BACKGROUND:

Summary

Riverside University Health System - Behavioral Health (RUHS-BH) operates a continuum of care system that consists of County-operated and contracted service providers delivering a variety of mental health treatment services within each geographic region of Riverside County.

Telecare Corporation operates and provides services for the County-owned Mental Health Rehabilitation Center (MHRC). The MHRC is a 79-bed facility located at 3933 Harrison Street Riverside, CA 92503. The MHRC serves as a residential facility to provide care for patients who are stepping down from a higher level of care such as a state hospital or acute psychiatric facility. MHRC provides intensive support and rehabilitative services designed to assist individuals with mental disorders to develop skills to become self-sufficient and capable of increasing levels of independence and functioning.

- On December 15, 2020 (Item 3.28), the Board of Supervisors approved the Emergency Procurement Behavioral Agreement with Telecare Corporation for residential psychiatric services at the RUHS-BH MHRC in the amount of $6,016,914, effective May 20, 2020, through June 30, 2021, with the option to renew for FY 2021/2022 in the amount of $5,409,300.

- On April 12, 2022 (Item 3.24) the Board of Supervisors approved Amendment #1 to the FY 2021/2022 Agreement, increasing the contract maximum by $1,538,530 for FY 2021/2022, and authorized two additional one-year renewal options, in the amount of $8,897,970 annually, through June 30, 2024.

- On September 12, 2023 (Item 3.24), the Board of Supervisors approved Form 11 with Telecare Corporation for residential psychiatric services at the RUHS-BH MHRC in the amount of 11,527,862 through June 30,2023, with the option to renew for FY 2023/2024 in the amount of $11,168,700.

- On July 30, 2024 (Item 3.60), the Board of Supervisors approved Form 11 with Telecare Corporation for residential psychiatric services at the RUHS-BH MHRC in the amount of $11,168,700 through June 30, 2025.

RUHS-BH is seeking a renewal of this agreement for the period July 1, 2025, through June 30, 2026, to enable the Department to carry out the competitive bid process and allow time for the award and licensing process for a new provider. Continuity of mental health services for this most difficult population is crucial; therefore, RUHS-BH is requesting that the Board of Supervisors approve the Behavioral Health agreement renewal with Telecare Corporation for MHRC services for FY 2025/2026 for $11,168,700.

Impact on Citizens and Businesses

These services are a component of Behavioral Health's system of care aimed at improving the health and safety of consumers and the community.

Additional Fiscal Information

There are sufficient appropriations in the Department's FY2025/26 budget. No additional County funds are required.

Contract History and Price Reasonableness

On March 9, 2022, a Single Source Procurement Justification (22-072) was assigned in collaboration with Riverside County Purchasing for Telecare Corporation to provide services at the MHRC. On July 24, 2023, the Single Source Justification was amended (22-072a) to account for the new contract amount of $11,527,862 for FY 2022/2023, and $11,168,700 for FY 2023/2024. On July 30, 2024, the Single Source Justification was amended (22-072b) in the amount of $11,168,700 for FY 2024/2025.

RUHS-BH is actively working with Riverside County Purchasing on releasing a new Request for Proposal (RFP) for these services and intends to release the RFP during FY 2025/2026. In order to avoid the displacement of the MHRC residents or disruption of supportive social and healthcare services for this population, on September 16, 2025, a Single Source Procurement Justification (SSJ #26-049) was assigned in collaboration with Riverside County Purchasing to allow Telecare to continue to provide services at the MHRC for an additional year.

1. In consideration of services provided by CONTRACTOR, COUNTY shall reimburse CONTRACTOR in the amount and manner outlined and described in Exhibit C and Schedule I, attached to this Agreement. CONTRACTOR shall submit their National Provider Identification (NPI) and all other required documentation to the COUNTY before reimbursement can be issued to the CONTRACTOR.

3. If the CONTRACTOR incurs costs, or makes expenditures to assist, promote, or deter

union organizing, CONTRACTOR will maintain records sufficient to show that no reimbursement from state funds has been sought for these costs, and the CONTRACTOR shall provide those records to the Riverside University Health System – Behavioral Health (RUHS-BH) and then to the Attorney General upon request.

