BACKGROUND:

Summary

By Minute Order dated July 29, 2025 (Agenda Item 3.67), the County of Riverside (County) Board of Supervisors authorized the Clerk of the Board to advertise for the construction of Hemet Ryan Airport Apron Pavement Rehabilitation Phase 2 Project.

Phase 2 of this project includes Apron Pavement Rehabilitation via in-place full depth reclamation, new HMA pavement surface course, fog seal, and restoration of marking. No improvements outside of the existing pavement limits are anticipated. No drainage improvements or permanent BMP design will be included.

The Apron Pavement Rehabilitation Phase 2 Project is consistent with the Airport's Capital Improvement Program. The project documents have been reviewed and approved by the Federal Aviation Administration (FAA) and are consistent with current guidelines for General Aviation facilities.

On July 29, 2025, the Board approved Agenda Item 3.67 which includes the project specifications, plans, and authorized staff to advertise the notice of inviting bids for this project.

Bids were received from four contractors for the combined Base Bid and Bid Alternates 1, 2, and 3, as follows:

- Matich Corporation. - $3,535,855.50 (lowest responsive bidder)
- All American Asphalt - $3,156,611.00
- Coffman Specialties Inc. - $3,645,000.00
- Hazard Companies - $3,613,691.50

Staff recommends the construction contract for the Hemet Ryan Airport Apron Pavement Rehabilitation Phase 2 Project be awarded to Matich Corporation.

Staff proposes to have C&S Engineering Inc., provide full construction support services including on-site observation, project management, and overall construction administration.

The construction phase consists of observation to become generally familiar with the progress and quality of the Contractor's work to determine if the work is proceeding in general conformity with the contract documents. Staff recommends that the Board of Supervisors approve the necessary task order agreements for this construction project.

The Hemet Ryan Airport Pavement Rehabilitation Phase 2 Project is consistent with the Airport's Capital Improvement Program. C&S Companies was selected by Request for Qualification as the County's Airport Project Consultant, per the Federal Aviation Administration's (FAA) five-year consultant selection criteria.

The proposed Project is categorically exempt from the provisions of CEQA according to the State CEQA Guidelines Section 15301, Class 1 Existing Facilities Exemption: Section 15302 Replacement or Reconstruction; and Section 15061 (b)(3) "Common Sense" Exemption and categorically excluded from NEPA US Department of Transportation Federal Aviation Administration Order 1050.1E, Categorical Exclusion 5-6.4e Facility Siting, Construction, and Maintenance. The Project will not cause any impact to an environmental resource of hazardous or critical concern, nor would the Project include unusual circumstances which would have a potentially significant effect on the environment.

County Counsel has reviewed and approved the plans and specification as to legal form.

Impact on Residents and Businesses

The Hemet Ryan Airport Apron Pavement Rehabilitation Phase 2 Construction Project will enhance operational capacity and safety at the Hemet Ryan Airport.

Additional Fiscal Information

The project will be financed using the Federal Aviation Administration Airport Improvement Grant Funds 95%, State Division of Aeronautics Fund 4.75%, and Special Aviation Budget Fund (22350) for the remaining balance of .25%. A budget adjustment will be necessary to increase Appropriation for the Project Services account and increase estimated revenues. AND, WHEREAS, said principal is required by the Contract and/or by Division 3, Part IV, Title XV, Chapter 7 (commencing at Section 9550) of the California Civil Code to furnish a payment bond in connection with the Contract;

NOW THEREFORE, we the Principal and Liberty Mutual Insurance Company ("Surety") an admitted surety insurer pursuant to Code of Civil Procedure, Section 995.120, are held and firmly bound unto County in the penal sum of Three Million Five Hundred Thirty Five Thousand Eight Hundred Fifty Five and 50/100 Dollars ($ 3,535,855.50), this amount being not less than one hundred percent (100%) of the total sum payable by County under the Contract at the time the Contract is awarded by County to the principal, lawful money of the United States of America, for the payment of which sum well and truly to be made, we, Principal and Surety, bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

Surety, for value received, agrees that no change, extension of time, alteration or addition to the terms of the Contract, or to the Work to be performed thereunder, nor any rescission or attempted rescission of the Contract or this bond, nor any conditions precedent or subsequent in the bond or Contract attempting to limit the right of recovery of any claimant otherwise entitled to recover under the Contract or this bond shall in any way impair or affect Surety's obligation under this bond, and Surety does hereby waive notice of any such changes, extensions of time, alterations or additions.

