BACKGROUND:

Summary

Riverside University Health System–Medical Center (RUHS-MC) Operating Room is committed to delivering high-quality healthcare to the residents of Riverside County. To sustain this commitment, RUHS-MC must continually update its equipment and practices to align with the latest advances in medical technology. With ongoing patient population growth, ensuring access to state-of-the-art surgical tools remains essential.

RUHS-MC has experienced significant success with its current Da Vinci Robots, which have become integral to enhancing surgical precision and improving patient outcomes. As part of our continued improvement efforts, RUHS-MC will trade in its two existing Da Vinci Robots and acquire a new, advanced third system. This investment, along with associated services and supplies, will ensure that patients and surgeons continue to benefit from the highest level of robotic-assisted surgical technology.

The Da Vinci system offers clear advantages over traditional open and laparoscopic methods. Surgeons operate from a computer console equipped with high-definition, magnified 3D imaging and controls that precisely manipulate robotic arms. This advanced platform provides superior dexterity, range of motion, and visualization, allowing access to anatomical areas that are otherwise difficult to reach. These capabilities consistently lead to reduced bleeding, less postoperative pain, and shorter recovery times.

Acquiring the new Da Vinci Robot will allow RUHS-MC to maintain and strengthen its surgical excellence, ensuring continued access to cutting-edge treatment options for the community it serves.

MASTER USE, LICENSE, AND SERVICE AGREEMENT

Agreement No.: 42018891

This Master Use, License, and Service Agreement ("Agreement") is made and entered into as of **December 5, 2025** (the "Effective Date") and is between **Intuitive Surgical, Inc.** ("Intuitive") located at 1020 Kifer Road, Sunnyvale, CA 94086 and County of Riverside on behalf of Riverside University Health System-Medical Center located at 26520 Cactus Ave, Moreno Valley, California, 92555, on behalf of itself and its affiliates (collectively "Customer" or "Lessee").

The parties agree as follows:

1. Introduction

Customer agrees to obtain and license the Software and Documentation from Intuitive, and Intuitive agrees to respectively provide and license certain software and equipment to Customer, as well as provide Service for the System all according to the terms and conditions of this Agreement. Customer is contemporaneously entering into a lease agreement (the "Transaction Agreement" or "Lease Agreement") for the lease of the System. The Lease Agreement may also cover other equipment and/or the Services and/or a System delivery fee and/or other fees as further specified in **Exhibit A** and the Lease Agreement.

2. Definitions

"**Acceptance**" means Customer's acceptance of the System as specified in the Transaction Agreement.

"**Customer**" means any party that is part of, affiliated with, owned by, or controlled by the Customer and may lease under this Agreement.

"**Proctoring**" means the assistance, coaching, or surgical training provided by a physician (the "Proctor") who is familiar with the System to another physician (the "Proctee") on how to perform a particular Procedure (or Procedures) using the System.

If Customer acquires multiple Systems under this Agreement and an associated Transaction Agreement, all references to "System" or "System(s)" apply to each System acquired and licensed. Each System acquired is a separate transaction to be delivered, accepted, and paid for separately.

"**Taxes**" means any taxes, levies, or similar governmental charges, now in force or enacted in the future, and however designated, including related penalties and interest, imposed by any governmental authority on, or measured by, the activities described.

An initial lease Transaction Agreement is attached as **Exhibit B**. For the avoidance of doubt, the pricing in **Exhibit B** shall not be a price lock and may only be applicable for the acquisition therein.

3. System Delivery, Use, Relocation and Disposal

- 3.1 **Delivery and Installation.** Subject to credit approval and receipt of Customer's purchase order by Intuitive, Intuitive will use commercially reasonable efforts to deliver the System on or before the Delivery Date. Each of Intuitive and Customer will provide the other party with thirty (30) days' notice, or if the applicable Transaction Agreement is executed within thirty (30) days before the Delivery Date, a reasonable advance notice of any change in the Delivery Date. Customer will fully cooperate with Intuitive to permit Intuitive to install the System. Intuitive will use commercially reasonable efforts to install the System in an efficient and expeditious manner. Customer will also provide Intuitive with information, consultation, and advice reasonably necessary to permit installation.

- 3.2 **Delivery Terms.** Intuitive will deliver the System to Customer's designated location noted as the "Ship-to" in the Transaction Agreement using a carrier selected by Intuitive. Fees for shipping the System will be specified in the Transaction Agreement. Risk of loss or damage to the System passes to the Customer upon delivery of the System to Customer. For purchases, title to the System (excluding Software and Documentation) passes to the Customer upon Acceptance.
- 3.3 **On-Site Support.** At no charge to Customer, Intuitive will provide periodic on-site support to Customer's designated personnel on the proper operation and upkeep of the System in order for Customer to operate the System as further described in Section 3.4. To clarify, this support includes, but is not necessarily limited to, training on draping the System for use during a Procedure, proper attachment of Instruments and Accessories, and cleaning of parts of the System and the Instruments and Accessories. The cleaning to be performed regularly by Customer is described in the Documentation.
- 3.4 **Use of System.** Customer will ensure the proper use of the System consistent with the Documentation, and Customer will ensure the proper management and supervision of the System. Customer will not, nor will Customer permit any third party to, modify, disassemble, reverse engineer, alter, or misuse the System or Instruments and Accessories. Prohibited actions include but are not limited to: (1) adding or subtracting any Customer or third party equipment, hardware, firmware, or software to or from the System, or (2) reconfiguring any of the Intuitive equipment, Hardware, firmware, or Software as originally provided to Customer as part of the System without Intuitive's express written permission. Customer will ensure that the System is moved and operated only by trained personnel in accordance with the Documentation and Intuitive's instructions. If Customer fails to comply with the requirements of this Section 3.4, Intuitive may terminate the associated Transaction Agreement immediately upon written notice, and any warranties applicable to the System will become void.
- 3.5 **Reprocess and Disposal.** Customer is responsible for properly Reprocessing and/or disposing of all medical instruments, devices, and systems related to the operation and function of the System, including Instruments and Accessories, in accordance with the Documentation and the then current local environmental and safety laws and standards.
- 3.6 **Relocation of System.** Prior to relocating a System from a Customer's facility to another Customer's facility, Customer and Intuitive must sign a System Move Letter or Assignment and Assumption Agreement. For the avoidance of doubt, any System Move or Assignment and Assumption Agreement to another Customer's facility is subject to credit approval of Customer by Intuitive.

4. Software License and Restrictions

Software embedded within the System is provided under license and is not sold to Customer. Subject to the terms and conditions of this Agreement, Intuitive grants to Customer a non-exclusive, non-transferable, fully paid, restricted use license to use the Software solely as incorporated in the System in machine-executable object code form and solely in connection with the operation of the System as described in the Documentation. Customer must not use, copy, modify, or transfer the Software or any copy thereof, in whole or in part, except as expressly provided in this Agreement. In addition, Customer must not reverse engineer, decompile, disassemble, attempt to derive the source code for, or otherwise manipulate the Software, except that manipulation of the Software is permitted if, and then only to the extent that, the foregoing prohibition on manipulation is required to be modified by applicable law. In that case, Customer must first request from Intuitive the information to be sought from the Software, and Intuitive may, in its discretion, provide information to Customer under good faith restrictions and impose reasonable conditions on use of the Software. The structure and organization of the Software are valuable trade secrets of Intuitive and Customer will protect the Software as Intuitive's Proprietary Information (as defined in Section 12). Intuitive reserves all rights to the Software not expressly granted to Customer. Some specific components of the Software may be provided to Customer under separate licenses, such as open-source licenses. If the separate license for a specific component expressly requires that Customer be granted a greater right than granted to Customer by the other terms of this Agreement, such greater right is granted to Customer for that specific component, but only to the extent necessary to comply with the requirements of the separate license.

