BACKGROUND:

Summary

The County of Riverside Asset Leasing Corporation (CORAL) is a component unit of the County of Riverside. Each year, CORAL engages an independent auditor to conduct an audit of its basic Financial Statements which consists of the Statements of Net Position, Statement of Revenues, Expenses and Changes in Net Position, the Statement of Cash Flows and the related Notes to the Basic Financial Statements for the fiscal year then ended.

For fiscal year 2024-2025, CORAL engaged external auditor Brown Armstrong Accountancy Corporation to conduct the audit of its financial statements and transactions for the period July 1, 2024 through June 30, 2025.

The audit was performed in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that the independent auditor plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

At the conclusion of the audit, the independent auditor issued an opinion that the financial statements of the County of Riverside Asset Leasing Corporation presents fairly (no exceptions noted), in all material respects, the financial position of the County of Riverside Asset Leasing Corporation as of June 30, 2025, and the respective changes in financial position and cash flows thereof for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Impact on Residents and Businesses

No impact on residents and business.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
County of Riverside Asset Leasing Corporation
Riverside, California

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying basic financial statements of the County of Riverside Asset Leasing Corporation (CORAL), a blended component unit of the County of Riverside, California (the County), as of and for the year ended June 30, 2025, and the related notes to the basic financial statements, which comprise CORAL's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of CORAL, as of June 30, 2025, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CORAL, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CORAL's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CORAL's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CORAL's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise CORAL's basic financial statements. The accompanying combining financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the

underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 13, 2025, on our consideration of CORAL's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of CORAL's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering CORAL's internal control over financial reporting and compliance.

**COUNTY OF RIVERSIDE ASSET LEASING CORPORATION
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED JUNE 30, 2025**

The following discussion and analysis of the County of Riverside Asset Leasing Corporation's (CORAL) financial performance provides an overview of its financial activities for the year ended June 30, 2025. Members of the County of Riverside (the County) Executive Office prepared this discussion and analysis. Please read it in conjunction with CORAL's basic financial statements, which begin on page 6.

Financial Highlights

CORAL's net assets and deferred outflows of resources exceeded its liabilities and deferred inflows of resources at the close of fiscal year 2025 by \$19,780,201.

Revenues from base rents from the County (interest portion) totaled \$17,861,185.

CORAL's cash and investments increased from \$18,444,915 at June 30, 2024, to \$18,978,174 at June 30, 2025, primarily due to operating activities together with investment income exceeding the debt service payments.

CORAL's net position increased by \$411,714 as a result of current year changes in net position.

Basic Financial Statements

CORAL's basic financial statements are those of a special-purpose government engaged only in providing debt financing for capital improvements benefiting the County. Under Governmental Accounting Standards Board (GASB) Statement No. 34, governments like CORAL that have only business-type activities may present only enterprise fund financial statements as follows: (1) statement of net position; (2) statement of revenues, expenses, and changes in net position; and (3) statement of cash flows.

CORAL's basic financial statements are prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. CORAL is structured as a single enterprise fund for financial reporting purposes.

The following table compares the current and prior year net position:

	<u>June 30, 2025</u>	<u>June 30, 2024</u>	<u>Change</u>

Long-Term Debt

The long-term debt of CORAL at June 30, 2025, included \$14,244,582 of outstanding lease revenue bonds and \$4,345,000 of certificates of participation (COPs). The lease revenue bonds and COPs will be repaid through lease agreements with the County that are structured to meet principal and interest requirements when due. During the fiscal year, outstanding bonds and COPs were reduced by scheduled principal payments of \$4,264,652.

Additional information on CORAL's long-term debt can be found in Note 4 of this report.

Economic Factors

The primary purpose of CORAL is to finance public capital needs for the County. Since CORAL derives its operating revenues almost exclusively from rental income paid by the County, any economic impact on the County's operational budget could potentially have an effect on CORAL's revenues and reimbursements to fund its operations. Any reduction in these revenues could affect the ability of the County to pay lease payments to CORAL.

