**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

**Summary**

The California Department of Public Health, Sexually Transmitted Disease Control Branch (CDPH-STDCB) has identified an increase in the number of infants born with Congenital Syphilis. Between 2012 and 2018, there was a 40% increase in Congenital Syphilis cases nationwide with 25% of those cases within California. In 2021, CDPH-STDCB awarded Riverside University Health System- Public Health (RUHS-PH) funds through Grant Agreement No. 20-10721 to provide Congenital Syphilis services for the performance period of January 1, 2021, through December 31, 2023. In 2024, Grant Agreement Amendment No. 20-10721 A-1 extended RUHS-PH’s current congenital syphilis services and reduced gaps in care.

Grant Agreement No. 20-10721 A-2 would maintain Congenital Syphilis services to county clients such as case management for pregnant people with Syphilis, providing education to priority prenatal care providers, and reducing the number of infants born with Congenital

Syphilis. The grant amendment extends the current agreement end date from January 31, 2026 to February 28, 2026 and provides an additional \$30,000 in grant funds to be used within performance period July 1, 2025 to February 28, 2026.

**Impact on Residents and Businesses**

Acceptance of this Standard Agreement Amendment will allow RUHS-PH to continue providing crucial Congenital Syphilis services to residents of Riverside County. Approval of the agreement will allow the HIV/STD Branch to conduct internal morbidity and mortality reviews to identify and engage with high priority populations (pregnant people at high risk of delivering babies with congenital syphilis). Utilizing an evidence-based public health approach in collaboration with maternal child and adolescent health (MCAH) the HIV/STD Branch will conduct robust case management for pregnant people with Syphilis, infants exposed to and/or infected with Syphilis. High priority prenatal clinics and birthing hospitals will be identified through internal Congenital Syphilis case review and will dictate where engagement/awareness efforts are conducted. All of these activities will result in preventing Congenital Syphilis in Riverside County.

**Additional Fiscal Information**

RUHS-PH has previously received funds from CDPH-STDCB in Agreement 20-10721 for Congenital Syphilis services for performance period January 31, 2021, to December 31, 2023, in the amount of \$240,000. In 2024, RUHS-PH received Agreement 20-10721 A1 amendment to extend the performance period by an additional two years in the amount of \$160,000.

Grant Agreement 20-10721, A-2 additional allocation to be received is \$30,000 for the performance period July 31, 2025 through February 28, 2026 for a total grant amount of \$430,000.

## NOTIFICATION LETTER

DATE: SEPTEMBER 15, 2025

TO: CONGENITAL SYPHILIS PREVENTION GRANTEES

SUBJECT: SECOND EXTENSION OF CONGENITAL SYPHILIS PREVENTION FUNDING

The California Department of Public Health (CDPH), Sexually Transmitted Disease Control Branch (STD CB), is pleased to announce that additional funding is available for recipients of the Congenital Syphilis Prevention (CSP) grant. In addition, a second extension has been granted to allow more time to fully utilize the funds.

### Use of CSP Grant Funds

The additional funding must be used to support ongoing CSP and related control activities. As a reminder, the scope of the grant activities has been revised to provide greater flexibility in how funds may be utilized. A copy of the revised grant activities document is attached for reference.

This additional funding is made possible through a cooperative agreement from the Centers for Disease Control and Prevention (CDC). Key details of the federal award are provided below, and a copy of the notice is also attached.

- **Federal Grant Award Name:** Strengthening STD Prevention and Control for Health Departments (PCHD)
- **Federal Grant Award Number:** NH25PS005127
- **Assistance Listing Number (CFDA) Number:** 93.977

Due to the funding increase and extended timeline, it is necessary to amend existing CSP grant agreements. These amendments will:

- Extend the grant agreement end date from January 31, 2026 to February 28, 2026
- Add additional funding

With this amendment, the grant term date will have an effective period of January 1, 2021 through February 28, 2026. Please note that the newly awarded funds must be expended during the period of July 1, 2025 through February 28, 2026.

Below is an updated funding chart reflecting the amended grant award amounts.

<b>Total Funding:</b>		<b>\$5,620,000</b>	<b>\$530,000</b>	<b>\$6,150,000</b>

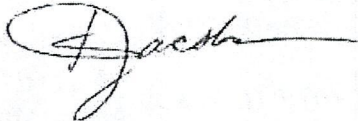

CDPH has initiated the amendment process. **In an effort to expedite the approval process, we request that the following items be submitted no later than Monday, September 22, 2025, via email to [STDLHJContracts@cdph.ca.gov](mailto:STDLHJContracts@cdph.ca.gov) with a cc to [Christine.Johnson@cdph.ca.gov](mailto:Christine.Johnson@cdph.ca.gov). Please note that no funds are secured until the amendment is fully executed.**

- **Updated LHJ Program Contact Information**
- **Revised Budget Narratives** for the period July 1, 2025 – February 28, 2026, which should include both the remaining unspent funds and the additional funding amounts as outlined in the chart above.