5. Training

Intuitive offers training to surgical personnel on the use and operation of the System. At Customer's request, at mutually agreed times and at a mutually agreed locations, Intuitive will provide training in the use of the System to Customer's surgical personnel in accordance with Intuitive's then current list price or Parties' mutual agreed price. The training will occur at mutually agreed upon times and at a mutually agreed upon location. The payment terms for training are net thirty (30) days from the date of Intuitive's invoice therefor. Training units within the framework of the clinical implementation program determined by Intuitive and agreed between the Parties is not subject to this provision. The cost of comprehensive technology trainings for Customer personnel (including surgeons, OR personnel, IT technicians, reprocessing personnel) within the clinical implementation program will be covered by Intuitive.

6. Proctoring

At Customer's request, and upon Customer's issuance of a purchase order, Intuitive will arrange for Proctoring at Customer's location in accordance with Intuitive's then current list price or Parties mutual agreed price if any. The payment terms for Proctoring are net thirty (30) days from the date of Intuitive's invoice. Each Proctor is an independent contractor, is not an agent or employee of Intuitive, and is not authorized to act on behalf of, or legally bind Intuitive. Intuitive is not responsible for Proctoring services provided by Proctors. The decision to utilize a Proctor is solely that of the Customer. Proctoring units within the framework of the clinical implementation program determined by Intuitive and agreed between the Parties is not subject to this provision. The cost of comprehensive technology trainings for Customer personnel (including surgeons, OR personnel, IT technicians, reprocessing personnel) within the clinical implementation program will be covered by Intuitive.

7. Instruments and Accessories

Instruments and Accessories other than the ones listed in this Agreement will be made available to Customer only after Intuitive receives Customer's System purchase order, pursuant to separate orders placed by Customer to Intuitive from time to time in accordance with the terms conditions and pricing contained in the then current Instrument and Accessory Catalog. Instruments and Accessories are subject to a

limited license to use those Instruments and Accessories with, and prepare those Instruments and Accessories for use with, the System. Customer is responsible for Reprocessing Instruments in accordance with the Documentation. Any other use is prohibited, whether before or after the Instrument or Accessory's license expiration, including repair, refurbishment, or reconditioning not approved by Intuitive, and cleaning or sterilization inconsistent with the Documentation. This license expires once an Instrument or Accessory is used up to its maximum number of uses specified in the Documentation accompanying the Instrument or Accessory. Customer may purchase Instruments and Accessories for the purpose of Customer's Reprocessing requirements. The cost of Instruments and Accessories used in Customer's Reprocessing, including Instrument and Accessories used or involved in destructive testing will be the responsibility of the Customer. Customer may contact Intuitive's Customer Support Department if, during the Reprocessing, Customer experiences results unacceptable under applicable law and/or regulation. Intuitive will provide commercially reasonable assistance in such investigations and remediation efforts but shall not be obligated to conduct or pay for such studies or provide materials at no cost or reduced cost as a condition of purchase or continued use.

8. Pricing and Payment Terms

8.1 System.

- (A) **Price.** Customer will pay to Intuitive the price specified in the Transaction Agreement for the System acquired under the Transaction Agreement according to the payment terms in the Transaction Agreement. For the avoidance of doubt, the pricing in **Exhibit B** may only be applicable for the acquisition therein. Whether or not Customer issues a purchase order does not affect Customer's commitment to acquire and pay for the System under this Agreement and the associated Transaction Agreement. If the System is being leased then the Customer will pay the "Periodical Lease Payments" amount as indicated in the Transaction Agreement for the lease of the System. At the termination of the Transaction Agreement, the terms and conditions applicable to end of lease options are set forth in the special conditions of the Transaction Agreement and the standard Leasing Terms and Conditions of **Exhibit C**.
- (B) **Payment Terms.** Payment terms for the System will be specified in the Transaction Agreement.
- (C) **Security Interest.** Intuitive will retain a security interest in the System until payment of the full System purchase price has been received by Intuitive. Customer will perform all acts Intuitive reasonably determines are necessary or appropriate to perfect and maintain the security interest. If Customer defaults in its payments for the System, Intuitive has the right, without liability to Customer, to reclaim the System.

8.2 Services.

- (A) **Price.** Customer will pay for the Services at the price specified in the Transaction Agreement. The issuance of a purchase order by Customer is for the convenience of the Customer solely; therefore, whether or not Customer issues a purchase order does not affect Customer's commitment to pay for Services under this Agreement and the associated Transaction Agreement during the Initial Term (as defined in Section 15). If the System is being leased, then either (i) the price of annual Services is included in the "Periodical Lease Payments" amount as indicated in the Transaction Agreement; or (ii) the price of annual Services is not included in the Periodical Lease Payments, and Customer may pay for the Services separately at the price specified in the Transaction Agreement. If, after the term of the lease, Customer purchases the System from Intuitive under the applicable terms and conditions of the Transaction Agreement, Customer will pay for the Services at the price specified in the Transaction Agreement. The issuance of a purchase order by Customer is for the convenience of Customer solely; therefore, whether or not Customer issues a purchase order does not affect Customer's commitment to pay for Services under this Agreement during the Initial Term (as defined in Section 15).
- (B) **Payment Terms.** Payment terms for the purchase of Services will be specified in the Transaction Agreement. If the System is being leased and unless as otherwise indicated in the Transaction Agreement, Intuitive will deliver to Customer an invoice for the annual Services fee thirty (30) days prior to the first anniversary of Acceptance and each subsequent anniversary of Acceptance throughout the Initial Term of the Transaction Agreement. Customer will pay the invoice for Services not later than thirty (30) days after the date of invoice. In the event Customer opts out of Service, Customer will not receive a refund of any prepaid Service fees. In the event Customer requires a purchase order to be referenced on a Service invoice to facilitate payment, Customer will provide Intuitive with a purchase order number sixty (60) days prior to each anniversary of Acceptance. Interest will accrue from the date on which payment is due, at an annual rate of twelve percent (12%) or the maximum rate permitted by applicable law, whichever is lower.

8.3 **Funding Entity.** A funding entity ("Funding Entity") may provide the funding for Customer to purchase the System defined herein, provided however, Customer remains responsible for payment in full according to the terms of this Agreement and the associated Transaction Agreement if Funding Entity fails to pay. A Funding Entity will have no rights or obligations whatsoever under this Agreement or the associated Transaction Agreement, except as specified in this Agreement or the associated Transaction Agreement. Customer acknowledges and agrees that once Acceptance has occurred and title of the System has passed to the Customer, if Customer subsequently enters into an arrangement with a Funding Entity, then Customer will enter into an agreement (such as a sale and lease-back agreement) directly with the Funding Entity that does not involve Intuitive. Intuitive will not reverse the sale of the System to Customer in order to sell it to another entity, including but not limited to a Funding Entity.

8.4 **Customer's Guarantee.** Customer hereby guarantees to and for the benefit of Intuitive the full and timely performance of the payment obligations of each Customer under this Agreement and each associated Transaction Agreement when and if such obligations become due according to the terms of this Agreement and associated Transaction Agreement (each an "Obligation"). Customer's guarantee under this Section 8.4 with respect to each Obligation shall continue in full force and effect until each such Obligation has been discharged.

9. Taxes

Customer will be deemed to be Taxable until such time as Customer provides the Intuitive tax department with the appropriate, fully executed tax exemption certificate as directed below: Attn: Tax Department, Intuitive Surgical, Inc., 1020 Kifer Road, Sunnyvale, CA 94086; fax number: 408-523-1390; email at TaxEmail@intusurg.com.