E. Prohibition
31 U.S.C. Section 1352 provides in part that no Federal appropriated funds may be expended to pay any person influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered federal actions: the awarding of any federal contract, the making of any federal grant, the making of any federal loan, entering into

any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan or cooperative agreement.

F. National Provider Identifier (NPI)
All HIPAA covered healthcare providers must obtain an NPI. CONTRACTOR's site NPIs must be submitted to the RUHS-BH Management Reporting Unit prior to rendering services to members. CONTRACTORs providing direct or indirect services for State reporting must also submit rendering (individual) NPIs and taxonomy code that corresponds with the work they are performing to RUHS-BH Management Reporting Unit for each staff member providing Medi-Cal billable services. CONTRACTOR reimbursement will not be processed unless NPIs are on file with RUHS-BH in advance of providing services to members. It is the responsibility of CONTRACTOR and individual staff member that bills Medi-Cal to obtain an NPI from the National Plan and Provider Enumeration System (NPPES). Each contracted site, as well as every staff member that provides billable services, is responsible for notifying NPPES within 30 days of any updates to personal information (worksite address, name changes, taxonomy code changes, etc.).

IV. PROGRAM SUPERVISION, MONITORING AND REVIEW

A. Pursuant to WIC Section 5608, Title 9 of the C.C.R. and the California Health and Safety Code, services hereunder shall be provided by CONTRACTOR under the general supervision of the COUNTY Director of Behavioral Health, hereinafter called DIRECTOR, or authorized designee.
   1. CONTRACTOR agrees to extend to DIRECTOR or authorized designee, the COUNTY Contract Monitoring Team (CMT), COUNTY Contract Liaisons, and other authorized COUNTY, Federal and/or State representatives, the right to enter the program facilities during operating hours to monitor member well-being and the right to review and monitor CONTRACTOR's facilities, programs, policies, practices, books, records, or procedures during operating hours.
   2. CONTRACTOR shall participate in the RUHS-BH program monitoring. This consists of contract monitoring by RUHS-BH, which may be conducted annually at the discretion of RUHS-BH, as well as further discretionary reviews occurring on a more frequent basis. Said review(s) may cover clinical, fiscal and/or administrative components.
   3. CONTRACTOR further agrees to authorize the COUNTY, under this Agreement, to have access to all COUNTY members, to collaborate with treating staff, and to review necessary documents to ensure that the member has received all necessary assessments, all necessary treatment planning with measurable goals, and documented progress towards goals.
   4. CONTRACTOR agrees to allow COUNTY to collaborate with CONTRACTOR personnel regarding member aftercare services and continuity of care with the COUNTY.

B. As it pertains to the COUNTY and Program Monitoring, if at any point during the duration of this Agreement, the COUNTY determines the CONTRACTOR is out of compliance with any provision in this Agreement, the COUNTY may request a plan of correction, after providing the CONTRACTOR with written notification detailing the basis for the finding of non-compliance.
   1. Within thirty (30) days of receiving this separate notification of non-compliance, the CONTRACTOR shall provide to COUNTY a written plan of corrective action addressing the non-compliance.
   2. If the COUNTY accepts the CONTRACTOR'S proposed plan of correction, it may temporarily suspend other punitive actions to give the CONTRACTOR the opportunity to come into full compliance in the area of deficiency. COUNTY reserves the right to

reimpose such actions at its sole discretion should CONTRACTOR fail to implement its plan of correction.

3. If the COUNTY determines the CONTRACTOR has failed to implement an appropriate corrective action, COUNTY may suspend or withhold any funds until compliance is fully achieved.
4. CONTRACTOR shall cooperate with any such effort by COUNTY including follow-up investigation(s) and interview(s) of witnesses. Failure to cooperate or take corrective action may result in further punitive actions and/or termination of this Agreement.

C. Notwithstanding the above requirement, as the funds associated with this Agreement are pass-through funds from other State or Federal agencies, CONTRACTOR may be subject to programmatic review by agencies of the State of California or the Federal Government. Any disallowance based on a review by the State of California or the Federal Government are the responsibility of the CONTRACTOR.