Please note: Budget revisions for this performance period must be submitted by **Friday, October 3, 2025**, to allow time for review and approval.

If you have any questions, please feel free to contact Christine Johnson by e-mail at [Christine.Johnson@cdph.ca.gov](mailto:Christine.Johnson@cdph.ca.gov).

Scope of Work

**1. Service Overview**

The Grantee will implement evidence-based public health activities to proactively address the rise in congenital syphilis (CS) cases within the local health jurisdiction.

Key strategic targets for CS prevention and control include: robust case management for pregnant people with syphilis and CS cases; conducting Morbidity and Mortality Reviews of CS cases to identify missed opportunities for prevention; collaborating with CDPH program staff on a quality improvement project aimed at improving health department syphilis processes; partnering with correctional facilities to implement syphilis screening in jails; and providing education to priority prenatal care providers and birthing hospitals to enhance screening and treatment practices.

Effective January 1, 2023, the Scope of Work (aka grant activities) has been revised to expand syphilis and STI screening and prevention services in local emergency departments and jail settings as well as new optional activities for the Grantee to implement using this funding. These four new optional activities include: providing syphilis testing and prevention with integrated testing for HIV, HCV, chlamydia, gonorrhea, and mpox vaccination; providing incentives to clients to encourage testing, treatment, and follow-up appointments; implementing a social marketing campaign; and to propose an innovative and impactful activity to increase client testing or prenatal services for at risk populations.

**2. Service Location**

The services shall be performed at applicable facilities within the local health jurisdiction.

**3. Service Hours**

The services shall be primarily provided Monday through Friday, from 8:00 a.m. to 5:00 p.m. and include evenings, weekends, and holidays as needed.

**4. Services to be Performed**

Budget Detail and Payment Provisions

**1. Invoicing and Payment**

- A. Upon completion of project activities as provided in Exhibit A, and upon receipt and approval of the invoices, the State agrees to reimburse the Grantee for activities performed and expenditures incurred in accordance with the total amount of this agreement.
- B. Invoices shall include the Grant Number and shall be submitted electronically not more frequently than quarterly in arrears to [STDLHJInvoices@cdph.ca.gov](mailto:STDLHJInvoices@cdph.ca.gov).

Alternate submittal method is to e-mail invoices to the CDPH Grant manager identified in the CDPH 1229 Grant Agreement.

C. Invoices shall:

- 1) Be prepared on the electronic invoice template provided by CDPH and must be signed by an authorized official, employee or agent certifying that the expenditures claimed represent activities performed and are in accordance with Exhibit A.
  - 2) Bear the Grantee's name as shown on the Grant.
  - 3) Identify the billing and/or performance period covered by the invoice.
  - 4) Itemize costs for the billing period in the same or greater level of detail as indicated in this Grant. Subject to the terms of this Grant, reimbursement may only be sought for those costs and/or cost categories expressly identified as allowable and approved by CDPH.
- D. Invoices must be submitted no more than forty-five (45) calendar days after the end of each quarter unless a later or alternate deadline is agreed to in writing by the program Grant Manager.
  - E. Amount awarded under this Grant is identified in the CDPH 1229A Grant Agreement.

**2. Budget Contingency Clause**

- A. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to fulfill any provisions of this Agreement.
- B. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the State shall have the option to either cancel this Agreement with no liability occurring to the State or offer an agreement amendment to Grantee to reflect the reduced amount.

**Exhibit B**  
Budget Detail and Payment Provisions

**3. Prompt Payment Clause**

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

**4. Timely Submission of Final Invoice**

- A. A final undisputed invoice shall be submitted for payment no more than forty-five (45) calendar days following the expiration or termination date of this Grant, unless a later or alternate deadline is agreed to in writing by the program grant manager. Said invoice should be clearly marked "Final Invoice", indicating that all payment obligations of the State under this Grant have ceased and that no further payments are due or outstanding.
- B. The State may, at its discretion, choose not to honor any delinquent final invoice if the Grantee fails to obtain prior written State approval of an alternate final invoice submission deadline.