Surety is not released from liability to those for whose benefit this bond has been given, by reason of any breach of the Contract by County or Principal.

PERFORMANCE BOND

(Public Work – Public Contract Code Sections 20129 (b))

KNOW ALL PERSONS BY THESE PRESENT

THAT WHEREAS, the County of Riverside ("County") by action of the Board of Supervisors on _____, 20___, has awarded Contract Number _____ ("Contract") to the undersigned Matich Corporation as Principal ("Principal") to perform the work ("Work") for the following Apron Pavement Rehabilitation Phase 2 Project at the Hemet-Ryan Airport ("Project");

AND, WHEREAS, said Principal is required by the Contract and/or by California Public Contract Code, Section 20129 (b) to furnish a performance bond for the faithful performance of the Contract;

NOW THEREFORE, we, the Principal and Liberty Mutual Insurance Company ("Surety"), an admitted surety insurer pursuant to Code of Civil Procedure, Section 995.120, are held and firmly bound unto County in the penal sum of Three Million Five Hundred Thirty Five Thousand Eight Hundred Fifty Five and 50/100 Dollars ($ 3,535,855.50), this amount being not less than one hundred percent (100%) of the total sum payable by County under the Contract at the time the Contract is awarded by County to the Principal, lawful money of the United States of America, for the payment of which sum well and truly to be made, we, Principal and Surety, bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH that if Principal, its heirs, executors, administrators, successors or assigns approved by County, shall in all things stand to and abide by and well and truly keep and perform all the undertakings, terms, covenants, conditions and agreements in the Contract, including, without limitation, all obligations during the original term and any extensions thereof as may be granted by County, with or without notice to Surety thereof (including, without limitation, the obligation for Principal to pay liquidated damages), all obligations during the period of any warranties and guarantees required under the Contract and all other obligations otherwise arising under the terms of the Contract (such as, but not limited to, obligations of indemnification), all within the time and in the manner therein designated in all respects according to their true intent and meaning, then this obligation shall become null and void; otherwise, it shall be and remain in full force and effect.

Whenever Principal shall be, and is declared by County to be, in default under the Contract, the Surety shall promptly either remedy the default, or, if the Contract is terminated by County or the Principal's performance of the Work is discontinued, Surety shall promptly complete the Contract through its agents or independent contractors, subject to acceptance of such agents or independent contractors by County as hereinafter set forth, in accordance with its terms and conditions and to pay and perform all obligations of Principal under the Contract (including, without limitation, all obligations with respect to payment of liquidated damages) less the "Balance of the Contract Price" (as hereinafter defined); subject to the penal amount of this bond as set forth above. The term "Balance of the Contract Price," as used in this paragraph, shall mean the total amount payable to Principal by County under the Contract and any modifications thereto, less the amount previously paid by County to the Principal and less amounts that County is authorized to withhold under the terms of the Contract.

If County determines that completion of the Contract by Surety or its agents or independent contractors must be performed by a lowest responsible bidder selected pursuant to a competitive bidding process, then Surety shall comply with such processes in accordance with the requirements of County and applicable laws. Unless otherwise approved by District, in the exercise of its sole and absolute discretion, Surety shall not utilize Principal in completing performance of the Work.

No right of action shall accrue on this bond to or for the use of any person or entity other than County or its successors or assigns.

Correspondence or claims relating to this bond shall be sent to Surety at the address set forth below.