The County's discretionary revenues are estimated in part based on internal projections based on revenue history, and on reports from independent economists hired by the County to provide economic forecasts. The County's fiscal year 2026 budget is structurally balanced with discretionary spending of approximately \$1.393 billion. Discretionary revenue is budgeted at approximately \$1.320 billion, an increase of approximately 7.8% from the adopted budget for fiscal year 2024-25. The increase is due primarily to modestly rising property related tax revenues, motor vehicle in-lieu revenue, RDA residual assets as well as interest earnings

Request for Information

This financial report is designed to provide our citizens, taxpayers, investors, and creditors with a general overview of CORAL's finances and to demonstrate CORAL's accountability for the money it receives. If you have any questions concerning any of the information provided in this report or requests for additional financial information, they should be addressed to the County of Riverside, County Executive Office, 4080 Lemon Street, 4th Floor, Riverside, California 92501.

COUNTY OF RIVERSIDE ASSET LEASING CORPORATION
NOTES TO THE BASIC FINANCIAL STATEMENTS
JUNE 30, 2025

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization

The County of Riverside Asset Leasing Corporation (CORAL) was established on October 27, 1983, to assist the County of Riverside (the County) by acquiring equipment and facilities financed from the proceeds of borrowings and leasing such equipment and facilities to the County. The County appoints the five-member governing body, and CORAL provides services almost entirely to the County. Accordingly, CORAL is a blended component unit of the County for financial reporting purposes, and CORAL's basic financial statements are included in the County's basic financial statements. CORAL is a nonprofit public benefit corporation and has received tax-exempt status from the Internal Revenue Service and the California Franchise Tax Board.

B. Basis of Presentation and Accounting

All activities of CORAL are accounted for within a single enterprise fund. An enterprise fund is used because CORAL's activities are financed with debt that is secured solely by a pledge of lease revenue.

The basic financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded when the liability is incurred, regardless of the timing of related cash flows. With this measurement focus, all assets, deferred outflows of resources, liabilities, and deferred inflows of resources associated with the operations are included on the Statement of Net Position. Net position (i.e., total assets and deferred outflows of resources net of total liabilities and deferred inflows of resources) is segregated between amounts restricted for debt service and unrestricted net position.

C. Use of Estimates

The preparation of basic financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make certain estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

D. Restricted Cash and Cash Equivalents

CORAL considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. This includes deposits and money market mutual funds held in trust. CORAL records investment transactions on the trade date. Investments in nonparticipating interest-earning investment contracts (guaranteed investment contracts) are reported at cost and all other investments are at fair value. Fair value is defined as the amount that CORAL could reasonably expect to receive for an investment in a current sale between a willing buyer and seller and is generally measured by quoted market prices. All of CORAL's restricted cash and investments at June 30, 2025, were held in trust.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Lease Receivables

As described in Note 4, debt service on the outstanding bonds and certificates of participation is funded from rents paid by the County to CORAL for the use of equipment and facilities acquired by CORAL. In the agreements relating to the bonds and certificates of participation, the County has covenanted to make rental payments in amounts corresponding to CORAL's debt service requirements and related costs. Lease receivables consist of amounts owed to CORAL from the County for costs incurred by CORAL in acquiring equipment and facilities for the County. The receivable and related debt is reduced by the principal portion of each rental payment made by the County. To the extent that funds are unexpended upon completion of all projects, such funds will be used to retire outstanding debt and the rental payments required from the County will be reduced accordingly. Title to the equipment and facilities will transfer to the County at the end of the respective lease terms.

F. Deferred Charges – Bond Premiums and Deferred Loss on Bond Refunding

Deferred charges, which consist of bond premiums/discounts, are amortized over the life of the bonds using the effective interest method.

The deferred loss on bond refunding represents the excess of the amount placed in escrow (reacquisition price) over the carrying amount of the refunded bonds and is amortized as a component of interest expense over the remaining life of the refunded bonds (i.e., the shorter of the remaining life of the refunded or refunding bonds).

G. Operating/Nonoperating Revenues and Expenses

CORAL's sole operational purpose is to issue debt to acquire equipment and facilities and lease such property to the County, as well as make debt service payments. As such, CORAL derives its operating revenues almost exclusively from rental income paid by the County, and its operational expenses include general and administrative expenses and the cost of projects leased to the County. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

H. Net Position

Net position represents the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources. Net position is reported as restricted when there are limitations imposed on its use either through constitutional provisions or enabling legislations of other governments when those restrictions are more restrictive than the normal activities of CORAL.

CORAL's restricted net position consists of funds held by the trustee for the repayment of debt principal or interest or as reserves, funds held for the acquisition or construction of equipment and facilities, and administrative expenses.

I. Governmental Accounting Standards Update

During the year ended June 30, 2025, CORAL implemented the following Governmental Accounting Standards Board (GASB) standard:

GASB Statement No. 101 – *Compensated Absences*. The implementation of this standard did not have an effect on the financial statements for the fiscal year.

