**BACKGROUND:**

On November 17, 2020, the Riverside County Board of Supervisors (Board) directed the Executive Office to implement an Unincorporated Communities Initiative (UCI). The UCI is a focused, ongoing, and coordinated effort to improve the infrastructure and services provided to the residents of unincorporated communities, with emphasis on Disadvantaged Unincorporated Communities (DUCs). The UCI receives authorized General Fund/Net County Cost (NCC) monies from the County during the annual budget and quarterly budget revision process.

On December 15, 2020, the Executive Office presented a proposed framework for planning and implementation of the UCI. With the support of the Board, the Executive Office established a team of staff and department heads to facilitate the UCI program. Through March 31, 2021, the Executive Office team held 15 community meetings and conducted online surveys to better understand community needs for services, infrastructure, and infrastructure maintenance. On May 25, 2021, the UCI Team presented the needs assessment to the Board.

On June 24, 2025, the Board adopted the FY25/26 Budget, which included the allocation of \$12,500,000 in NCC General Funds to the Unincorporated Communities Initiative. The \$12,500,000 was to be divided evenly between the five Supervisorial Districts for each Supervisor's use within their unincorporated communities.

Based on the foundational work completed by the UCI Team and further analysis by this office, \$1,500,000 of the remaining available UCI funding for the Second District will be allocated to the following project:

- Temescal Road Widening (Right-of-Way / Construction) -TLMA/Transportation - \$1,500,000

**Impact on Residents and Businesses**

The proposed Temescal Canyon Rd Widening Project will improve the quality of life for motorists and residents of Riverside County through the enhancement of a safe, efficient and integrated transportation corridor.

The long-term goal of the Unincorporated Communities initiative is to ultimately improve infrastructure and services to all our unincorporated communities. This is a first step to meeting that commitment.