10. Warranty and Disclaimer

10.1 System Warranty.

- (A) Intuitive warrants to Customer that:
- (1) the System as delivered will be free and clear of all liens and encumbrances (except as otherwise specified in this Agreement and the associated Transaction Agreement), and
 - (2) for the period specified in the Transaction Agreement or the Lease Agreement, the System will be free from defects in material and workmanship and will conform in all material respects to the Documentation when used in accordance with the Documentation and Intuitive's instructions.
- (B) Intuitive's obligations under this Section 10.1 are limited to the repair (as further described in **Exhibit B**) or, at Intuitive's option, replacement of all or part of the System.
- (C) This warranty is void with respect to any claims:
- (1) due to any installation, repair, adjustment, modification, disassembly, alteration, reconfiguration, addition to, subtraction from, or misuse of the System by Customer or any third party without the express written permission of Intuitive; or
 - (2) to the extent Customer has not operated, repaired, or maintained the System in accordance with the Documentation or any reasonable handling, maintenance, or operating instructions supplied by Intuitive; or
 - (3) to the extent Customer has used the System with surgical instruments or accessories that are not Instruments or Accessories; or
 - (4) to the extent Customer or Customer's employee, agent, or contractor has subjected the System to unusual physical or electric stress, misuse, abuse, negligence, or accident.
- (D) The foregoing expresses Customer's sole and exclusive remedy, and Intuitive's sole and exclusive liability, for any breach of warranty with respect to the System by Intuitive.

10.2 **Services Warranty.** Intuitive warrants that the Services will be performed consistent with generally accepted industry standards. If Intuitive breaches this warranty, Customer's sole and exclusive remedy will be to require Intuitive to re-perform the Services.

10.3 **No Other Warranties. INTUITIVE MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, IN CONNECTION WITH THE SYSTEM OR SERVICES PROVIDED HEREUNDER AND THIS TRANSACTION, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY, AND NON-INFRINGEMENT. SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF IMPLIED WARRANTIES; THEREFORE, THE ABOVE LIMITATION WILL APPLY ONLY TO THE EXTENT PERMITTED BY APPLICABLE LAW.**

11. Indemnification

11.1 Intuitive's Indemnification Obligations.

- (A) **Intellectual Property Indemnification.** Intuitive will indemnify Customer against all liabilities, expenses, or damages in connection with any third-party claim that the System infringes any third-party patent, trade secret, or copyright. If Customer is enjoined from the use of the System due to any such third party claim, Intuitive will promptly, at its option and expense, either (1) substitute the System or any part thereof with non-infringing material that will perform substantially in accordance with the Documentation; or (2) obtain the right of Customer to continue to use the System; or (3) remove the System.
- (B) **Indemnification Limitations.** Intuitive has no obligation under this Section 11.1 to the extent any claim of infringement is based upon or arises out of: (1) any modification to the System if the modification was not made directly by Intuitive or through its designated service provider; or (2) the use or combination of the System with any hardware, software, products, data or other materials not specified, provided or approved by Intuitive.
- (C) **THE PROVISIONS OF THIS SECTION 11 STATE THE SOLE AND EXCLUSIVE OBLIGATIONS OF INTUITIVE FOR ANY PATENT, COPYRIGHT, TRADEMARK, TRADE SECRET OR OTHER INTELLECTUAL PROPERTY RIGHTS INFRINGEMENT.**

11.2 **By Intuitive.** To the extent allowable by law, Intuitive hereby assumes all liability for, and agrees to indemnify, defend and hold harmless Customer, its successors, permitted assigns, medical staff, agents and employees from and against, any and all liabilities, losses, damages, claims and expenses to the extent that they arise from third party claims, actions or demands including without

limitation, claims arising in contract or tort (including negligence), strict liability or otherwise (collectively, "Claims") in any way relating to or arising from (a) Intuitive's breach of any of its representations or warranties or any other obligation hereunder, or (b) Intuitive's negligence or willful misconduct; provided that Intuitive's indemnification obligations under this Section 11.2 shall not apply to the extent that (i) such Claims arise from Customer's negligence or willful misconduct or breach of any of its obligations hereunder.

- 11.3 **By Customer.** To the extent allowable by law, Customer hereby assumes all liability for, and agrees to indemnify, defend and hold harmless Intuitive and its successors, permitted assigns, agents and employees from and against, any and all Claims by third parties to the extent that they arise from: (a) Customer's or its employees', medical staff's, agents', affiliates' or representatives' negligence or willful misconduct in the use, possession, or operation of the System, including without limitation, (i) use of the System by individuals who have not completed appropriate training or whose training was not conducted by Intuitive, (ii) use of the System with any surgical instrument or accessory that is not made or approved by Intuitive for use with the System, or (iii) the conduct of surgical procedures on cadavers used in training; or (b) Customer's breach of any of its representations or warranties or any other obligation hereunder, including without limitation Customer's failure to comply with the requirements of Sections 3.4 and 3.5. (Use of System; Reprocess and Disposal). Notwithstanding the foregoing, Customer's indemnification obligations under this Section 11.3 shall not apply to the extent that such claims arise from Intuitive's negligence or willful misconduct or breach of any of its obligations hereunder.
- 11.4 **Customer's Indemnification Obligations.** Intuitive will not be liable for, and Customer will indemnify and hold Intuitive harmless from and against, any claims or damages caused by Customer's failure to comply with the requirements of Sections 3.4 (Use of the System) or 3.5 (Disposal).
- 11.5 **Claim Notification Requirement.** A party's indemnification obligations under this Section 11 will not apply unless the indemnified party notifies the indemnifying party of the claim as soon as reasonably possible from when the indemnified party became aware of it. The indemnifying party will have the right to control the defense or settlement of any claim at its cost and with its choice of counsel. The indemnified party will provide all reasonable cooperation to assist the indemnifying party in the defense or settlement of the claim.

12. Limitation of Liability

Except for a breach of the obligations in Sections 3.4 (Use of System), 4 (Software License and Restrictions), 7 (Instruments and Accessories), 8 (Pricing and Payment Terms), 11 (Indemnification), 13 (Proprietary Information), Exhibit G (Business Associate Agreement), to the extent permitted by applicable law, each party's aggregate liability to the other for claims relating to this Agreement, whether for breach in contract or tort (excluding gross negligence and or willful misconduct), is limited to an amount equal to two times the sum of amounts payable by Customer under this Agreement. Except for a breach of the obligations in Sections 3.4, 4, 7, or 13, neither party will be liable for any indirect, punitive, special, incidental, or consequential damages in connection with or arising out of this Agreement (including loss of business, revenue, profits, use, data, or other economic advantage), even if that party has been advised of the possibility of damages. Some jurisdictions do not allow the limitation of liability for incidental or consequential damages; therefore in those jurisdictions, the foregoing limitation of liability applies only to the extent permitted by law.