**5. Travel and Per Diem Reimbursement**

- A. Any reimbursement for necessary travel and per diem shall, unless otherwise specified in this Agreement, be at the rates currently in effect, as established by the California Department of Human Resources (Cal HR). If the Cal HR rates change during the term of the Agreement, the new rates shall apply upon their effective date and no amendment to this Agreement shall be necessary. No travel outside the State of California shall be reimbursed without prior authorization from the CDPH. Verbal authorization should be confirmed in writing. Written authorization may be in a form including fax or email confirmation.

**6. Use of Funds / Supplanting**

These funds shall be used to supplement and enhance existing local STI program activities and services and shall not supplant local funding. These funds shall not replace existing services and activities, prevent the addition of new services and activities, and shall not be used to duplicate reimbursement of costs and services received from local funds or other sources. Supplanting of funds is defined (for the purposes of this agreement) as using local assistance award monies to "replace" or "take the place of" existing local funding. For example, reductions in local funds cannot be offset by the use of any dollars for the same purpose.

**7. Proper Use of Funds**

- A. The funds for this grant agreement may be used for:
  - 1) Local health jurisdiction staff and other relevant staff (listed in the budget as in-kind support) to support STI prevention and control activities.

**Exhibit B**  
Budget Detail and Payment Provisions

- 2) Out-of-state travel to conferences and meetings. Travel costs may include travel and per diem for funded staff to attend conferences, or other national forums as relevant. Prior written approval for out-of-state travel must be obtained from STDCB and shall not exceed five (5) percent of the total annual budget of this grant agreement.
  - 3) In-state travel to support local capacity building. This includes training course fees, travel, and per diem to support enhancement of knowledge, skills, and abilities of Disease Intervention Workforce (e.g., Principles, Practices, and Pathways to Disease Intervention (3PDI), Phlebotomy, Cultural Humility), or other staff essential to STI prevention and control.
  - 4) STI test kits and other testing supplies.
  - 5) STI treatment (i.e., Cefixime, Azithromycin, Bicillin, Ceftriaxone, Doxycycline, Doxy-PEP).
  - 6) STD prevention supplies (e.g., male and female condoms, lubricant, oral barriers, etc.)
  - 7) Provider education materials.
  - 8) Client education materials.
- B. The funds for this grant agreement may be used for the following items, with supportive justification, tracking, and reporting of outcomes:
- 1) Incentives such as low value gift cards (e.g., Walmart, Safeway, transportation vouchers), and/or other STI-related incentives.
    - a. Client incentives, such as low value gift cards, may be approved as Behavioral Modification Materials (BMM). BMMs are provided to program participants to motivate and/or reinforce positive behavior and/or involvement in STI control and prevention activities. The value of the incentive is limited to \$50.00 of merchandise per person per intervention (e.g., client attendance for syphilis treatment at \$25.00 for each Bicillin injection).
    - b. Current CDPH approvals require the BMM to be justified with scientific proof of behavior change, and be accompanied by a targeted distribution plan, incentive tracking log, and reporting of incentive distribution.
    - c. Incentives cannot be used for the purchase of alcohol, tobacco, firearms, lottery tickets or drug or cannabis products.
    - d. There is no prepayment for incentives. The Grantee will only be reimbursed for the total cost of incentives distributed during each quarter.
    - e. The use of incentives must comply with the provisions in Exhibit H, STD Local Assistance Funds – Standards and General Terms and Conditions.
  - 2) The Grantee is responsible for the possession, security (e.g., will keep the BMMs in a secure location), and accountability of the BMMs. The Grantee will prepare a log sheet that will track and identify each of the BMMs, value, transfer date, and recipient. CDPH reserves the right to conduct audit of such log sheet on a once per year basis and agrees to provide prior notification to the Grantee within a reasonable time frame for the scheduling of said audit.
- C. The funds for this grant agreement cannot be used for:

Budget Detail and Payment Provisions

- 1) Stuff We All Get (SWAG) - The purchase of free promotional items for health promotion events including but not limited to pens, mugs, t-shirts, posters, key chains, or bumper stickers. This provision is in accordance with the California State Constitution, Article 16, section 6, which prohibits any gifting of public funds.
- 2) Individual prizes or high value incentives (e.g., iPads, iPhones) for health promotion competitions.
- 3) Cash incentives paid to an individual.
- 4) Scholarships paid to an individual or a school on behalf of an individual.
- 5) Food (e.g., sponsored lunch or dinner at provider education sessions, brown bag lunches, buffets at screening events).
- 6) Construction, renovation, improvement, or repair of property.
- 7) The purchase, lease, or other support of county vehicles or mobile testing units.