D. CONTRACTOR agrees to make all of its premises, physical facilities, equipment, books, records, documents, contracts, computers, or other electronic systems pertaining to Medi-Cal enrollees, Medi-Cal-related activities, services and activities furnished under the terms of the contract, or determinations of amounts payable, available at any time for inspection, examination or copying by COUNTY, Department of Health Care Services (DHCS), Centers for Medicare and Medicaid Services (CMS), U.S. Department of Health and Human Services (HHS) Inspector General, the United States Comptroller General, their designees, and other authorized federal and state agencies (42 C.F.R. § 438.230(c)(3)(i)-(ii)). This audit right will exist for ten (10) years from the final date of the Contract period or from the date of completion of any audit, whichever is later (42 C.F.R. § 438.230(c)(3)(iii)). COUNTY, DHCS, CMS, or the HHS Inspector General may inspect, evaluate, and audit the CONTRACTOR at any time if there is a reasonable possibility of fraud or similar risk. Inspection shall occur at CONTRACTOR's place of business, premises or physical facilities (42 C.F.R. § 438.230(c)(3)(iv)).

E. If this Agreement is terminated in accordance with Section XLII, TERMINATION PROVISIONS, COUNTY may conduct a final audit of the CONTRACTOR. Final reimbursement to CONTRACTOR by COUNTY shall not be made until audit results are known and all accounts are reconciled. Revenue collected by CONTRACTOR during this period for services provided under the terms of this Agreement will be regarded as revenue received and deducted as such from the final reimbursement claim.

F. Any audit disallowance adjustments may be paid in full upon demand or withheld at the discretion of the DIRECTOR against amounts due under this Agreement or previous year's Agreement(s).

G. Notwithstanding the foregoing, the COUNTY reserves the right, at any time and without a thirty (30) day written notice, to disallow or withhold CONTRACTOR funding if and when required for material non-compliance as it pertains to any provision of this Agreement.

V. COMPLIANCE PLAN

RUHS-BH has established an Office of Compliance for purposes of ensuring adherence to all standards, rules and regulations related to the provision of services and expenditure of funds in Federal and State health care programs. Approval shall not exceed the maximum obligation.

2. In addition, CONTRACTOR may not, under any circumstances and without prior

written consent and approval being received from COUNTY Program Administrator/Manager and confirmed by the Fiscal Supervisor, reallocate funds between mode and service functions as designated in the Schedule I that are defined as non-billable by the COUNTY, State or Federal governments from or to mode and service functions that are defined as billable by the COUNTY, State or Federal governments.

3. If this Agreement includes more than one Exhibit C and/or more than one Schedule I, shifting of funds between Exhibits/Schedules is prohibited without prior written consent and approval being received from COUNTY Program Administrator/Manager and confirmed by the Fiscal Supervisor prior to the end of either the Agreement Period of Performance or fiscal year.

4. No funds allocated for any expenditure category as designated in Schedule K may be reallocated to another expenditure category unless prior written consent and approval is received from COUNTY Program Administrator/Manager and confirmed by the Fiscal Supervisor prior to either the end of the Agreement Period of Performance or the end of the fiscal year (June 30th). Approval shall not exceed the maximum obligation.

H. RECOGNITION OF FINANCIAL SUPPORT:

If, when and/or where applicable, CONTRACTOR'S stationery/letterhead shall indicate that funding for the program is provided in whole or in part by Riverside University Health System – Behavioral Health.

I. PAYMENT:

1. Monthly reimbursements may be withheld and recouped at the discretion of the DIRECTOR or its designee due to material Agreement non-compliance, including overpayments as well as adjustments or disallowances resulting from the COUNTY Contract Monitoring Team Review (CMT), COUNTY Program Monitoring, Federal or State Audit, and/or the cost reconciliation process.

2. In addition, if the COUNTY determines that there is any portion (or all) of the CONTRACTOR invoice(s) that cannot be substantiated, verified or proven to be valid in any way for any fiscal year, then the COUNTY reserves the right to disallow payments to CONTRACTOR until proof of any items billed for is received, verified and approved by the COUNTY.

3. In addition to the annual CMT, Program Monitoring, and cost reconciliation processes, the COUNTY reserves the right to perform impromptu CMTs without prior notice throughout the fiscal year in order to minimize and prevent COUNTY and CONTRACTOR loss and inaccurate billing/reports. The COUNTY, at its discretion, may withhold and/or offset invoices and/or monthly reimbursements to CONTRACTOR, at any time without prior notification to CONTRACTOR, for service deletes and denials that may occur in association with this Agreement. COUNTY shall notify CONTRACTOR of any such instances of services deletes and denials and subsequent withholds and/or reductions to CONTRACTOR invoices or monthly reimbursements.

