BACKGROUND:

Summary

Riverside University Health System – Behavioral Health (RUHS-BH) operates a continuum of care system that consists of County-operated and contracted service providers delivering a variety of mental health treatment services within each geographic region of Riverside County.

RUHS-BH utilizes licensed board and care facilities as a less restrictive and less intensive licensed residential level of care for behavioral health clients. The purpose of this level of care is to provide eligible adult clients with supervised and structured residential services including supported programs resulting in the transition of clients into independent living.

Franklin is an 84-bed Augmented Adult Residential Facility serving adults ages 18 and older, located at 3021 Franklin Avenue, Riverside, CA 92507. Franklin services will provide enhanced behavioral health focused supports to consumers with significantly impaired ability to live independently, who require a higher level of care than basic care and supervision. Services also provide an opportunity for consumers to work toward recovery from their respective illnesses in a supportive residential setting that is less restrictive than a secured inpatient or long-term care facility.

MFI is a full-service nonprofit behavioral health organization that operates 24 hours a day and provides high quality treatment to adults and adolescents with substance abuse and mental health disorders and provides residential and outpatient treatment programs at their facilities throughout Southern California. MFI has the experience and capacity to operate the program efficiently and effectively.

Therefore, RUHS-BH is requesting Board approval to contract with MFI to provide Augmented Adult Residential Care services at the Franklin Facility for the period of January 1, 2025 through June 30, 2026, in the amount of $6,783,348.81, and with the option to renew for four additional one-year periods, in the amount of $6,683,877.11 annually, for a total of $33,518,857.25, through June 30, 2030.

Impact on Residents and Businesses

These services are a component of Behavioral Health's system of care aimed at improving the health and safety of consumers and the community.

Contract History and Price Reasonableness

On August 2, 2024, the Request for Proposal (RFP) #MHARC-294 for Franklin Adult Residential Care Facility (Franklin) was released via the Public Purchase website, which notified 282 organizations of the funding opportunity. The RFP was accessed and/or downloaded by 64 organizations. In addition to releasing the RFP on Public Purchase, an email notification was sent to 160 individuals on the Franklin Augmented Adult Residential Facility Bidders List provided by Behavioral Health to inform potential bidders the County was seeking proposals. On September 25, 2024, the RFP closed, and proposals were received from two organizations. The Evaluation Committee (EC) met and scored/rated the proposals independently which included risk assessments to determine each bidder's risk level. Based upon MFI's BAFO/RFC response and the results of subsequent discussion/negotiation meetings, the EC reached consensus to move forward with recommending MFI for contract award to operate the program at the Franklin Facility.

Additional Fiscal Information

To ensure the program met all necessary licensing requirements, MFI incurred start-up costs in the amount of $99,471.70 during the period of January 1, 2025, through June 30, 2025, while the facility's official license remained pending. The contract maximum for FY 25/26 through FY 29/30 will be $6,683,877.11 annually. There are sufficient appropriations in the Department's FY 25/26 budget. No additional County funds are required.

Final reimbursement to CONTRACTOR by COUNTY shall not be made until audit results are known and all accounts are reconciled. Revenue collected by CONTRACTOR during this period for services provided under the terms of this Agreement will be regarded as revenue received and deducted as such from the final reimbursement claim.

F. Any audit disallowance adjustments may be paid in full upon demand or withheld at the discretion of the DIRECTOR against amounts due under this Agreement or previous year's Agreement(s).

G. Notwithstanding the foregoing, the COUNTY reserves the right, at any time and without a thirty (30) day written notice, to disallow or withhold CONTRACTOR funding if and when required for material non-compliance as it pertains to any provision of this Agreement.

