BACKGROUND:

Summary

Landscaping and Lighting Maintenance Districts (L&LMD's) are formed for the purpose of creating a funding mechanism to pay for the installation and maintenance of landscaping, streetlights, traffic signals, drainage inlet water quality filters, decorative fencing, and other roadside features within the road right of way. Within an established L&LMD, zones are created for specific developments, a fee structure is developed specific to the features within that zone, and the zone is then assessed through a tax levy on an annual basis for the installation and maintenance of the features within that particular zone.

L&LMD Number 89-1-Consolidated ("L&LMD Number 89-1-C") was formed in 1994, Resolution Number 94-389, and currently consists of 89 individual zones and 92 street lighting zones with different fee structures spread throughout Riverside County. The residential property owner of Tract 30266-1 (TR30266-1), as described in the attached Exhibit "A", has petitioned the County to annex their property into L&LMD Number 89-1-C, creating Street Lighting Zone 174. The boundaries of Street Lighting Zone 174 will encompass the entire TR30266-1 and will include the maintenance and servicing of streetlights.

On August 27, 2024, as Agenda Item 19.2, a public hearing was held to receive all testimony regarding the annexation of Street Lighting Zone 174 to L&LMD Number 89-1-C. After closing the public hearing, the Board of Supervisors directed the Director of Transportation, or their designee, to tabulate the assessment ballots that had been received prior to the close of the hearing. The assessment ballots were to be tabulated on August 28, 2024 at 10:00 a.m. in Conference Room B on the 8th Floor of the County Administrative Center. The tabulation shows that votes representing 58 parcels out of a possible 58 were cast, and that 1 vote (or 100%) were cast in favor of the annexation of Street Lighting Zone 174 to L&LMD Number 89-1-C and the levy and enrollment of the special assessment.

Adoption of Resolution Number 2025-215 confirms the assessment levy as indicated in the Engineer's Report for fiscal year 2025-2026 for Street Lighting Zone 174 of L&LMD Number 89-1-C and orders the placement of the annual assessment on the County's Assessment Roll for fiscal year 2025-2026.

Reference

At the direction of the County of Riverside Board of Supervisors, L&LMD Number 89-1-C was formed in 1994 by Resolution Number 94-389 authorizing the annexation of new zones into

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

L&LMD Number 89-1-C for the purpose of levying assessments to pay for the installation and maintenance of landscaping, streetlights and other right-of-way approved improvements.

The zone-specific Engineer's Report for fiscal year 2024-2025 was prepared in compliance with the requirement of Article 4, Chapter 1 of the Landscaping and Lighting Act of 1972, which is Part 2 of Division 15 of the California Streets and Highways Code. The County initiates annexation proceedings for the annual levy of assessments by passing a resolution, which proposes the new levy under the Landscaping and Lighting Act of 1972. This resolution also describes the improvements, describes the location of the zone within the District and finally orders an engineer, who is a registered professional engineer, certified by the State of California, to prepare and file a detailed report.

In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution, creating new procedures that must be followed to levy annual assessments under the Landscaping and Lighting Act of 1972. A County may levy annual assessments for an assessment district after complying with the requirements of the Landscaping and Lighting Act of 1972, and the provisions of Proposition 218 Right to Vote on Taxes Act.

Impact on Residents and Businesses

The new assessment is for the purpose of providing the maintenance and servicing of streetlights within public right-of-way.

Only the residential/commercial property owners within the proposed boundaries of Street Lighting Zone 174, which are represented by TR30266-1, as described in the attached Exhibit "A" (a two-page exhibit containing a description and diagram) are impacted by the cost of this annexation. By setting up an assessment for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon public funding sources.

SUPPLEMENTAL:

Additional Fiscal Information

The proposed budget for fiscal year 2025-2026 for Street Lighting Zone 174 is \$4,871. This will result in an assessment for fiscal year 2025-2026 within Street Lighting Zone 174 of \$84 per parcel. Street Lighting Zone 174 includes 58 parcels. The annual assessment may be adjusted annually by the greater of 2% or the cumulative percentage increase in the Consumer Price Index for all Urban Customers for electricity (CPI-U), if any, as it stands as of March of each year over the base index for March of 2025.

1 **WHEREAS**, at 9:30 a.m. on August 27, 2024, as set forth in Resolution Number 2024-005, the
2 Board of Supervisors held a public hearing and afforded all interested persons an opportunity to be
3 heard, and considered all oral statements and all written protest or communications made or filed by
4 any interested persons, closed the public hearing and directed the Director of Transportation, or her
5 designee, as an impartial person having no vested interest in the annexation of Street Lighting
6 Zone 174 to L&LMD Number 89-1-C as required by Section 53753(e) of the Government Code to
7 tabulate the assessment ballots that had been received prior to the close of the public hearing; and

8 **WHEREAS**, the tabulation of the assessment ballots show that assessment ballots were timely
9 received from the owner of 58 parcels out of a possible 58 parcels and that 58 parcels (100 percent of
10 the assessment ballots received) voted in favor of annexation of Street Lighting Zone 174 to L&LMD
11 Number 89-1-C and the levy of an annual assessment in said Street Lighting Zone 174 beginning
12 fiscal year 2025-2026; and

13 **WHEREAS**, the Board of Supervisors may proceed, pursuant to Section 22594 of the Streets
14 and Highways Code, to adopt a resolution ordering the improvements and the annexation of Street
15 Lighting Zone 174 and confirming the diagram and assessment, either as originally proposed, or as
16 changed by the Board of Supervisors, and the adoption of such a resolution shall constitute the levy of
17 an assessment on all assessable lots and parcels of land within Street Lighting Zone 174 of L&LMD
18 Number 89-1-C for fiscal year 2025-2026.

19 **NOW, THEREFORE, BE IT RESOLVED, FOUND, DETERMINED AND ORDERED** by the