4. In addition, CONTRACTOR'S failure to comply with Network Adequacy reporting

requirements, as outlined in Section XXVI. PROVIDER ADEQUACY of the Agreement may result in payment hold.

5. Notwithstanding the provisions stated above, CONTRACTOR shall be paid in arrears based upon either the actual units of service provided and entered into the COUNTY'S specified Electronic Management Information System (MIS), or on a one-twelfth (1/12th) monthly basis, or based upon the actual cost invoice by expenditure category.

   a. CONTRACTOR will be responsible for entering all service-related data into the COUNTY's MIS (i.e. ELMR, CalOMS) on a monthly basis and approving their services in the MIS for electronic batching (invoicing) and subsequent payment.
   b. CONTRACTOR is required to enter all units of service into COUNTY's MIS no later than 5:00 p.m. on the fifth (5th) calendar day following the date of service. Late entry of services into COUNTY'S MIS may result in financial and/or service denials and/or disallowances to the CONTRACTOR.
   c. CONTRACTOR must also submit to the COUNTY a signed Program Integrity Form (PIF) **(attached as Exhibit C, Attachment A)** signed by the Director or authorized designee of the CONTRACTOR organization. This form must be faxed and/or emailed (PDF format only) to the COUNTY at (951)358-6868, and/or emailed to **ELMR_PIF@ruhealth.org**. CONTRACTOR PIF form and invoice must be received by the COUNTY via fax and/or email for the prior month no later than 5:00 p.m. on the fifth (5th) calendar day of the current month.
   d. Services entered into the MIS more than 60 calendar days after the date of service without prior approval by the COUNTY may result in financial and/or service denials and/or disallowances to the CONTRACTOR.
   e. In addition to entering all service related data into the COUNTY'S MIS submission and the submission of a signed PIF and invoice, contracts reimbursed based on a Schedule K are required to submit a monthly invoice for the actual cost of services provided, per expenditure category, as identified on Schedule K.
   f. Failure to enter and approve all applicable services into the MIS, for the applicable month, faxing and/or e-mailing the signed PIF and invoice, and when applicable, faxing and/or e-mailing the actual cost invoice, will delay payment to the CONTRACTOR until the required documents as outlined herein are provided.

6. CONTRACTOR shall generate a monthly invoice for payment through the MIS batching process.

7. CONTRACTOR shall provide COUNTY with all information necessary for preparation and submittal to the State, if applicable, for all billings, and audit of all billings.

8. To ensure CONTRACTOR will receive reimbursement for services rendered under this Agreement, CONTRACTOR shall be responsible for notifying Medi-Cal if at any time CONTRACTOR discovers or is made aware that client Medicare and/or insurance coverage has been terminated or otherwise not in effect.

CONTRACTOR shall provide COUNTY with a print screen from the Medi-Cal eligibility website indicating Medicare and/or insurance coverage has been removed within ten (10) days of termination request. CONTRACTOR shall include their name and comment "Medicare/OHC Termed" on documentation provided to the COUNTY.

9. Unless otherwise notified by the COUNTY, CONTRACTOR invoicing will be paid by the COUNTY thirty (30) calendar days after the date a correct PIF and invoice is received by the COUNTY.

10. Pursuant to Section III. REIMBURSEMENT AND USE OF FUNDS and Section XXV. PROHIBITED AFFILIATIONS of the Agreement, CONTRACTOR acknowledges any payment received for an excluded person may be subject to recovery and/or considered an overpayment by COUNTY and DHCS and/or be the basis for other sanctions by DHCS.

J. MUTUAL COST RECONCILATION:

DHCS Behavioral Health Information Notice (BH-IN) 23-023, dated June 1, 2023, outlines expectations for counties to develop and implement local policies and procedures that reduce administrative burden, reduce complexity, and increase flexibility for their network providers, consistent with the CalAIM goals. As such, the State no longer requires a cost report to be completed. However, if the financial arrangement advances the goals of CalAIM, MHPs and DMC/DMC-ODS counties may reconcile payments to a CONTRACTOR with actual costs, and/or collect cost information from a CONTRACTOR for services rendered after Behavioral Health Payment Reform is implemented, if mutually agreed to by the County and the network provider.

