**BACKGROUND:**

**Summary**

On June 11, 2024, the Riverside County Board of Supervisors approved Agenda Item No. 3.32, Resolution 2024-127, which authorized the Purchasing Agent to make procurements not to exceed \$750,000 per vendor per fiscal year pursuant to Public Contract Code Section 20131, Subsection (c), until June 30, 2027.

The requested Board action will approve receipt and filling of the Riverside University Health System – Public Health (RUHS-PH) report on Agreements and Purchases of Medical and Surgical Equipment and Supplies or Professional Services signed under delegated authority for third and fourth quarters of Fiscal Year 2024/2025, as required per motion two (2) of Resolution No. 2024-127. Incorporated into this Board action is a report of all agreements and purchases approved under Resolution 2024-127 during the third and fourth quarters of Fiscal Year 2024/2025.

RUHS-PH’s primary objective in utilizing Resolution 2024-127 was to reduce waiting time pertaining to processing of agreements deemed necessary for patient care. These agreements typically include equipment or medical supplies for patient services and generate new net revenue. The secondary objective was to remove items that are repetitive or routine and thus help RUHS-PH streamline items being sent to the Board.

**Impact on Residents and Businesses**

Delegated authority allows patient services to be delivered faster and more efficiently. Those agreements that increase revenue or accelerate payments improve Public Health’s fiscal health.
