL TAX WITHIN COMMUNITY FACILITIES DISTRICT NO. 25-3M (STONECREEK) OF THE COUNTY OF RIVERSIDE**

This summary is presented pursuant to California Government Code Section 25124(b). A certified copy of the full text of Ordinance No. 1000 may be examined at the Office of the Clerk of the Board of Supervisors of the County of Riverside, located at 4080 Lemon Street 1st Floor, Riverside, California 92501.

Pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Section 53311 of the California Government Code (the "Government Code"), May 6, 2025, the Board of Supervisors (the "Board of Supervisors") of the County of Riverside adopted Resolution No. 2025-089, stating its intention to establish a community facilities district proposed to be named Community Facilities District No. 25-3M (Stonecreek) of the County of Riverside (the "District"), and to authorize the levy of special taxes to fund, pay for, and finance authorized maintenance of landscaping, lighting, traffic signal, drainage, park maintenance, fencing, entry monuments, and graffiti abatement (the "Services") and to pay expenses incidental thereto and incidental to the levy and collection of the special taxes, so long as the special taxes are needed to fund the Services.

Ordinance No. 1000 authorizes the levy of special taxes within the District at the rate and in accordance with the method of apportionment approved by the voters at an election held on June 24, 2025, regarding the proposed levy of special taxes. Ordinance No 1000 provides that the Board of Supervisors, as the legislative body of the District, is authorized and directed each fiscal year to determine or cause to be determined the specific special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the District. In addition, the special tax revenue may be used to replenish a reserve fund for the District, to pay the costs of administering the District, and fund the cost of collecting and administering the special tax. Ordinance No. 1000 provides that the special taxes may be collected on the secured property tax roll in the same manner as ordinary ad valorem taxes and that the special taxes shall have the same lien priority, and be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for ad valorem taxes. The rate and method of apportionment of the special tax authorized by Ordinance No. 1000 is the rate and method approved by voters within the District and as further reflected in Exhibit A "Rate and Method" to Ordinance No. 1000. A complete copy of Exhibit A "Rate and Method" is on file with the Clerk of the Board of Supervisors and is available for public inspection and copying in that office in accordance with the California Public Records Act, Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code.