1. CONTRACTOR and COUNTY may mutually agree to review cost information for the purpose of rate adjustment(s), notwithstanding the other requirements outlined herein. Rate adjustments are subject to COUNTY review and approval as well as COUNTY maximum rate limits and availability of funds.

    a. CONTRACTOR must notify the COUNTY in writing, no later than March 30th before the close of the fiscal year (June 30th). Formal notification should include written justification and detailed financial analysis. The request must be addressed to the RUHS-BH Director and sent to the Cost Report and Contracts Administration email inboxes. (CostReport@ruhealth.org; BHContracts@ruhealth.org)

    b. Upon receipt of notification, COUNTY will have 45 days to review and notify CONTRACTOR if rate adjustment review request is approved or denied. If approved, CONTRACTOR shall complete the following steps.

        i. CONTRACTOR should provide all applicable supporting financial information, as determined appropriate by the COUNTY. Cost reconciliation documents shall detail the actual cost of services provided.

        ii. CONTRACTOR shall follow all applicable Federal, State and local regulations and guidelines to formulate proper cost reconciliation documents, including but not limited to OMB-circular A-122 and OMB-circular A-87.

        iii. If denied, CONTRACTOR may resubmit justification for further review.

K. PAYMENT RECONCILIATION:

If required per Section E., for each fiscal year, or portion thereof, that this Agreement is in effect, CONTRACTOR shall review COUNTY provided reconciliation documentation, and provide any additional supporting documentation as appropriate to reconcile to payment within Forty-five (45) calendar days of receipt from COUNTY.

1. CONTRACTOR shall follow all applicable Federal, State and local regulations and guidelines to formulate proper cost reconciliation documents, including but not limited to OMB-circular A-122 and OMB-circular A-87.

2. All CONTRACTORS must send one representative to the COUNTY'S annual payment reconciliation training that covers the preparation of the year-end payment reconciliation documents. The COUNTY will notify CONTRACTOR of the date(s) and time(s) of the training. Annual attendance at the training is mandatory in order to ensure that payment reconciliation documents are completed appropriately. Failure to attend this training will result in delay of any reimbursements to the CONTRACTOR.

3. CONTRACTOR will be notified in writing by COUNTY, if the payment reconciliation documents have not been received within the specified length of time. Future monthly reimbursements will be withheld if the cost reconciliation documents contain errors that are not corrected within ten (10) calendar days of written or verbal notification from the COUNTY. Failure to meet any pre-approved deadlines or extensions will immediately result in the withholding of future monthly reimbursements.

4. The payment reconciliation shall serve as the basis for year-end settlement to CONTRACTOR including a reconciliation and adjustment of all payments made to CONTRACTOR and all revenue received by CONTRACTOR. Any payments made in excess of the payment reconciliation shall be repaid upon demand, or will be deducted from the next payment to CONTRACTOR.

5. All current and future payments to CONTRACTOR will be withheld by the COUNTY until all final, current and prior year payment reconciliation(s) have been reconciled, settled and signed by CONTRACTOR, and received and approved by the COUNTY.

6. CONTRACTOR shall report Actual Costs separately, if deemed applicable and as per CONTRACTOR'S Schedule I, to provide Agreement Client Ancillary Services, Prescriptions, Health Maintenance Costs, and Flexible funding costs under this Agreement on the annual cost reconciliation. Where deemed applicable, Actual Costs for Indirect Administrative Expenses shall not exceed the percentage of cost as submitted in the CONTRACT Request for Proposal or Cost Proposal(s).

L. BANKRUPTCY:

Within five (5) calendar days of filing for bankruptcy, CONTRACTOR shall notify COUNTY'S Behavioral Health's Fiscal Services Unit, in writing by certified letter with a courtesy copy to the Behavioral Health's Contracts Administration Unit. The CONTRACTOR shall submit properly prepared cost reconciliation documents in

accordance with requirements and deadlines set forth herein before final payment is made.

M. AUDITS:

1. CONTRACTOR agrees that any duly authorized representative of the Federal Government, the State or COUNTY shall have the right to audit, inspect, excerpt, copy or transcribe any pertinent records and documentation relating to this Agreement or previous Agreements in previous years.