13. Proprietary Information

"Proprietary Information" includes, but is not limited to, all non-public information (1) of the disclosing party ("Disclosing Party") that relates to past, present, or future research, development, or business activities or the results of those activities and (ii) that the Disclosing Party has received from others and is obligated to treat as confidential and proprietary. In addition, Intuitive's Proprietary Information includes and all information derivable from the System, but excluding information that can be learned simply through observation of the System and its operation. The terms and conditions of this Agreement are considered Intuitive's Proprietary Information, however, Intuitive understands and agrees that its contents are subject to the California Public Records Act and California Brown Act and that Customer must make the Agreement available for public information. Proprietary Information does not include information previously known by the receiving party ("Receiving Party") as demonstrated by the Receiving Party's contemporaneous written records, or information publicly disclosed without breach of an obligation of confidentiality, either before or after the Receiving Party's receipt of the information. The Receiving Party will hold all Proprietary Information of the Disclosing Party in strict confidence and must not use for any purpose, or disclose to any third party, any Proprietary Information, except (1) as expressly authorized in this Agreement or in writing by the Disclosing Party, and (2) as required by law or by court order. Notwithstanding any provision of this Agreement, the Receiving Party shall be permitted to disclose the Disclosing Party's Confidential Information solely to the extent that such disclosure is required by law or by order of any court or governmental authority, including but not limited to California Public Records Act requests and Brown meeting requests, provided, however, that the Receiving Party shall first have given advance notice to the Disclosing Party, so as to permit the Disclosing Party as owner of the information an opportunity to review such information for confidentiality and privilege preservation and/or to attempt to obtain a protective order or similar administrative or legal remedy requiring that the Confidential Information so disclosed be used only for the purposes for which the order was issued or for such other legal requirement, and that the Receiving Party shall cooperate with the Disclosing Party in such efforts. As it relates to any California Public Records Act or Brown Act requests, to the extent Customer is required by law to disclose any of the above-described information, communications, and documents, Customer shall comply with such law. Customer has the right in its sole discretion to determine what shall be disclosed, as required by law. The Receiving Party will use the same degree of care to protect the Proprietary Information as Receiving Party uses to protect its own information of like kind, but not less than all reasonable steps to maintain the confidentiality of the Proprietary Information.

14. Data Use

Data Use is governed by **Exhibit F**.

15. Term

- 15.1 The term of this Agreement will commence on the Effective Date and will continue for so long as any Transaction Agreement remains in effect. The Initial Term for each Transaction Agreement will be specified in such Transaction Agreement.
- 15.2 **Termination and Survival.** Either Customer or Intuitive may terminate this Agreement if the other party breaches a material term or condition of this Agreement and fails to cure the breach following thirty (30) days' written notice from the non-breaching party. Either Customer or Intuitive may terminate any associated Transaction Agreement if the other party breaches a material term or condition of the Transaction Agreement or any term or condition of this Agreement incorporated by reference in the Transaction Agreement and fails to cure the breach following thirty (30) days' written notice from the non-breaching party. Sections 3.4, 3.5, 4, 8.1, 8.3, 11, 12, 13, 14, 15.2, 16, and any other provision which by its nature will survive, will remain in effect notwithstanding the expiration or termination of this Agreement or associated Transaction Agreement.

16. Miscellaneous

- 16.1 **Access to Customer's Facilities.** Intuitive agrees that any Intuitive personnel who routinely provide Services at Customer's facilities will use commercially reasonable efforts to comply with Customer's Access Requirements, provided that Customer provides Customer's Access Requirements in writing prior to execution of a Transaction Agreement. Customer's need for Service may be unplanned and urgent with patient safety at stake. Therefore, if Customer denies access to its facilities to any Intuitive personnel for performance of Services (**Exhibit A**) or Warranty (Section 10) obligations in connection with a Procedure because such personnel have not met Customer's Access Requirements, Intuitive's Services and warranty obligations in this Agreement will be suspended during such denial of access, provided that Intuitive uses commercially reasonable efforts to find replacement Intuitive personnel who comply with Customer's Access Requirements. Customer will indemnify and hold harmless Intuitive from any losses, claims, liabilities or causes of action arising from such denial of access.
- 16.2 **Assignment.** This Agreement and each Transaction Agreement entered into under this Agreement will be binding upon the permitted successors and assigns of the parties. No party may assign this Agreement or any Transaction Agreement entered into under this Agreement without the prior written consent of the other party to such agreement, except pursuant to a transfer of all or substantially all of a party's assets and business relating to the subject of this Agreement or the Transaction Agreement as the case may be, whether by merger, re-organization, sale of assets, sale of stock, or otherwise. Customer may not assign or transfer the Software license granted to it under this Agreement to any third party without Intuitive's prior written consent. Any attempt by either party to assign this Agreement or any Transaction Agreement entered into under this Agreement or any rights or duties thereunder contrary to the foregoing provision is void.
- 16.3 **Costs.** Except as otherwise specifically provided herein, each party will bear its own costs and expenses incurred in connection with the performance of its obligations hereunder.
- 16.4 **Counterparts.** This Agreement and any associated Transaction Agreement may be executed by facsimile or in multiple copies, each of which is an original, and all of which taken together will constitute one single agreement.
- 16.5 **Debarment.** Intuitive warrants and represents that individuals of its organization involved in providing Services under any Transaction Agreement have not been convicted of any criminal offense relating to health care and are not debarred, excluded, or otherwise ineligible for participation in any federal or state health care program. 3. LEASE AND OTHER PAYMENTS

(b) If the Lessee fails to pay any amount payable by it under the Lease Agreement on its due date, it will pay to the Lessor interest on the overdue amount ("Default Interest") from and excluding such due date up to and including the date of actual payment. Default Interest will be twelve per cent (12%) per annum, or the maximum rate allowed by applicable law, whichever is lower, and will be calculated on a daily basis. Default Interest will be payable by the Lessee on demand by the Lessor.

4. LOCATION, USE AND MAINTENANCE OF THE EQUIPMENT

(a) The Lessee will be kept at the Location as set out in the Lease Agreement and will not be removed without the prior written consent of the Lessor.

5. OWNERSHIP, INSPECTION AND TESTING

The Lessee will keep proper accounts of all its dealings in relation to the Equipment and deliver to the Lessor any such records when requested by the Lessor.

8. TOTAL LOSS AND INSURANCE

(a) The Lessee will bear the risks related to a Total Loss of the Equipment after delivery. If a Total Loss occurs with respect to the Equipment, Lessee will promptly notify Lessor thereof. On the Lease Payment date following such notice, Lessee will pay to Lessor an amount equal to the Termination Sum plus a sum equal to the calculated residual value at the time of expiration of the Lease Period, if any. Upon the making of such payment by Lessee, the payment obligation for such Equipment will cease, the Lease Agreement as to such Equipment will terminate and, except in the case of a Total Loss, Lessor will be entitled to recover possession at Lessee's expense in accordance with Clause 10 below. Provided that Lessor has received all payments to be made by the Lessee under this Lease Agreement, the Lessee will be entitled to the proceeds of any recovery in respect of that Equipment from insurance or otherwise.

(b) If not agreed otherwise in writing, the Lessee will at its own expense insure the Equipment on a policy and terms with such insurers as may be approved by the Lessor and will keep this insurance coverage in place until the Equipment is returned to the Lessor or the title has been transferred to the Lessee.

(c) The proceeds of the insurances will be paid to the Lessor and applied towards satisfaction of all amounts owing by the Lessee to the Lessor under the Lease Agreement.

(d) If the Lessee fails to comply with this Clause 8 the Lessor may (but is not obligated to do so), at the expense of the Lessee, effect any insurance, and all costs and expenses incurred in so doing will be repaid to the Lessor by the Lessee on demand.

9. OWNERSHIP IN THE EQUIPMENT

The Lessor will be the sole legal and beneficial owner of the Equipment and the Lessee will not do or permit to be done anything that could prejudice the rights of the Lessor in respect of the Equipment. During the Lease Period ownership in the Equipment will not for any reason pass to the Lessee.

10. RETURN OF EQUIPMENT

(a) In the event that the Lease Agreement is terminated for any reason other than by reason of a Total Loss, the Lessee will immediately (i) return the

Equipment to the Lessor or its designated agent, by delivering the Equipment to such address as the Lessor may require at Lessor's own cost and expense or (ii) allow the Lessor access to pick up the Equipment. The Lessee will return the Equipment to the Lessor, free and clear of any security interest and in good working condition without any damage or fault which would affect the value of the Equipment or its operation (reasonable wear and tear excepted) together with all licenses, certificates and other documents relating to the Equipment.