1. CONTRACTOR and COUNTY may mutually agree to review cost information for the purpose of rate adjustment(s), notwithstanding the other requirements outlined herein. Rate adjustments are subject to COUNTY review and approval as well as COUNTY maximum rate limits and availability of funds.

    a. CONTRACTOR must notify the COUNTY in writing, no later than March 30th before the close of the fiscal year (June 30th). Formal notification should include written justification and detailed financial analysis. The request must be addressed to the RUHS-BH Director and sent to the Cost Report and Program Support email inboxes. (CostReport@ruhealth.org; BHProgramSupport@ruhealth.org)

    b. Upon receipt of notification, COUNTY will have 45 days to review and notify CONTRACTOR if rate adjustment review request is approved or denied. If approved, CONTRACTOR shall complete Section K. If denied, CONTRACTOR may resubmit justification for further review.

K. COST RECONCILIATION:

If required per Section E., or in accordance with Section J., for each fiscal year, or portion thereof, that this Agreement is in effect, CONTRACTOR shall provide to COUNTY, per each County Reporting Unit, annual cost reconciliation with an accompanying financial statement and applicable supporting documentation to reconcile to cost within Forty-five (45) calendar days.

1. Cost reconciliation documents shall detail the actual cost of services provided. The cost reconciliation shall be provided in the format and on forms provided by the COUNTY.

2. CONTRACTOR shall follow all applicable Federal, State and local regulations and guidelines to formulate proper cost reconciliation documents, including but not limited to OMB-circular A-122 and OMB-circular A-87.

3. Any CONTRACTOR that mutually agrees with the COUNTY or that is required to reconcile cost must send one representative to the COUNTY'S annual cost reconciliation training that covers the preparation of the year-end cost reconciliation documents. The COUNTY will notify CONTRACTOR of the date(s) and time(s) of the training. Annual attendance at the training is mandatory in order to ensure that cost reconciliation documents are completed appropriately. Failure to attend this training will result in delay of any reimbursements to the CONTRACTOR.

4. CONTRACTOR will be notified in writing by COUNTY, if the cost reconciliation documents have not been received within the specified length of time. Future monthly reimbursements will be withheld if the cost reconciliation documents contain errors that are not corrected within ten (10) calendar days of written or verbal notification from the COUNTY. Failure to meet any pre-approved deadlines or extensions will immediately result in the withholding of future monthly reimbursements.

5. The cost reconciliation shall serve as the basis for year-end settlement to CONTRACTOR including a reconciliation and adjustment of all payments made to CONTRACTOR and all revenue received by CONTRACTOR. Any payments made in excess of the cost reconciliation shall be repaid upon demand or will be deducted from the next payment to CONTRACTOR.

6. All current and future payments to CONTRACTOR will be withheld by the COUNTY until all final, current and prior year cost reconciliation(s) have been reconciled, settled and signed by CONTRACTOR, and received and approved by the COUNTY.

7. CONTRACTOR shall report Actual Costs separately, if deemed applicable and as per CONTRACTOR'S Schedule I, to provide Agreement Member Ancillary Services, Prescriptions, Health Maintenance Costs, and Flexible funding costs under this Agreement on the annual cost reconciliation. Where deemed applicable, Actual Costs for Indirect Administrative Expenses shall not exceed the percentage of cost as submitted in the CONTRACT Request for Proposal or Cost Proposal(s).

L. BANKRUPTCY:

Within five (5) calendar days of filing for bankruptcy, CONTRACTOR shall notify COUNTY'S Behavioral Health's Fiscal Services Unit, in writing by certified letter with a courtesy copy to the Behavioral Health's Program Support Unit. The CONTRACTOR shall submit properly prepared cost reconciliation documents in accordance with requirements and deadlines set forth herein before final payment is made.

M. AUDITS:

1. CONTRACTOR agrees that any duly authorized representative of the Federal Government, the State or COUNTY shall have the right to audit, inspect, excerpt,

copy or transcribe any pertinent records and documentation relating to this Agreement or previous Agreements in previous years.

2. If this Agreement is terminated in accordance with Section XLII. TERMINATION PROVISIONS, the COUNTY, Federal and/or State governments may conduct a final audit of the CONTRACTOR. Final reimbursement to CONTRACTOR by COUNTY shall not be made until all audit results are known and all accounts are reconciled. Revenue collected by CONTRACTOR during this period for services provided under the terms of this Agreement will be regarded as revenue received and deducted as such from the final reimbursement claim.