GASB Statement No. 102 – *Certain Risk Disclosures*. The implementation of this standard did not have an effect on the financial statements for the fiscal year.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

I. Governmental Accounting Standards Update (Continued)

Recently released standards by GASB affecting future years are as follows:

CORAL has not fully judged the effect of the implementation of these GASB Statements as of the date of the basic financial statements:

GASB Statement No. 103 – *Financial Reporting Model Improvements*. The requirements of this statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter. Earlier application is encouraged.

GASB Statement No. 104 – *Disclosure of Certain Capital Assets*. The requirements of this statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter. Earlier application is encouraged.

J. Stewardship, Compliance, and Accountability

The following bond funds have a deficit net position balance at June 30, 2025:

	Deficit
2019 Taxable LRB	\$ (35,766)
	\$ (35,766)

The net position deficit is due to timing of the liability accruals at year-end. The deficit in the bond funds will be eliminated by interest income and base rental income in subsequent periods.

NOTE 2 – RESTRICTED CASH AND CASH EQUIVALENTS

Restricted cash and investments at June 30, 2025, are held by the trustee. All restricted cash and investments at June 30, 2025, are stated at fair value. CORAL categorizes its fair value measurements within the fair value hierarchy established by GASB. These principles recognize a three-tiered value hierarchy as follows:

- Level 1: Investments reflect prices quoted in active markets;
- Level 2: Investments reflect prices that are based on a similar observable asset either directly or indirectly, which may include inputs in markets that are not considered to be active; and
- Level 3: Investments reflect prices based upon unobservable sources

Cash, cash equivalents, and investments of \$18,978,174 consisted of money market mutual funds and the County of Riverside Treasurer’s Investment Pool.

Money market mutual funds are measured at fair value and categorized as Level 1 in the fair value hierarchy.
 CORAL’s position in the Treasurer’s Investment is measured at fair value in accordance with GASB Statement No. 31, based on CORAL’s share of the Pool’s net asset value (NAV). Investments measured at NAV are not categorized within the fair value hierarchy under GASB Statement No. 72. Earnings (including realized and unrealized gains and losses) are allocated quarterly to participants based on average daily balances.

NOTE 2 – RESTRICTED CASH AND INVESTMENTS (Continued)

Investments Authorized by Debt Agreements

Investment of debt proceeds held by bond trustees are governed by provisions of the trust agreements, created in connection with the issuance of debt (see Note 4) rather than the general provisions of the California Government Code or CORAL’s investment policy. The table below identifies the investment types that are authorized for investments held by the bond trustee. The table also identifies certain provisions of these debt agreements that address interest rate risk, credit risks, and concentration of credit risk.

Authorized Investment Type	Maximum Maturity	Maximum Percentage Allowed	Maximum Investment in One Issuer
U.S. Treasury Obligations	5 years	100%	None
Federal Agencies	5 years	100%	None
Municipal Bonds (MUNI)	5 years	15%	None
Local Agency Obligations (LAO)	3 years	2.5%	None
Commercial Paper	270 days	40%	None
Negotiable Certificate of Deposits and Collateralized Time Deposits (NCD and TCD)	2 years	20%	None
Int’l Bank for Reconstruction and Development, Int’l Finance Corporation, and Inter-American Development Bank	5 years	20%	None
Repurchase Agreements	45 days	40% max, 25% in term repo over 7 days	None
Reverse Repurchase Agreements	60 days	10%	None
Medium Term Notes (MTNO) Corporate Notes	4 years	20%	None
CalTRUST Short-Term Fund	Daily	1%	None
Money Market Mutual Funds (MMF)	Daily	20%	None
Local Agency Investment Fund (LAIF)	Daily	Max \$50 million	None
Cash/Deposit Account	N/A	N/A	N/A

Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. CORAL manages its exposure to interest rate risk by purchasing a combination of shorter term and longer term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity consistent with CORAL’s debt service requirements. CORAL monitors the interest rate risk inherent in its portfolio by measuring the weighted average maturity of its portfolio. CORAL has no specific limitations with respect to this metric.

Investment Type	Maturity Date
Held by Bond Trustee:	
County of Riverside Treasury Pool	\$ 9,915,761 Not Applicable
Money Market Mutual Funds	9,062,413 Not Applicable

Investments with Fair Values Highly Sensitive to Interest Rate Fluctuations

CORAL’s investments held by the bond trustee are invested in either highly liquid money market mutual funds or investment contracts with fixed interest rates. By nature, these investments are not highly sensitive to interest rate fluctuations.

