Re: Written testimony in regards to Agenda Item(s): 2.1, 2.2, 2.3, 2.4, & 2.5
(Warm Springs Community Advisory Council appointments) currently located within Riverside County Supervisory District No. Two

Dear current BoS members,

Please review my written statement(s) listed below prior to the consideration of each agenda item as listed.

It's highly recommended to openly publicize (verbal announcement) of the intention of Riverside County secondary supervisory District (Spiegel's) method (how many local community members "really" desire to establish another governmental body).

Outlining who and how many community members "really" approached the County with a desire to expand their local authority would help accommodate how other communities can purchase influence with Riverside County officials (potentially accommodate a political driven avenue for supervisors to control local community involvement).

Please consider transparency while dictating the construction of governing bodies that potentially will favor a unique and unusual political loyalty to their benefactor/sponsor(s).

Please refrain from any reprisal actions against my private property or person for reporting this true and accurate summary of concerns and opinions.

Sincerely,

Brad Anderson | 37043 Ferber Dr. Rancho Mirage, CA. 92270