2. If this Agreement is terminated in accordance with Section XLII. TERMINATION PROVISIONS, the COUNTY, Federal and/or State governments may conduct a final audit of the CONTRACTOR. Final reimbursement to CONTRACTOR by COUNTY shall not be made until all audit results are known and all accounts are reconciled. Revenue collected by CONTRACTOR during this period for services provided under the terms of this Agreement will be regarded as revenue received and deducted as such from the final reimbursement claim.

3. Any audit exception resulting from an audit conducted by any duly authorized representative of the Federal Government, the State or COUNTY shall be the sole responsibility of the CONTRACTOR. Any audit disallowance adjustments shall be paid in full upon demand or withheld at the discretion of the Director of Behavioral Health against amounts due under this Agreement or Agreement(s) in subsequent years.

4. The COUNTY will conduct Program Monitoring Review and/or Contract Monitoring Team Review (CMT). Upon completion of monitoring, CONTRACTOR will be mailed a report summarizing the results of the site visit. If and when necessary, a corrective Action Plan will be submitted by CONTRACTOR within thirty (30) calendar days of receipt of the report. CONTRACTOR'S failure to respond within thirty (30) calendar days will result in withholding of all payment until the corrective plan of action is received. CONTRACTOR'S response shall identify time frames for implementing the corrective action. Failure to provide adequate response or documentation for this or subsequent year's Agreements may result in Agreement payment withholding and/or a disallowance to be paid in full upon demand.

N. TRAINING:

CONTRACTOR understands that as the COUNTY implements its current MIS to comply with Federal, State and/or local funding and service delivery requirements, CONTRACTOR will, therefore, be responsible for sending at least one representative to receive all applicable COUNTY training associated with, but not limited to, applicable service data entry, client registration, billing and invoicing (batching), and learning how to appropriately and successfully utilize and/or operate the current and/or upgraded MIS as specified for use by the COUNTY under this Agreement. The COUNTY will notify the CONTRACTOR when such training is required and available.

O. FURNISHINGS AND EQUIPMENT

1. OWNERSHIP:

   If equipment and furnishings were previously purchased through this Agreement, CONTRACTOR acknowledges that these items are the property of COUNTY. Procedures provided by COUNTY for the acquisition, inventory, control and

disposition of the equipment and the acquisition and payment for maintenance services to such equipment (e.g. office machine repair) are to be followed.

2. INVENTORY:
CONTRACTOR shall maintain an internal inventory control system that will provide accountability for equipment and furnishings purchased through this Agreement, regardless of cost. The inventory control system shall record at a minimum the following information when property is acquired: date acquired; property description (to include model number); property identification number (serial number); cost or other basis of valuation; funding source; and rate of depreciation or depreciation schedule, if applicable. An updated inventory list shall be provided to COUNTY on a semi-annual basis and filed with the annual cost reconciliation. Once COUNTY is in receipt of this list, COUNTY inventory tags will be issued to CONTRACTOR, and are to be attached to the item as directed.

3. DISPOSAL:
Approval must be obtained from COUNTY prior to the disposal of any property purchased with funds from this Agreement, regardless of the acquisition value. Disposal (which includes sale, trade-in, discard, or transfer to another agency or program) shall not occur until approval is received in writing from COUNTY.

4. CAPITAL ASSETS:
   a. Capital assets are tangible or intangible assets exceeding $5,000 that benefit an agency more than a single fiscal year. For capital assets approved for purchase by COUNTY, allowable and non-allowable cost information and depreciation requirements can be found in the Center for Medicare and Medicaid Services (CMS) Publication 15, Provider Reimbursement Manual (PRM) Parts I & II. It is CONTRACTOR'S responsibility to ensure compliance with these requirements.
   b. Any capital asset that was acquired or improved in whole or in part with funds disbursed under this Agreement, or under any previous Agreement between COUNTY and CONTRACTOR, shall either be, at the election of COUNTY as determined by the Director or designee: (1) transferred to COUNTY including all title and legal ownership rights; or (2) disposed of and proceeds paid to COUNTY in a manner that results in COUNTY being reimbursed in the amount of the current fair market value of the real or personal property less any portion of the current value attributable to CONTRACTOR's out of pocket expenditures using non-county funds for acquisition of, or improvement to, such real or personal property and less any direct and reasonable costs of disposition.
