EXHIBIT B
(Standard Agreement - Subvention)
Budget Detail and Payment Provisions

1. INVOICING AND PAYMENT

A. Service Budget Payment of Expenditure

1. This is a cost reimbursement Agreement for subvention services. For services satisfactorily completed by the Program consistent with those authorized by DOR, and upon receipt and approval of the invoices by DOR, DOR agrees to reimburse the Program for actual expenditures incurred subject to the approved Scope of Work, Service Budget, Budget Narrative, approved invoices, and applicable regulations as attached or referenced hereto and made a part of this Agreement.
2. All expenses shall be reviewed and approved by the DOR Contract Administrator before payment can be made to the Program.
3. The Service Budget must set forth in detail the reimbursable items, unit rates and extended total amounts for each line item. The Program's Service Budget shall include items directly related to this Agreement to include a Budget Narrative that fully explains why and how the costs are necessary, reasonable, and allocable to the Agreement.

B. Submission of Invoice(s)

1. Monthly invoices must be completed using the DR 801B Service Invoice form (DR801B) and shall provide an actual line-item detail of expenditure(s) that supports the approved Service Budget and Budget Narrative. The DR801B shall include the Agreement Number and be submitted in duplicate not more frequently than monthly in arrears to the DOR Contract Administrator or designee (listed in Exhibit A).
2. An original DR801B must be submitted and signed by authorized personnel as listed on the Signature Authorization (DR 325) form.
3. Supporting documentation must be available upon request at any time by DOR staff, or other State and Federal representatives.
4. Federal and State funds are time limited; therefore, invoices (service and certified match) must be submitted as soon as possible, but no later than 60 days after the service month. Final submission of all fiscal year-end invoices is due no later than November 1st, to allow for payment and draw down prior to the close out of Federal/State funds.
5. If budgetary funds revert due to failure to submit timely invoices or failure to submit a properly prepared invoice, related Federal and State funds will no longer be available for use which will require the contractor to submit a claim through the California Department of General Services' Government Claims Program, where approval to pay is not guaranteed.
6. The DOR is committed to issue payments as quickly as possible following the receipt of an accurate and complete invoice of allowable costs as approved by the DOR Contract Administrator.

C. Appropriate Expenditures

Budgets must not contain line items that are or will be reimbursed/paid by another source of funding during the period covered by this Agreement. Budgeted amounts that have not been utilized during a fiscal year shall not be carried over to another fiscal year.

D. Invoice Claim Adjustments

1. Budgeted amounts remaining for a given line item, within a fiscal year budget, may be used to defray allowable costs under the approved budget line items contained within the same fiscal year. A claim adjustment is required on the Service Invoice (DOR 801B) with an attached brief narrative explaining each line item impacted and may not exceed up to a cumulative amount of ten percent (10%) of the total annual contract Service Budget for all budget years as long, as there is neither an increase nor decrease of the total annual contract Service Budget. A formal amendment is required if it does not meet the above criteria.
2. Staff line item salary ranges and percentage of time are projected estimates and are subject to change based on actual salary and chargeable time costs. Claim adjustments are allowable as long as the annualized total line item costs do not exceed what is allowed in Item 1 above.

E. Budget Contract Amendments

A contract amendment between both parties is required for any budget changes not covered in Section D above. This includes any major category or detailed line item description changes to the approved Service Budget and Budget Narrative as outlined below:

- Adding and deleting a major category budget or detailed line item.
- Line item adjustments that exceed a cumulative amount of 10%.

(Note: ALL changes must be made in bold.)

Go to CalHR website at <http://www.calhr.ca.gov/employees/pages/travel-reimbursements.aspx>. No travel outside the State of California except for bordering California States shall be reimbursed without prior documented written authorization from DOR.

Upon request from DOR, the Program will provide sufficient documentation to support travel expenditures such as travel claims, mileage logs, and receipts for lodging, transportation, and meal costs. Travel costs that benefit more than one cost objective will be allocated to this agreement in proportion to the benefit received by DOR.

2. BUDGET CONTINGENCY CLAUSE

- A. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the Program, this Agreement shall have no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to the Program or to furnish any other considerations under this

Agreement and the Program shall not be obligated to perform any provisions of this Agreement.

- B. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the State shall have the option to either cancel this Agreement with no liability occurring to the State or offer an Agreement amendment to the Program to reflect the reduced amount.

3. BUDGET CONTINGENCY CLAUSE FOR FEDERALLY FUNDED AGREEMENTS

- A. It is mutually understood between the parties that this Agreement may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds to avoid program and fiscal delays that would occur if the Agreement were executed after that determination was made.
- B. This Agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the current year and/or any subsequent year for the purpose of this program. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by Congress or to any statute enacted by Congress that may affect the provisions, terms, or funding of this Agreement in any manner.
- C. The parties mutually agree that if Congress does not appropriate sufficient funds for the program, this Agreement shall be amended to reflect any reduction in funds.

4. PROMPT PAYMENT CLAUSE

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with section 927.

5. PRINCIPLES AND STANDARDS FOR DETERMINING ALLOWABLE COSTS, INCLUDING REQUIREMENTS FOR DOCUMENTING PERSONNEL ACTIVITY CHARGEABLE TO THE AGREEMENT

Agreements awarded by DOR shall be subject to actual costs for services rendered under this Agreement. Allowable costs under this Agreement must meet the following general criteria:

- Be generally recognized and necessary for the provision of services identified in this Agreement.
- Be reasonable for the performance of the Agreement, including acceptable sound business practices.
- Be subject to the terms and conditions of the Agreement and approved DOR budgeted line items.
- Not be used for general expenses required to carry out other responsibilities of the Program.
- Be properly documented and supported.
- Be allocable to the services provided under the cooperative arrangement so that costs charged to the agreement are proportional to the benefits received by DOR.

Documenting and supporting the distribution of all costs, including the allocation of time chargeable to the Agreement, is required. The Program agrees to comply with the 2 CFR part 200 Federal cost principles regarding documentation for the support of personnel activity chargeable to the Agreement.

The Program shall submit the certified expenditure invoice on a timely basis (i.e. same time as submission of service budget invoice) for proper DOR processing. To ensure sufficient match is available to leverage federal funding, the contractor is required to submit 100% of their obligated certified/cash match to meet their full budgeted amount by the end of each fiscal year. Refer to the Contract Handbook for Case Services and Cooperative Program Agreements for more information regarding certified/cash match requirements.

For Agreements that include **CERTIFIED EXPENDITURE MATCH**:

- A. The Program shall certify to the State, on a monthly basis as specified in Exhibit B and G, the Program's allowable costs to provide the cooperative program services identified in the Scope of Work, in accordance with the Cooperative Agency Certified Expenditure Budget Summary and Narrative, and applicable Federal regulations. The State shall not be obligated to pay the Contractor for any contributions made by the Program in accordance with the approved budget, it being understood that all matching funds obtained by the State from the Program shall be exclusive funds of the State and no portion of the cash match shall come from Federal funds.