NOTE 2 – RESTRICTED CASH AND INVESTMENTS (Continued)

Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Presented on the following table is the minimum rating (where applicable) required by the California Government Code, CORAL’s investment policy, or debt agreements, and the actual rating as of June 30, 2025, for each investment type.

<u>Investment Type</u>		<u>Minimum Legal Rating</u>	<u>Rating as of June 30, 2025</u>
Held by Bond Trustee:			
County of Riverside Treasury Pool	\$ 9,915,761	AAA/Aaa	AAA/Aaa
Money Market Mutual Funds	9,062,413	Aaa	Aaa

Concentration of Credit Risk

The investment policy of CORAL contains certain limitations on the amount that can be invested in any one issuer beyond that stipulated by the California Government Code. In accordance with GASB Statement No. 40, *Deposit and Investment Risk Disclosures*, CORAL should provide information about the concentration of credit risk associated with its investments by disclosing investments in any one issuer that represent 5% or more of CORAL’s total investments. However, money market mutual funds are excluded from this disclosure requirement. There were no investments in the current year that met this threshold.

Custodial Credit Risk

This is the risk that in the event of the failure of the counterparty (e.g., broker-dealer) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. CORAL does not have custodial credit risk policies for investments.

NOTE 3 – LEASE RECEIVABLES – FACILITIES

The Lease Revenue Bonds and Certificates of Participation are payable by a pledge of revenues consisting primarily of base rental payments payable by the County pursuant to Master Lease Agreements between CORAL and the County for the use of facilities acquired and/or constructed by CORAL. During the year ended June 30, 2025, CORAL received \$22,125,837 in facility lease payments from the County, of which \$17,861,185 was related to the interest portion and \$4,264,652 was related to the principal portion of the debt service requirement.

NOTE 3 – LEASE RECEIVABLES – FACILITIES (Continued)

The following table shows the future lease payments due from the County as of June 30, 2025, for leased facilities:

Year Ending June 30,	Lease Receivables
2026	\$ 5,604,833
2027	1,123,990
2028	1,130,194
2029	1,130,180
2030	1,133,870
2031-2035	5,719,628
2036-2040	5,863,857
2041-2044	3,021,095
Total Future Minimum Lease Payments to be Received	24,727,647
Less: Unearned Interest Income	<u>(6,138,065)</u>
Total	<u>\$ 18,589,582</u>

NOTE 4 – LONG-TERM DEBT

Bonds and certificates of participation payable at June 30, 2025, consist of the following:

Type of Indebtedness (Purpose)	Maturity	Interest Rate	Annual Principal Installments (in thousands)	Original Issue Amount	Outstanding at June 30, 2025
Lease Revenue Bonds					
1997 A (Hospital)					
Serial Capital Appreciation Bonds (net of future capital appreciation of \$130,469,927)	06/01/13 - 06/01/26	5.70% - 6.01%	\$1,080 - \$4,981	\$ 41,170,073	\$ 3,444,582
2019 Taxable LRB					
Term Bonds (Series A)	11/01/20 - 11/01/43	1.87 - 3.12%	\$400 - \$740	12,875,000	10,800,000
Total Lease Revenue Bonds				<u>\$ 54,045,073</u>	<u>\$ 14,244,582</u>
Certificates of Participation					
2009 Public Safety and Woodcrest Library					
Serial Certificates	11/01/10 - 11/01/39	Variable	\$70 - \$4,200	\$ 45,685,000	\$ 4,345,000
Total Certificates of Participation				<u>\$ 45,685,000</u>	<u>\$ 4,345,000</u>

NOTE 4 – LONG-TERM DEBT (Continued)

The following is a summary of the changes in long-term debt for the year ended June 30, 2025:

	Balance June 30, 2024	Additions	Reductions	Balance June 30, 2025	Due Within One Year
Lease Revenue Bonds					
1997 A (Hospital)	\$ 7,099,234	\$ -	\$ 3,654,652	\$ 3,444,582	\$ 3,444,582
2019 Taxable LRB	11,230,000	-	430,000	10,800,000	445,000
Total Lease Revenue Bonds	<u>18,329,234</u>	<u>-</u>	<u>4,084,652</u>	<u>14,244,582</u>	<u>3,889,582</u>
Certificates of Participation					
2009 Public Safety and Woodcrest	4,525,000	-	180,000	4,345,000	190,000
Deferred Amounts:					
Loss on Refunding	(810,414)	-	(52,567)	(757,847)	-
Total Certificates of Participation	<u>3,714,586</u>	<u>-</u>	<u>127,433</u>	<u>3,587,153</u>	<u>190,000</u>
Total	<u>\$ 22,043,820</u>	<u>\$ -</u>	<u>\$ 4,212,085</u>	<u>\$ 17,831,735</u>	<u>\$ 4,079,582</u>

The outstanding principal balance on the 2009 Public Safety and Woodcrest Library Refunding Certificates of Participation, or \$4,345,000, is stated net of related loss on refunding of \$757,847 resulting in a net carrying value of \$3,587,153.

Accreted Interest Payable

The accreted interest payable balances at June 30, 2025, represent accreted interest on the 1997 A Hospital Serial Capital Appreciation Bonds originally issued for \$41,170,073. The total accreted value on the bonds upon maturity will be \$171,640,000. Additions of \$2,095,617 in accretion, less interest paid of \$15,850,348 resulted in accumulated accretion of \$15,026,847. The unaccreted balance for the year ended June 30, 2025, was \$17,945,965.

The following is a summary of the changes in accreted interest payable for the year ended June 30, 2025:

	Balance June 30, 2024	Additions	Reductions	Balance June 30, 2025
Lease Revenue Bonds:				
1997 A (Hospital)	<u>\$ 28,781,578</u>	<u>\$ 2,095,617</u>	<u>\$ (15,850,348)</u>	<u>\$ 15,026,847</u>

Defeasance of Debt

In December 2009, CORAL issued \$48,685,000 of Certificates of Participation (2009 PSEC and Woodcrest Library Projects Refunding Certificates of Participation) to provide funds to refund and redeem the Certificates of Participation relating to 2007 Series B PSEC Project with an outstanding principal amount of \$37,350,000; to provide funds to refund; to retire the series 2006 Certificates of Participation Anticipation Note relating to Woodcrest Library Project with an outstanding principal amount of \$6,000,000; to fund capitalized interest on a portion of the Certificates of Participation through July 1, 2012; to fund a security deposit with respect to Base Rental payable under the Sublease; and to pay certain cost of issuance incurred in connection with this refunding. The reacquisition price exceeded the net carrying amount of the old debts by \$2,335,000. This amount is being netted against the new debt and amortized over the new debt's life. The transaction resulted in an economic gain of \$3,337,388 and an addition of \$6,917,032 in future debt service payments.

In September 2019, CORAL issued \$12,875,000 in lease revenue bonds (2019 Taxable LRB) to provide funds to refund a portion of the outstanding CORAL 2013 Probation and RCIT Lease Revenue Bonds and to pay certain cost of issuance incurred in connection with this refunding. The transaction resulted in an economic gain of \$513,000.

NOTE 4 – LONG-TERM DEBT (Continued)**Defeasance of Debt** (Continued)

All CORAL debt service is to be paid from proceeds received from the various master lease agreements with the County for equipment and facilities acquired or constructed by CORAL and capitalized interest accounts, where applicable. No County assets are pledged to assure repayment of the debts other than assets leased to the County under the master lease agreements. The payments on the bonds are secured by base rental lease payments from the County. The bonds are not obligations of the County. The base rental payments are solely available to the extent that the County prepares an annual appropriation for such amounts. The County has covenanted that annual appropriations will be made.

Long-Term Debt Maturity Schedule

The aggregate annual requirements to retire the bonds payable and Certificates of Participation at June 30, 2025, are as follows:

Year Ending June 30,	Lease Revenue Bonds		Certificates of Participation	
	Principal	Interest	Principal	Interest
2026	\$ 3,889,582	\$ 1,355,251	\$ 190,000	\$ 170,000
2027	450,000	311,790	200,000	162,200
2028	465,000	301,194	210,000	154,000
2029	470,000	289,880	225,000	145,300
2030	485,000	277,770	235,000	136,100
2031-2035	2,615,000	1,176,728	1,405,000	522,900
2036-2040	3,045,000	742,457	1,880,000	196,400
2041-2044	2,825,000	196,095	-	-
Total Requirements	<u>\$ 14,244,582</u>	<u>\$ 4,651,165</u>	<u>\$ 4,345,000</u>	<u>\$ 1,486,900</u>