3. Any audit exception resulting from an audit conducted by any duly authorized representative of the Federal Government, the State or COUNTY shall be the sole responsibility of the CONTRACTOR. Any audit disallowance adjustments shall be paid in full upon demand or withheld at the discretion of the Director of Behavioral Health against amounts due under this Agreement or Agreement(s) in subsequent years.

4. The COUNTY will conduct Program Monitoring Review and/or Contract Monitoring Team Review (CMT). Upon completion of monitoring, CONTRACTOR will be mailed a report summarizing the results of the site visit. If and when necessary, a corrective Action Plan will be submitted by CONTRACTOR within thirty (30) calendar days of receipt of the report. CONTRACTOR'S failure to respond within thirty (30) calendar days will result in withholding of all payment until the corrective plan of action is received. CONTRACTOR'S response shall identify time frames for implementing the corrective action. Failure to provide adequate response or documentation for this or subsequent year's Agreements may result in Agreement payment withholding and/or a disallowance to be paid in full upon demand.

N. TRAINING:

CONTRACTOR understands that as the COUNTY implements its current MIS to comply with Federal, State and/or local funding and service delivery requirements, CONTRACTOR will, therefore, be responsible for sending at least one representative to receive all applicable COUNTY training associated with, but not limited to, applicable service data entry, member registration, billing and invoicing (batching), and learning how to appropriately and successfully utilize and/or operate the current and/or upgraded MIS as specified for use by the COUNTY under this Agreement. The COUNTY will notify the CONTRACTOR when such training is required and available.

O. FURNISHINGS AND EQUIPMENT

1. OWNERSHIP:
   If equipment and furnishings were previously purchased through this Agreement, CONTRACTOR acknowledges that these items are the property of COUNTY. Procedures provided by COUNTY for the acquisition, inventory, control and disposition of the equipment and the acquisition and payment for maintenance services to such equipment (e.g. office machine repair) are to be followed.

2. INVENTORY:
   CONTRACTOR shall maintain an internal inventory control system that will provide accountability for equipment and furnishings purchased through this Agreement, regardless of cost. The inventory control system shall record at a minimum the

following information when property is acquired: date acquired; property description (to include model number); property identification number (serial number); cost or other basis of valuation; funding source; and rate of depreciation or depreciation schedule, if applicable. An updated inventory list shall be provided to COUNTY on a semi-annual basis and filed with the annual cost reconciliation. Once COUNTY is in receipt of this list, COUNTY inventory tags will be issued to CONTRACTOR, and are to be attached to the item as directed.

3. DISPOSAL:
Approval must be obtained from COUNTY prior to the disposal of any property purchased with funds from this Agreement, regardless of the acquisition value. Disposal (which includes sale, trade-in, discard, or transfer to another agency or program) shall not occur until approval is received in writing from COUNTY.

4. CAPITAL ASSETS:
   a. Capital assets are tangible or intangible assets exceeding $5,000 that benefit an agency more than a single fiscal year. For capital assets approved for purchase by COUNTY, allowable and non-allowable cost information and depreciation requirements can be found in the Center for Medicare and Medicaid Services (CMS) Publication 15, Provider Reimbursement Manual (PRM) Parts I & II. It is CONTRACTOR'S responsibility to ensure compliance with these requirements.
   b. Any capital asset that was acquired or improved in whole or in part with funds disbursed under this Agreement, or under any previous Agreement between COUNTY and CONTRACTOR, shall either be, at the election of COUNTY as determined by the Director or designee: (1) transferred to COUNTY including all title and legal ownership rights; or (2) disposed of and proceeds paid to COUNTY in a manner that results in COUNTY being reimbursed in the amount of the current fair market value of the real or personal property less any portion of the current value attributable to CONTRACTOR's out of pocket expenditures using non-county funds for acquisition of, or improvement to, such real or personal property and less any direct and reasonable costs of disposition.
