BACKGROUND:

Summary

On June 10, 2025 [Agenda Item 14.9, MT 27808], the District's Board authorized the Clerk of the Board to advertise for construction contract bids for the Project.

The District opened bids for the Project on July 15, 2025. The lowest responsible bid was received from Sukut Construction, LLC ("Contractor") for the sum of $1,895,850. Nine (9) contractors submitted a bid in response to this call for bids. The bid documents have been reviewed by County Counsel and District staff.

On July 29, 2025, a Notice of Intent to Award the contract to the Contractor was posted under Public Notices at www.rcflood.org. Pursuant to Article 3, Section 3.3 of the Instructions to Bidders, bidders are provided five (5) days to submit any protest of the intent to award. No protests were received by the deadline.

The Contractor has executed the construction contract and provided the bonds and insurance documents that meet the requirements of the contract.

This Project consists of excavating and removing accumulated sediments, debris and vegetation within the existing District-owned and maintained Perris Valley Channel to its original lines and grades. The Project does not include any new construction and only proposes to return the facility's capacity to as-built condition, improving its flood protection capability from its current state.

County Counsel has reviewed the construction contract with exhibits and approved as to form.

CEQA Compliance

On Tuesday, October 17, 2023 [Agenda Item 11.4, MT 23088], the District's Board found that the proposed Project is categorically exempt from the California Environmental Quality Act ("CEQA") pursuant to Section 15301(b), "Existing Facilities," of the State CEQA Guidelines. In accordance with CEQA, a Notice of Exemption was prepared by the District and filed by the Clerk of the Board on February 28, 2024. Nothing further is required to comply with CEQA.

Impact on Residents and Businesses

Impact on local residents and businesses is considered minimal. Residents and businesses could experience general construction noise or dust from heavy equipment. Work will increase public safety in the Project vicinity. Access to residents and businesses will be maintained throughout the duration of the Project.

Contract History and Price Reasonableness

Pursuant to Public Contract Code 21091, invitation of sealed bids was solicited by advertising in print and digital media. The Contractor's bid was reasonable and is approximately 56% below the Project Engineer's estimate.

PERFORMANCE BOND

(Public Work – Public Contract Code Section 21091)

WHEREAS, the Riverside County Flood Control and Water Conservation District ("District") on August 26, 2025, has awarded Construction Contract Number: **4-0-00010** ("Contract") to the undersigned Sukut Construction, LLC, as Principal ("Principal") to perform the work ("Work") for the following project: **Perris Valley Channel Muck and Vegetation Removal**, which Contract is by this reference hereby incorporated herein and made a part hereof;

WHEREAS, said Principal is required by the Contract and/or by California Public Contract Code, Section 21091 to furnish a performance bond for the faithful performance of the Contract;

NOW THEREFORE, we, the Principal and Liberty Mutual Insurance Company ("Surety"), an admitted surety insurer pursuant to Code of Civil Procedure, Section 995.120, are held and firmly bound unto District in the penal sum of one million eight hundred ninty five thousand eight hundred and fifty dollars 00/100 Dollars ($ 1,895,850.00), this amount being not less than one hundred percent (100%) of the total sum payable by District under the Contract at the time the Contract is awarded by District to the Principal, lawful money of the United States of America, for the payment of which sum well and truly to be made, we, Principal and Surety, bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents, to:

1. Perform all the work required to complete the Project; and

2. Pay to the District all damages the District incurs as a result of the Contractor's failure to perform all the work required to complete the Project.

THE CONDITION OF THIS OBLIGATION IS SUCH that if Principal, its heirs, executors, administrators, successors or assigns approved by District, shall in all things stand to and abide by and well and truly keep and perform all the undertakings, terms, covenants, conditions and agreements in the Contract, including, without limitation, all obligations during the original term and any extensions thereof as may be granted by District, with or without notice to Surety thereof (including, without limitation, the obligation for Principal to pay liquidated damages), all obligations during the period of any warranties and guarantees required under the Contract and all other obligations otherwise arising under the terms of the Contract (such as, but not limited to, obligations of indemnification), all within the time and in the manner therein designated in all respects according to their true intent and meaning, then this obligation shall become null and void; otherwise, it shall be and remain in full force and effect.

As a condition precedent to the satisfactory completion of the Contract, the above obligation shall hold good for a period equal to the warranty and/or guarantee period of the Contract, during which time Surety's obligation shall continue if Contractor shall fail to make full, complete, and satisfactory repair and replacements and totally protect the District from loss or damage resulting from or caused by defective materials or faulty workmanship. The obligations of Surety hereunder shall continue so long as any obligation of Contractor remains. Nothing herein shall limit the District's rights or the Contractor or Surety's obligations under the Contract, law or equity, including, but not limited to, California Code of Civil Procedure section 337.15.

Whenever Principal shall be, and is declared by District to be, in default under the Contract, the Surety shall promptly either remedy the default, or, if the Contract is terminated by District or the Principal's performance of the Work is discontinued, Surety shall promptly complete the Contract through its agents or independent contractors, subject to acceptance of such agents or independent contractors by District as hereinafter set forth, in accordance with its terms and conditions and to pay and perform all obligations of Principal under the Contract (including, without limitation, all obligations with respect to payment of liquidated damages) less the "Balance of the Contract Price" (as hereinafter defined); subject to the penal amount of this bond as set forth above. The term "Balance of the Contract Price", as used in this paragraph, shall mean the total amount payable to Principal by District under the Contract and any modifications thereto, less the amount previously paid by District to the Principal and less amounts that District is authorized to withhold under the terms of the Contract.