(b) If upon return the Equipment is not in the condition stated in Clause 10(a) above, the Lessor may at its own discretion cause such reasonable repair works as it deems necessary to be carried out by a provider of its choice. All reasonable costs and expenses in connection with such repairs will be paid by the Lessee.

11. END OF LEASE OPTIONS

11.1 OPTION A Applicable Not Applicable

(a) *Provided* that the Lessee has fulfilled all its obligations under this Lease Agreement and paid the Balloon Payment, if any, in full, title to the Equipment will pass to the Lessee on an "as is where is" basis without any warranties whatsoever given by the Lessor at the end of the Lease Period.

(b) The Lessee may request the Lessor to re-lease all (but not part thereof) of the Equipment to the Lessee at the end of the Lease Period, *provided* that the Lessee's financial situation has not deteriorated and that the Lessee has duly fulfilled its obligations under this Lease Agreement. The Lease Payments and the Lease Period of the re-lease will be determined between the Parties hereto at the time of re-lease. If the Lessee wishes to renew the Lease Agreement, it will notify the Lessor in writing no less than ninety (90) days prior to the end of the Lease Period. If the Lessor does not confirm acceptance of the Lessee's request within four (4) weeks, it is deemed to have been declined. In case the Lessor refuses such request, the Lessee continues to be obliged to make the Balloon Payment in the manner and on the date as specified in the Lease Agreement.

11.2 OPTION B Applicable Not Applicable

Provided that no Event of Default has occurred at the end of the Lease Period, the Lessee may, by written notice to the Lessor not less than 90 days prior to the end of the Lease Period, exercise one of the options below.

(a) The Lessee may request the Lessor to sell all (but not part thereof) of the Equipment to the Lessee after the end of the Lease Period and the Lessor will meet such request *provided* that the Lessee has fulfilled all its obligations under this Lease Agreement. The purchase price of the Equipment will be an amount equal to the fair market value, as determined by the Lessor, or, if applicable, as indicated in the Special Conditions noted above. Upon payment of the purchase price, title to the Equipment will pass to the Lessee on an "as is where is" basis without any warranties whatsoever given by the Lessor. If no sale can be achieved, the Lessee will return the Equipment to the Lessor immediately at the end of the Lease Period in accordance with Clause 10 hereof.

(b) The Lessee may request the Lessor to re-lease all (but not part thereof) of the Equipment to the Lessee at the end of the Lease Period, *provided* that, the Lessee's financial situation has not deteriorated and that the Lessee has duly fulfilled its obligations under this Lease Agreement. If the Lessor does not confirm acceptance of the Lessee's request within four (4) weeks, it is deemed to have been declined. The Lease Payments and the Lease Period of the re-lease will be determined between the Parties hereto at the time of re-lease. If the Lessor refuses such request, the Lessee will return the Equipment to the Lessor immediately at the end of the Lease Period in accordance with Clause 10 hereof.

(c) If the Lessee fails to provide sufficient written notice as noted above, the Lease Agreement will be automatically renewed for a period of one (1) month at any one time, at the price of the most recent Periodical Lease Payment, unless either Party gives notice to the other party no less than two (2) weeks prior to the end of the respective renewal period of its desire to terminate the Lease Agreement. Unless otherwise agreed between the Parties, the Lessee will in such case return the Equipment to the Lessor in accordance with Clause 10 hereof.

12. EVENT OF DEFAULT

Each of the events set out in this Clause 12 is an Event of Default. Upon the occurrence of an Event of Default, the Lessor may by written notice to the Lessee terminate the Lease Agreement, which will take effect in accordance with its terms.

(a) The Lessee does not pay on the due date any amount payable by it under the Lease Agreement in the prescribed manner, and such default is not cured within ten (10) days.

(b) The Lessee does not comply with any term of the Lease Agreement, any Sales/Use, License and Service Agreement between Lessor and Lessee, or any other similar agreement governing the use of the Equipment.

(c) Any representation made or repeated by the Lessee in the Lease Agreement is proved to be incorrect in any material respect when made or deemed to be repeated.

(d) The Lessee is unable to pay its debts as they fall due, admits its inability to pay its debts as they fall due, or is otherwise deemed for the purposes of any law to be insolvent, or (by reason of actual or anticipated financial difficulties) begins negotiations with any creditor for the rescheduling of any of its indebtedness.

(j) The Lessee abandons the Equipment or does anything which, in the reasonable opinion of the Lessor, prejudices the rights of the Lessor in or over the Equipment.

(k) There is, in the Lessor's reasonable opinion, a material change in the shareholding of the Lessee or any person, or group of persons acting in concert, acquires control of the Lessee.

(l) An event or series of events occur which, in the reasonable opinion of the Lessor, have or are likely to have a material adverse effect on the financial condition of the Lessee.

13. TERMINATION

(a) After execution of the Lease Agreement, the Lessee will, except as set out in Clause 13(f), not be entitled to cancel or terminate the Lease Agreement before expiration of the Lease Period.

(b) Any termination of the Lease Agreement and any delivery of the Equipment by the Lessee to the Lessor will be without prejudice to any right or claim a party may have against the other under the Lease Agreement (including, without limitation, for arrears in Lease Payment, other sums payable by the Lessee under the Lease Agreement and damages for breach of the Lease Agreement).

(c) Where the Lease Agreement is terminated due to an Event of Default, the Lessee will pay to the Lessor the Termination Sum.

(d) Until the Lessor has received the Termination Sum in full, all obligations of the Lessee under the Lease Agreement will continue and the Lessee will continue to pay the Lease Payment notwithstanding any repossession of the Equipment by the Lessor.

(e) Upon termination of the Lease Agreement, the Lessor will without prejudice to any other rights which it may have, have the right to repossess the Equipment and for this purpose to enter the land, building or premises at which the Equipment are located and the Lessee will give access to or procure that the Lessor or its agents be given access to the land, building or premises for this purpose, at a mutually agreeable date and time.

(f) During the Lease Period, *provided* that no Event of Default has occurred and the Lessee has duly performed all of its obligations under this Lease Agreement the Lessee may by written notice to the Lessor request to early terminate the Lease Agreement. On the Lease Payment date following such notice, Lessee will pay to Lessor an amount equal to the Termination Sum. Upon the making of such payment by Lessee, the payment obligation for such Equipment will cease and the Lease Agreement as to such Equipment will terminate. The Lessee will in such case return the Equipment to the Lessor in accordance with Clause 10 hereof.

14. SUBMISSION OF MATERIALS

Upon written request by the Lessor for the purpose of credit preservation, the Lessee will provide the credit status of the Lessee, and cooperate with the Lessor for any investigations thereon. At Lessor's request, the Lessee will provide a copy of its year-end financial statements not later than four (4) months from the end of the financial year. The Lessee will notify the Lessor of any material change or any suspected material change in the credit status of the Lessee.

15. TAXES AND COSTS

(a) Lessee is responsible for all license and registration fees, and all sales, use, property, stamp and other taxes and charges relating in any manner

to the Equipment or this Lease Agreement, except the Medical Device Excise Tax.

(b) All payments by the Lessee under the Lease Agreement will be made free and clear of and without any deduction for or on account of any taxes and withholding taxes, except to the extent that the Lessee is required by law to make payment subject to taxes. If any amounts in respect of tax or any other deduction must be made from any amounts payable by the Lessee to the Lessor under the Lease Agreement, the Lessee will pay such additional amounts as may be necessary to ensure that the Lessor receives a net amount equal to the full amount which it would have received had the payment not been made subject to tax or the deduction.

(c) The Lessee will bear the costs for the protection or exercise of the Lessor's rights, or the protection, collection or disposition of securities including but not limited to the stamp duty, the expense for sending demand or notice to the Lessee, the expenses for registration, change and cancellation of security interest, and all legal fees which Lessor may incur in connection with the enforcement of this Lease Agreement.

