The second speaker should take up a position in one of the chamber aisles to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Sheriff Bianco's office has lost the confidence of Riverside County citizens. It has been guilty of abuse of prisoners even leading to deaths,, attempts at covering up wrongdoing, and waste of public money settling lawsuits.

I am a disabled man that needs to speak to the supervisors about the discriminatory actions of both their CPS and APS offices and address an issue with their abilities to remedy abuse and oppression issues that involve a court proceeding. A vulnerable individual that is discriminated against and abused by individuals that use the courts to facilitate the abuse, can not have their only remedy to be returning to the court that originally aided in the discrimination and abuse. I would like my public comment time to be used to bring this issue to attention of the supervisors.