If District determines that completion of the Contract by Surety or its agents or independent contractors must be performed by a lowest responsible bidder selected pursuant to a competitive bidding process, then Surety shall comply with such processes in accordance with the requirements of District and applicable laws. Unless otherwise approved by District, in the exercise of its sole and absolute discretion, Surety shall not utilize Principal in completing performance of the Work.

No right of action shall accrue on this bond to or for the use of any person or entity other than District or its successors or assigns.

In the event any legal proceeding or arbitration is brought upon this bond by District and judgment or award is entered in favor of District as the prevailing party, Surety shall pay all costs and attorney's fees incurred by the District.

Correspondence or claims relating to this bond shall be sent to Surety at the address set forth below.

Surety, for value received, agrees that no change, extension of time, alteration or addition to the terms of the Contract, or to the work to be performed thereunder, shall in any way impair or affect Surety's obligation under this bond, and Surety does hereby waive notice of any such changes, extensions of time, alterations or additions.

Surety's obligations hereunder are independent of the obligations of any other surety for the performance of the Contract, and suit may be brought against Surety and such other sureties, joint and severally, or against any one or more of them or against less than all of them, without impairing District's rights against the others.

ADDITIONAL INSURED

This endorsement modifies insurance provided under the following:

BUSINESS AUTO LIABILITY COVERAGE PART

Any person or organization you are required by contract to include as an additional insured on this policy is an "insured" but only with respect to liability arising out of the ownership, maintenance or use of an "auto" in the operations incidental to the contract and to the extent set forth below:

(1) The limit of insurance will not be greater than that required by such contract.

(2) The coverage provided to the additional insured will not be greater than that customarily provided by the policy forms specified in and required by the contract.

(3) All insuring agreements, exclusions and conditions of this policy will apply.

(4) In no event shall the coverage or limit of insurance in this coverage form be increased by such contract.

This insurance is excess to any other insurance, whether primary, excess, contingent or on any other basis, available to the additional insured unless a written contract requires that this insurance be primary or primary and non-contributing. However, this insurance is always excess to other insurance, whether primary, excess, contingent or on any other basis, when the additional insured has been added to the other insurance as an additional insured.

Nothing herein contained shall be held to vary, alter, waive or extend any of the terms, conditions, provisions, agreements or limitations of the mentioned Policy, other than as above stated.

This endorsement changes the policy to which it is attached and is effective on the date issued unless otherwise stated.
(The information below is required only when this endorsement is issued subsequent to preparation of the policy.)

ADDITIONAL INSURED – AUTOMATIC STATUS AS REQUIRED BY CONTRACT – BLANKET

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

SCHEDULE

Any person or organization that you are required by written contract to include as an additional insured on this policy if the contract is executed prior to the loss.

A. Section II, Who Is An Insured is amended to include as an additional insured any person or organization shown in the above SCHEDULE (called additional insured), but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of your premises or your operations for the additional insured, and only to the extent and for the minimum limits required in the written contract.

B. The insurance provided to the additional insured is subject to the following limitations:

1. Unless a written contract specifically requires additional insured coverage for your completed operations, this insurance does not apply to "bodily injury" or "property damage" occurring after "your work" for the additional insured has been completed or after that portion of "your work" out of which the "bodily injury" or "property damage" arises has been put to its intended use by any person or organization, whichever occurs first.

2. Unless broader coverage is specifically required by written contract, this insurance provides additional insured coverage only for liability for "bodily injury", "property damage" or "personal and advertising injury" to the extent caused by the named insured's acts or omissions or the acts or omissions of those acting on the named insured's behalf. If broader coverage is specifically required by written contract, this insurance does not apply to "bodily injury" or "property damage" or "personal and advertising injury" arising out of the sole negligence, act, or omission of the Additional Insured unless additional insured coverage for an Additional Insured's sole negligence, act, or omission is specifically required by written contract.

3. This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" for which the additional insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement except to the extent that the additional insured would have been obligated to pay such damages in the absence of the contract or agreement.

4. This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering or failure to render any professional services by any insured or on any insured's behalf, including:

   a) The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders, drawings or specifications; or
   b) Supervisory, inspection, architectural, or engineering services.

   This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of, or the failure to render, any professional architectural, engineering or surveying services.

5. This endorsement shall not apply to a person or organization if any other additional insured endorsement attached to this policy specifically applies to that person or organization.

6. The insurance afforded herein only applies to the extent permitted by applicable state law, including statutes governing additional insured coverage in the construction industry.

7. The insurance afforded to the additional insured shall not exceed the minimum limits required in the written contract.

C. In no event shall the insurance provided to the additional insured exceed the minimum coverage required by the written contract, including but not limited to minimum limits, minimum scope of coverage, or minimum duration of coverage. If a written contract or agreement requires that additional insured status be provided by the use of specified edition dates of the ISO CG2010 and/or CG2037, then the terms of that endorsement are incorporated into this endorsement as respects such additional insured and shall supersede the coverage grant and limitations in Sections A. and B. of this endorsement. In the event that CG2010 and/or CG2037 are required but no edition dates are specified, the 04/13 editions shall apply.

D. This insurance is excess to any other insurance, whether primary, excess, contingent or on any other basis, available to the additional insured unless a written contract requires that this insurance be primary or primary and non-contributing. However, this insurance is always excess to other insurance, whether primary, excess, contingent or on any other basis, when the additional insured has been added to the other insurance as an additional insured.

Nothing herein contained shall be held to vary, alter, waive or extend any of the terms, conditions, provisions, agreements or limitations of the mentioned Policy, other than as above stated.

This endorsement changes the policy to which it is attached and is effective on the date issued unless otherwise stated.