(d) Unless otherwise provided, this Lease Agreement is entered into with the assumption that Lessor is the owner of the Equipment for income tax purposes and is entitled to certain federal and state tax benefits available to the owner of equipment (collectively "Tax Benefits"), including without limitation, accelerated cost recovery deductions and deductions for interest incurred by Lessor to finance the purchase of the Equipment, available under the Code. Lessee represent, warrant, and covenant to Lessor that (a) unless Lessee has provided Lessor with a 501(c)(3) letter indicating that Lessee is tax exempt, then Lessee is not a tax exempt entity (as defined in Section 168(h) of the Code, (b) Lessee will use the Equipment solely within the United States, and (c) Lessee will take no position inconsistent with the assumption that Lessor is the owner of the Equipment for any tax purposes. If, because of any act or omission by Lessee, or any party acting through Lessee, or the breach or the inaccuracy of any representation, warranty or covenant made by Lessee in this Agreement, Lessor reasonably determines that Lessor cannot claim, are not allowed to claim, lose, or must recapture any or all of the Tax Benefits otherwise available with respect to the Equipment (a "Tax Loss"), then Lessee will, promptly upon demand, pay to Lessor an amount sufficient to provide Lessor the same after-tax rate of return and aggregate after-tax cash flow through the end of the term of the Lease Agreement as Lessor would have realized but for such Tax Loss.

16. INDEMNITY

The Lessee will indemnify the Lessor against all damages, claims or liabilities which may be incurred or suffered by the Lessor in connection with: (i) the occurrence of any Event of Default; (ii) any late payment of any sum (including, without limitation, any overdue amount) being received from any source otherwise than on its due date, and is not cured within ten (10) days; (iii) Lessee's breach of any law affecting the Equipment, their use, operation or leasing, or the Lease Payment to be paid; (iv) the execution or enforcement (including any attempts thereof) of any of the rights, powers, remedies, authorities or discretions vested in the Lessor under or pursuant to the Lease Agreement; or (v) any loss arising from non-or incomplete performance by Lessee of the Lease Agreement, the delivery and the inspection of the Equipment, excluding non-appropriations described in Section 21(k) herein.

17. FORCE MAJEURE

(a) Neither Lessor nor Lessee will be liable for any loss, damage, detention, delay, or failure to perform in whole or in part resulting from causes beyond that party's control including, but not limited to, acts of terrorism, acts of God, fire, earthquake, war, the threat of imminent war, riots, or other acts of civil disobedience, insurrection, labor or trade disputes, shortage of components, any governmental law, order, regulation, ordinance or any other supranational legal authority, explosion, storms, floods, lightning, or earthquake.

18. UCC FILINGS AND FINANCIAL STATEMENTS.

Lessee authorizes Lessor to file a financing statement with respect to the Equipment and grants the Lessor the right to sign such financing statement on Lessee's behalf. If Lessor reasonably deems it necessary, Lessee agrees to submit financial statements (audited if available) on a quarterly basis.

19. **UCC-ARTICLE 2A Provisions:** Lessee agrees that this Lease Agreement is a Finance Lease as that term is defined in Article 2A of the Uniform Commercial Code ("UCC"). Lessee waives any and all rights and remedies granted Lessee under Sections 2A-508 2A-522 of the UCC.

20. INSURANCE REQUIREMENTS OF LESSOR

See Use, License and Service Agreement Section 16.8 ("Insurance").

21. MISCELLANEOUS

(a) The Lease Agreement will not be construed to be a purchase or an agreement for the purchase of the Equipment by the Lessee.

(b) The Lessee may not assign or transfer any of its rights and obligations under the Lease Agreement without the Lessor's prior written consent. The Lessor may with prior written notice to the Lessee assign or transfer any of its rights and obligations under the Lease Agreement and dispose of its rights and title to the Equipment. Should Lessee not consent to the assignment, due to a legal prohibition from doing business with that entity, Lessee may terminate this Agreement and return the Equipment as required by Section 10.

(c) This Lease Agreement constitutes the entire obligation of the parties hereto and supersedes any prior expressions of intent or understandings with respect to this transaction. Any amendment of this Lease Agreement will be in writing and will be signed by duly authorized representatives of both parties hereto.

(d) No failure or delay on the part of the Lessor to exercise any right provided for in this Lease Agreement will constitute a waiver of such right or any obligation of the Lessee under this Lease Agreement, nor will any single or partial exercise of any such right preclude any further exercise thereof. No waiver by the Lessor hereunder will be effective unless it is in writing. The rights and remedies provided for in this Lease Agreement are cumulative and not exclusive of any other rights or remedies which the Lessor may otherwise have.

(e) If any one or more of the provisions of this Lease Agreement or any document executed in connection herewith will be invalid, illegal or unenforceable in any respect under any applicable law, the validity, legality and enforceability of the remaining provisions contained herein will not in any way be affected or impaired thereby.

(f) The Lessee acknowledges and agrees that the sole responsibility for determining the proper treatment of this Lease Agreement for tax purposes rests with the Lessee. The Lessor makes no representations whatsoever as to the proper treatment of this Lease Agreement for tax purposes. The Lessee acknowledges that the Lessor is the legal owner of the Equipment.

(g) All notices, claims, requests, demands, and other formal communications hereunder will be in writing and will be deemed given at the time of personal delivery to notice addresses set forth on page 1 of this Agreement or completed facsimile, or, if sent by a reputable overnight courier or registered or certified mail, one business day after such sending.

(h) Both Parties will promptly notify the other of any changes in company name, registered office, and any other matters which may affect this Lease Agreement.

(i) This Agreement shall be governed by the laws of the State of California, excluding its conflicts of laws principles. With respect to any legal action or proceeding relating to this Agreement, the parties consent and submit to the *exclusive* jurisdiction of the Federal and State courts located in California, and the parties agree that venue therein is proper.

(j) For the avoidance of doubt, the Lessee retains all rights, warranties and remedies granted to it under the corresponding Use, License and Service Agreement.

(k) The Lessee's obligation for payment of this Agreement beyond the current fiscal year end is contingent upon and limited by the availability of County funding from which payment can be made, and invoices shall be payable "monthly" in arrears. No legal liability on the part of the County shall arise for payment. Lessee shall use best efforts to obtain funding from the County. In the event that such funds are not forthcoming for any reason, the Lessee shall immediately notify Intuitive in writing, and this Agreement shall be deemed terminated, have no further force, and effect.

(l) Disputes: The parties shall attempt to resolve any disputes amicably at the working level. If that is not successful, the dispute shall be referred to the senior management of the parties. Prior to the filing of any legal action related to this Agreement, the parties shall be obligated to attend a mediation session in Riverside County before a neutral third party mediator. A second mediation session shall be required if the first session is not successful. The parties shall share the cost of the mediation.

Other than Intuitive personnel, remote observers are typically non-Customer health care professionals and/or Customer staff interested in demonstrations of Intuitive products. Remote users other than Intuitive personnel are not affiliated with Intuitive, and Customer agrees that it is the sole responsibility and obligation of Customer to engage them directly. Intuitive obtains usage and log data about Intuitive Hub, such as which features were used during a session and the duration of the session. However, Intuitive does not record, use, disclose, or store video and/or audio transmitted through the Telepresence solution.

Customer understands that there are risks, including to patients, which may occur from Customer's use of Intuitive Hub. Customer assumes all liability or related risks, whether known or unknown to Customer, of use of Intuitive Hub. Customer hereby acknowledges and affirms that Intuitive has no input, control over, or involvement in the assistance, coaching, guidance, surgical training, proctoring, recommendations, practice, observations, or other services offered to, or utilized by Customer, relating to the practice of medicine. For the avoidance of doubt, nothing in this Section shall be construed to reduce or negate Intuitive's obligations or Customer's rights and remedies related to the da Vinci® Surgical System under the Agreement.

