BACKGROUND:

Summary

This action authorizes the transfer of long-outstanding, unclaimed property tax refunds to the County General Fund in accordance with California Revenue and Taxation Code Sections 5097.2(c) and 5102.

The property tax unclaimed refunds are as described in R&T Code Section 5097.2 (c), which allows a county auditor to refund property taxes paid to the county if *"the amount paid exceeds the amount due on the property as the result of corrections to the roll or cancellations after those taxes were paid"*.

If a claim for refund is not timely filed by the claimant, R&T Code Section 5102 authorizes the Board of Supervisors to transfer the overpayments to the general fund.

In addition to the minimum statutory requirements, the Auditor-Controller's Office has voluntarily adopted a policy granting claimants an additional 90 days to file a claim. As part of the policy, the following actions were taken to locate the rightful owners of the unclaimed property tax overpayments, above and beyond what is required by law.

- Advertised in the newspapers for two consecutive weeks (*Desert Sun, Palo Verde Valley Times and The Press Enterprise*) referring potential claimants to the ACO website.
- Contacted each governmental entity listed on the unclaimed roll change refund list by phone and directed them to the ACO website.
- Utilized Accurant (people finder) to locate possible new addresses for each potential claimant and mailed a letter referring them to the ACO website.

*The ACO website includes a detailed listing of all property tax unclaimed refunds that have met the requirements of R&T Code Section 5102.

Impact on Residents and Businesses

Depending on the type of roll correction, claimants originally had between four to eight years to claim their refund. The Auditor-Controller's Office then provides an additional 90 days to file a claim as part of its voluntarily adopted business practice.