NOTE 5 – RESTRICTED COVENANTS

The agreements authorizing the issuance of CORAL's outstanding debt include certain covenants pertaining to the disposition of bond proceeds for construction and acquisition, bond and note redemption, and administrative purposes. The amount of cash and investments restricted for such purposes at June 30, 2025, for each of the outstanding debt issued is as follows:

	Acquisition and Construction	Bond and Note Redemption	Administration	Cash	Total
1993 Series A and B Bonds	\$ 1,388,780	\$ 5,145,829	\$ -	\$ -	\$ 6,534,609
1997 A Hospital Project	-	93,889	-	8,648,015	8,741,904
2009 Public Safety and Woodcrest Library Refunding	-	877,382	1,556,129	1,249,770	3,683,281
2019 Taxable LRB	-	404	-	17,976	18,380
Total	<u>\$ 1,388,780</u>	<u>\$ 6,117,504</u>	<u>\$ 1,556,129</u>	<u>\$ 9,915,761</u>	<u>\$ 18,978,174</u>

At June 30, 2025, CORAL was in compliance with all significant terms of the debt agreements.

NOTE 6 – PLEDGES OF REVENUE

The Lease Revenue Bonds and Certificates of Participation issued by CORAL are payable by a pledge of revenues consisting primarily of base rental payments made by the County pursuant to Master Lease Agreements between CORAL and the County for the use of equipment and facilities acquired and/or constructed by CORAL. These base rental payments represent a pledge of the County's future revenues to repay CORAL's debt obligations.

While no specific County assets are pledged to assure repayment of the debts other than the leased assets, the County has covenanted to make annual lease payments sufficient to cover CORAL's debt service requirements. Although the County is legally obligated to make the lease payments, they are subject to annual appropriation by the County's Board of Supervisors.

The pledged revenues are identified as base rental lease payments from the County to CORAL. As of June 30, 2025, the total future minimum lease payments to be received from the County are approximately \$24,727,647. The purpose of the debt secured by this pledge is to finance the acquisition and construction of equipment and facilities leased to the County. The lease agreements and related debt obligations have varying maturities, with the final debt service payments scheduled through November 1, 2043.

For the fiscal year ended June 30, 2025, the pledged revenues recognized were \$17,960,121 which consisted of operating revenues from base rents. The debt service requirements for the fiscal year were \$22,642,897, consisting of principal of \$4,264,652 and interest of \$18,378,245. The coverage ratio indicates that the pledged revenues recognized during the fiscal year covered approximately 79.3% of the debt service requirements. The remaining debt service was funded through other sources, such as investment income and available cash balances.

NOTE 7 – SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 13, 2025, which is the date the financial statements were available to be issued.

OTHER REPORT

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
County of Riverside Asset Leasing Corporation
Riverside, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the County of Riverside Asset Leasing Corporation (CORAL), a blended component unit of the County of Riverside, California, as of and for the year ended June 30, 2025, and the related notes to the basic financial statements, which collectively comprise CORAL's basic financial statements, and have issued our report thereon dated October 13, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered CORAL's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of CORAL's internal control. Accordingly, we do not express an opinion on the effectiveness of CORAL's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether CORAL's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of CORAL's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering CORAL's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Board of Directors
County of Riverside Asset Leasing Corporation
Riverside, California

We have audited the basic financial statements of the County of Riverside Asset Leasing Corporation (CORAL), a blended component unit of the County of Riverside, California, as of and for the year ended June 30, 2025. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America and *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 9, 2025. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by CORAL are described in Note 1 to the financial statements. As described in Note 1 to the financial statements, CORAL adopted Governmental Accounting Standards Board (GASB) Statement No. 101 – *Compensated Absences* and GASB Statement No. 102 – *Certain Risk Disclosures* during the year ended June 30, 2025. We noted no transactions entered into by CORAL during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no sensitive estimates.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of Accreted Interest Payable in Note 4 to the basic financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 13, 2025.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to CORAL's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as CORAL's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

We applied certain limited procedures to the Management's Discussion and Analysis, which is required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on Combining Statement of Net Position; Combining Statement of Revenue, Expenses, and Changes in Net Position; and Combining Statement of Cash Flows, which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the basic financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the basic financial statements or to the basic financial statements themselves.

Restriction on Use

This information is intended solely for the information and use of the Board of Directors and management of the CORAL and the County of Riverside and is not intended to be, and should not be, used by anyone other than these specified parties.