Surety, for value received, agrees that no change, extension of time, alteration or addition to the terms of the Contract, or to the work to be performed thereunder, shall in any way impair or affect Surety's obligation under this bond, and Surety does hereby waive notice of any such changes, extensions of time, alterations or additions.

Surety's obligations hereunder are independent of the obligations of any other surety for the performance of the Contract, and suit may be brought against Surety and such other sureties, joint and severally, or against any one or more of them or against less than all of them, without impairing County's rights against the others.

d) Certify that all construction materials used in the project are manufactured in the U.S.

d) To furnish U.S. domestic product for any waiver request that the FAA rejects.

CERTIFICATION OF LOWER TIER CONTRACTORS REGARDING DEBARMENT

The successful bidder, by administering each lower tier subcontract that exceeds $25,000 as a "covered transaction", must verify each lower tier participant of a "covered transaction" under the project is not presently debarred or otherwise disqualified from participation in this federally assisted project. The successful bidder will accomplish this by:

1. Checking the System for Award Management at website: http://www.sam.gov

2. Collecting a certification statement similar to the Certificate Regarding Debarment and Suspension (Bidder or Offeror), above.

3. Inserting a clause or condition in the covered transaction with the lower tier contract

CERTIFICATION OF OFFERER/BIDDER REGARDING TAX DELINQUENCY AND FELONY CONVICTIONS

The Contractor must complete the following two certification statements. The Contractor must indicate its current status as it relates to tax delinquency and felony conviction by inserting a checkmark or "X" in the space following the applicable response. The Contractor agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification in all lower tier subcontracts.

Certifications:

2) The Contractor represents that it is (___) is not (✓) a corporation that was convicted of a criminal violation under any Federal law within the preceding 24 months.

Note:

If a Contractor responds in the affirmative to either of the above representations, the Contractor is ineligible to receive an award unless the sponsor has received notification from the agency suspension and debarment official (SDO) that the SDO has considered suspension or debarment and determined that further action is not required to protect the Government's interests. The Contractor therefore must provide information to the owner about its tax liability or conviction to the Owner, who will then notify the FAA Airports District Office, which will then notify the agency's SDO to facilitate completion of the required considerations before award decisions are made.

Term Definitions

Felony conviction: Felony conviction means a conviction within the preceding twenty four (24) months of a felony criminal violation under any Federal law and includes conviction of an offense defined in a section of the U.S. code that specifically classifies the offense as a felony and conviction of an offense that is classified as a felony under 18 U.S.C. § 3559.

(Public Work – Public Contract Code Section 20129 (a))

KNOW ALL PERSONS BY THESE PRESENTS THAT:

WHEREAS, The undersigned Matich Corporation ("Principal") is herewith submitting to the County of Riverside ("County") a Bid for the award by County to Principal of a contract ("Contract") for the following Apron Pavement Rehabilitation Phase 2 Project at the Hemet-Ryan Valley Airport ("Project);

AND, WHEREAS, Principal is obligated as a condition of said Bid to submit security pursuant to Public Contract Code Section 20129 (a) in the amount of five percent (5%) of the Base Bid and all Alternates ("Bid Amount"), which security may be in the form of a Bid Bond issued by an admitted surety insurer pursuant to Code of Civil Procedure Section 995.120 ("Admitted Surety");

NOW THEREFORE, the Principal and Liberty Mutual Insurance Company ("Surety"), an Admitted Surety, are held and firmly bound unto the County in the penal sum of Five Percent (5%) of the Bid Amount for the payment sum in lawful money of the United States, well and truly to be made, we, *Principal and Surety, bind ourselves, our executors, administrators, successors, heirs and assigns, jointly* and severally, firmly by these presents.

Surety, for value received, hereby agrees that no change, extension of time, alteration or addition to the terms of the Contract or the Bidding Documents, or to the work to be performed thereunder, nor any withdrawal of the Bid in a manner not permitted by the requirements of the Bidding Documents shall in any way impair or affect Surety's obligation under this bond, and Surety does hereby waive notice of any such changes, extensions of time, alterations or additions.