23. **Indemnification.** For purposes of this Addendum, Customer assumes all liability for and agrees to indemnify, defend, and hold harmless Intuitive and its successors, permitted assigns, agents and employees from and against any and all claims, loss or damage to Customer's personal property, liabilities, expenses, and costs, including reasonable attorney's fees, (collectively, "Claims") arising as a result of Customer's use of Intuitive Hub, including but not limited to any Claims related to any and all consents and/or technical, network, download, access, connection, installation and/or computer issues arising in connection with Customer's use. The indemnification obligations described herein shall not apply to the extent such Claims arise as a result of Intuitive's gross negligence or intentional misconduct.

Intuitive shall continue to have the right to access the Data after Intuitive delivers the Report to Customer, to enable Intuitive's continued analysis of the Data, whether alone or in conjunction with other data accessible to Intuitive. Intuitive is further authorized to publish, without identifying Customer, and use for any reasonable commercial purpose any statistics, analytics, analyses, models, knowledge, reports, or other learning derived from the Data. Intuitive grants to Customer a perpetual, irrevocable, worldwide, non-transferable, nonexclusive license to use the Report for Customer's internal purposes.

This Business Associate Agreement (“Agreement”) is effective as of the date of final signature of the Agreement (“Effective Date”) and is between **Intuitive Surgical, Inc.**, a Delaware corporation, located at 1020 Kifer Road, Sunnyvale, California 94086, on behalf of itself and its affiliates (“Business Associate”), and County of Riverside, a political subdivision of the state of California on behalf of its Riverside University Health System located at 26520 Cactus Avenue, Moreno Valley, CA 92555 (“Covered Entity”). Business Associate and Covered Entity may be individually referred to herein as “Party,” and collectively referred to herein as “Parties.”

1. Introduction.

Covered Entity and Business Associate have entered into, or may enter into, Underlying Agreement(s) (as defined below) for the provision of Products and Services (as defined below). The Parties wish to enter into this Agreement pursuant to the business associate agreement requirements set forth in the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act, as incorporated in the American Recovery and Reinvestment Act of 2009 (“HITECH”), and all applicable implementing regulations, including, without limitation, the Privacy Rule (45 C.F.R. § 160 and § 164 (Subparts A and E)), the Security Rule (45 C.F.R. § 160 and § 164 (Subparts A and C)), and the Breach Notification Rule (45 CFR §§ 164.400-414). All such laws and regulations may be collectively referred to herein as “HIPAA”. This Agreement is incorporated by reference into the Underlying Agreements and supersedes any prior business associate agreement between the Parties.

2. Definitions. Unless otherwise defined herein, all capitalized terms used in this Agreement shall have the same meaning as ascribed to those terms by HIPAA.

- 2.1 “**Products and Services**” shall mean those certain products and/or services provided by Business Associate, pursuant to an Underlying Agreement, that require the creation, receipt, maintenance or transmission of PHI by Business Associate for or on behalf of Covered Entity.
- 2.2 “**Protected Health Information**” or “**PHI**” shall have the same meaning as ascribed in 45 C.F.R. §160.103, except that all references to PHI shall mean only the PHI that is required to be accessed, created, maintained or transmitted by Business Associate for or on behalf of Covered Entity to perform under the Underlying Agreements. As may be applicable, PHI shall include “Electronic Protected Health Information” or “EPHI”.

- 3.2 **Proper Management and Administration.** Business Associate may Use or Disclose PHI for the Business Associate’s proper management and administration or to carry out the Business Associate’s legal responsibilities. However, Business Associate may only Use or Disclose PHI under this Section 3.2 to the extent that:

 - b. Business Associate obtains reasonable assurances from the person to whom the information is disclosed that the person: (1) will hold the PHI confidentially and further Use or Disclose the PHI only (i) as permitted or required by law, or (ii) for the purpose for which it was disclosed to the person; and (2) will notify the Business Associate of any instance the person becomes aware of in which the confidentiality of the information has been breached.
- 3.3 **Data Aggregation.** Business Associate may provide Data Aggregation services relating to the health care operations of Covered Entity, as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B).

- 4.4 **Security Incidents.** In the event Business Associate discovers the occurrence of any successful Security Incident, Business Associate shall, within two (2) business days of discovery of such successful Security Incident, notify Covered Entity of the same. The Parties acknowledge the ongoing existence and occurrence of attempted but "Unsuccessful Security Incidents". Provided these Unsuccessful Security Incidents do not result in an unauthorized access, use, disclosure, modification, or destruction of PHI or significantly compromise Business Associate's security safeguards for PHI, the Parties agree that this acknowledgment shall serve as notice of such incidents and do not require additional notice to Covered Entity. Unsuccessful Security Incidents shall include pings, and other surveillance activities on Business Associate's firewall, port scans, unsuccessful log on attempts and password-based attacks, denials of service attempts, other common firewall attacks, and any combination of the above so long as no such incident results in a successful Security Incident.
- 4.5 **Impermissible Uses and Disclosures.** In the event Business Associate discovers the occurrence of any impermissible Use or Disclosure of PHI by it, Business Associate shall, within two (2) business days of discovery of such impermissible Use or Disclosure, notify Covered Entity of the same.

The notification to Covered Entity shall include all information required by 45 CFR § 164.410(c) to the extent then known. If the information required is not available to Business Associate at the time of the notification, Business Associate shall thereafter provide supplemental information to Covered Entity as soon as commercially possible.
- A. Content of notification. The written notification to Covered Entity relating to breach of unsecured PHI shall include, to the extent possible, the following information if known (or can be reasonably obtained) by Business Associate:
- 1) The identification of each individual whose unsecured PHI has been, or is reasonably believed by Business Associate to have been accessed, acquired, used or disclosed during the breach;
 - 2) A brief description of what happened, including the date of the breach and the date of the discovery of the breach, if known;
 - 3) A description of the types of unsecured PHI involved in the breach, such as whether full name, social security number, date of birth, home address, account number, diagnosis, disability code, or other types of information were involved;
 - 4) Any steps individuals should take to protect themselves from potential harm resulting from the breach;
 - 5) A brief description of what Business Associate is doing to investigate the breach, to mitigate harm to individuals, and to protect against any further breaches; and,
 - 6) Contact procedures for individuals to ask questions or learn additional information, which shall include a toll-free telephone number, an e-mail address, web site, or postal address.
- B. Cooperation. With respect to any breach of unsecured PHI reported by Business Associate, Business Associate shall cooperate with Covered Entity and shall provide Covered Entity with any information requested by Covered Entity to enable Covered Entity to fulfill in a timely manner its own reporting and notification obligations, including but not limited to providing notice to individuals, prominent media outlets and the Secretary in accordance with 42 USC §17932 and 45 CFR §164.404, §164.406 and §164.408.
- C. Payment of costs. With respect to any breach of unsecured PHI caused solely by the Business Associate's failure to comply with one or more of its obligations under this Addendum and/or the provisions of HJTECH, HIPAA, the Privacy Rule or the Security Rule, Business Associate agrees to pay any and all costs associated with providing all legally required notifications to individuals, media outlets, and the Secretary. This provision shall not be construed to limit or diminish Business Associate's obligations to indemnify, defend and hold harmless Covered Entity under Section 7 of this Addendum.
- D. Additional State Reporting Requirements. The parties agree that this Section 4.6 D applies only if and/or when Covered Entity, in its capacity as a licensed clinic, health facility, home health agency, or hospice, is required to report unlawful or unauthorized access, use, or disclosure of medical information under the more stringent requirements of California Health & Safety Code §1280.1S. For purposes of this Section 4.6 D, "unauthorized" has the meaning given such term in California Health & Safety Code §1280.15G(2).

- 1) Business Associate agrees to assist Covered Entity to fulfill its reporting obligations to affected patients and to the California Department of Public Health ("CDPH") in a timely manner under the California Health & Safety Code §1280.15.
 - 2) Business Associate agrees to report to Covered Entity any unlawful or unauthorized access, use, or disclosure of patient's medical information without unreasonable delay and no later than two (2) business days after Business Associate detects such incident. Business Associate further agrees such report shall be made in writing, and shall include substantially the same types of information listed above in Section 8.A.2 (Content of Notification) as applicable to the unlawful or unauthorized access, use, or disclosure as defined above in this section, understanding and acknowledging that the term "breach" as used in Section 8.A.2 does not apply to California Health & Safety Code §1280.15.
- 4.7 **Mitigation.** Business Associate shall mitigate, to the extent reasonably practicable and attributable to it, any harmful effect known to Business Associate of any successful Security Incident, impermissible Use or Disclosure of PHI, or Breach of Unsecured PHI.
- 4.8 **Subcontractors.** Business Associate shall ensure that any Subcontractors that access, create, maintain, or transmit PHI for or on behalf of Business Associate agree to restrictions and conditions at least as stringent as those that apply to Business Associate under this Agreement.
- 4.9 **Designated Record Sets.** To the extent Business Associate maintains any PHI in a Designated Record Set, the following shall apply:
- a. **Access to PHI.** Upon Covered Entity's written request to Business Associate, Business Associate agrees to provide Covered Entity with a copy of an Individual's PHI maintained in a Designated Record Set within five (5) business days of such request. Business Associate shall provide such copy in the manner required by law. In the event an Individual submits a request directly to Business Associate to provide a copy of PHI maintained in a Designated Record Set, Business Associate shall notify Covered Entity of the request within five (5) business days to allow Covered Entity to respond to the Individual.
 - b. **Amendment to PHI.** Upon Covered Entity's written request to Business Associate, Business Associate agrees to amend the Individual's PHI maintained in a Designated Record Set within fifteen (15) business days of such request. In the event an Individual submits a request directly to Business Associate to amend PHI maintained in a Designated Record Set, Business Associate shall notify Covered Entity of the request within five (5) business days to allow Covered Entity to respond to the Individual.
- 4.10 **Accounting of Disclosures.** Upon Covered Entity's written request to Business Associate, Business Associate agrees to provide Covered Entity with an accounting of Disclosures of the Individual's PHI, as well as any information required by 45 C.F.R. § 164.528, within fifteen (15) business days of such request, to allow for Covered Entity to make the accounting to the Individual. In the event an Individual submits a request directly to Business Associate for an accounting of Disclosures of the Individual's PHI, Business Associate shall notify Covered Entity of the request within fifteen (15) business days to allow Covered Entity to respond to the Individual. Business Associate shall make available for Covered Entity information required by this Section 4.10 for six (6) years preceding the individual's request for accounting of disclosures of PHI, and for three (3) years preceding the individual's request for accounting of disclosures of electronic health record.
- 4.11 **Audits.** Business Associate shall make its internal practices, books, and records relating to the Use and Disclosure of PHI available to the Secretary for purposes of determining the Parties' compliance with applicable law or regulation.
- 4.12 **Compliance with Laws.** Business Associate shall comply with all applicable laws and regulations. To the extent Business Associate is to carry out an obligation of Covered Entity, as may be required by law, Business Associate agrees to comply with the requirements of the applicable law in the performance of such obligation.
5. **Covered Entity Obligations.**
- 5.1 **Notice to Business Associate.** To the extent Business Associate's ability to Use or Disclose PHI is impacted, Covered Entity shall notify Business Associate of any: (i) limitation in Covered Entity's notice of privacy practices; (ii) changes to, or revocation of, an Individual's permission to Use or Disclose PHI; or (iii) restriction to the Use or Disclosure of PHI that Covered Entity has agreed to.
 - 5.2 **Minimum Necessary.** Covered Entity shall provide to Business Associate only the Minimum Necessary PHI to accomplish the intended purpose of the Use or Disclosure.

5.3 **Compliance with Laws.** Covered Entity shall comply with all applicable laws and regulations, and shall not request Business Associate to create, use, disclose, amend or destroy PHI in a manner inconsistent with HIPAA.

6. Term and Termination.

6.1 **Term.** This Agreement shall commence as of the Effective Date, and shall terminate when all PHI and/or ePHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or, if it is infeasible to return or destroy PHI and/ePHI, protections are extended to such information, in accordance with section I 1 .B of this Agreement.

6.2 **Termination.** A breach of any provision of this Agreement by either party shall constitute a material breach of the Underlying Agreement and will provide grounds for terminating this Agreement and the Underlying Agreement with or without an opportunity to cure the breach, notwithstanding any provision in die Underlying Agreement to the contrary. Either party, upon written notice to the other party describing the breach, may take any of the following actions:

- A. Terminate the Underlying Agreement and this Addendum, effective immediately, if the other party breaches a material provision of this Addendum.
- B. Provide the other party with an opportunity to cure the alleged material breach and in the event the other party fails to cure the breach to the satisfaction of the non-breaching party in a timely manner, the non-breaching party has the right to immediately terminate the Underlying Agreement and this Addendum.

C. If termination of the Underlying Agreement is not feasible, the breaching party, upon the request of the non-breaching party, shall implement, at its own expense, a plan to cure the breach and report regularly on its compliance with such plan to the non-breaching party.

6.3 **Effect of Termination.** Upon termination of this Agreement, to the extent feasible, Business Associate shall return or destroy all PHI the Business Associate maintains in any form, and shall retain no copies of such PHI. To the extent the return or destruction of PHI is not feasible, Business Associate shall extend the protections of this Agreement to the PHI retained by Business Associate, and shall limit further Use or Disclosure to those purposes that make the return or destruction of the PHI infeasible. Additionally, upon termination of this Agreement, any Underlying Agreement shall terminate pursuant to the terms and conditions of that Underlying Agreement. Any provision of this Agreement which by its nature requires survival shall survive termination of this Agreement.

7. **Hold Harmless/Indemnification.**

A. Business Associate shall indemnify Covered Entity, including the Board of Supervisors, elected officials, its departments, officers, employees, and agents from and against all liabilities, losses, damages, claims and expenses to the extent that they arise from third party claims, actions and/or demands ("Claims") arising out of Business Associate's breach of this BAA or violation of HIPAA or applicable law. Business Associate's indemnification obligations under this Section shall not apply to the extent such Claims arise from Covered Entity's negligence, willful misconduct, or breach of any of its obligations under this BAA.

B. With respect to any action or claim subject to indemnification herein by Business Associate, Business Associate shall, at their sole cost, have the right to use counsel of their choice, subject to the approval of Covered Entity, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of Covered Entity; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Business Associate's indemnification to Covered Entity as set forth herein. Business Associate's obligation to defend, indemnify and hold harmless Covered Entity shall be subject to Covered Entity having given Business Associate written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Business Associate's expense, for the defense or settlement thereof. Business Associate's obligation hereunder shall be satisfied when Business Associate has provided to Covered Entity the appropriate form of dismissal relieving Covered Entity from any liability for the action or claim involved.

C. The specified insurance limits required in the Underlying Agreement of this Agreement shall in no way limit or circumscribe Business Associate's obligations to indemnify and hold harmless Covered Entity herein from third party claims arising from issues of this Agreement.

D. In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve Business Associate from indemnifying County to the fullest extent allowed by law.
