

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

**ITEM: 3.41
(ID # 29893)**

MEETING DATE:
Tuesday, March 24, 2026

FROM : TLMA-TRANSPORTATION

SUBJECT: TRANSPORTATION AND LAND MANAGEMENT AGENCY/TRANSPORTATION:
Approval of the Plans and Specifications and Authorization to Advertise for Bid for the Construction of Trash Capture Device Installation Project in various locations in the County of Riverside. CEQA Exempt per State CEQA Guidelines Section 15301. All Districts. [\$1,649,000 - Total Cost, Local Funds 100%] (Clerk to Advertise)

RECOMMENDED MOTION: That the Board of Supervisors:

1. Find that the Trash Capture Device Installation project in various locations throughout the Santa Margarita, Santa Ana, and Whitewater Watersheds in the County of Riverside is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15301 (c) - Existing Facilities;
2. Approve the plans and specifications for the construction of the Trash Capture Device Installation Project throughout the Santa Margarita, Santa Ana, and Whitewater Watersheds in the County of Riverside;
3. Authorize the Clerk of the Board to advertise for bids to be received by the office of the Director of Transportation and Land Management at the Transportation Annex located at 3525 14th Street, Riverside, CA 92501. All bids must be received up to the hour of 2:00 p.m., Wednesday, April 15, 2026, at which time bids will be opened; and
4. Direct the Clerk of the Board of Supervisors to file the Notice of Exemption with the County Clerk and State Clearinghouse for posting within five (5) working days.

ACTION:Policy

Dennis Acuna, Director of Transportation 2/27/2026

MINUTES OF THE BOARD OF SUPERVISORS

On motion of Supervisor Gutierrez, seconded by Supervisor Washington and duly carried by unanimous vote, IT WAS ORDERED that the above matter is approved as recommended.

Ayes: Medina, Spiegel, Washington, Perez, and Gutierrez
Nays: None
Absent: None
Date: March 24, 2026

BACKGROUND:

Summary

County of Riverside Transportation Department proposes installing Full Trash Capture Devices on existing storm drain inlet facilities, located within the County of Riverside's right-of-way, in order to comply with the State-mandated Trash Provisions.

In general, this project consists of the installation of Full Trash Capture Devices (FTCD) known as Connector Pipe Screens (CPS) in various existing storm drain inlet structures located in identified significant trash generating areas of the Santa Margarita, Santa Ana, and Whitewater Watersheds within the County of Riverside jurisdiction, in order to comply with the California mandated Trash Provisions.

A FTCD - CPS consists of a metal screen assembly installed inside a catch basin in front of the entrance to a connector pipe that prevents trash from entering the storm drain system.

A total of 249 FTCD - CPS are proposed to be installed:

- 138 in the Santa Ana Watershed,
- 77 in the Whitewater Watershed, and
- 34 in the Santa Margarita Watershed.

Rainstorms wash trash into gutters and storm drains which eventually lead into streams, creeks, rivers, and the ocean. Cigarette butts, paper, fast food containers, plastic bags, cans and bottles, are just a few examples of the different types of trash produced by human activity that continue to pollute waterways. Trash is a significant pollutant to California's waterways that cause adverse effects to aquatic life, wildlife, and public health.

The Trash Provisions were adopted by the State Water Resources Control Board (State Water Board) on April 7, 2015. The Trash Provisions were approved by the California Office of Administrative Law on December 2, 2015, and approved by the U.S. Environmental Protection Agency on January 12, 2016.

These regulations were designed to eliminate trash pollution from stormwater systems statewide, protecting rivers, creeks, and coastal waters from debris that harm wildlife, clogs drainage systems, and impacts water quality.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The California Trash Provisions require public agencies to take measures to prevent trash larger than 5 millimeters (approximately 3/16-inch, which is about the size of a cigarette butt) from entering storm drains and waterways by 2030.

The bid documents include the following bid schedule of work:

Base Bid: Full Trash Capture Device – Connector Pipe Screen Installation

The Transportation Department will select the contractor based upon the lowest responsive and responsible bid.

The submitted plans and specifications have been approved as to form by County Counsel.

Project No. D6-0061

Environmental Findings

The proposed Trash Capture Device installation project is exempt from CEQA under Section 15301 (c) – Existing Facilities exemption because the project does not create additional traffic lanes and involves negligible or no expansion of existing or former use of the existing roadway and associated facilities.

Impact on Residents and Businesses

The project proposes installing trash capture devices known as connector pipe screens in existing storm water drainage inlet facilities located within the County of Riverside right-of-way to eliminate trash pollution from stormwater systems, protecting rivers, creeks, and coastal waters from debris that harm wildlife, clog drainage systems, and impact water quality.

The work is scheduled to begin in July 2026. The work will be phased to keep the roads open during construction as much as possible and will take approximately four months to complete.

SUPPLEMENTAL:

Additional Fiscal Information

The construction contract is estimated to cost approximately \$1,649,000. The trash capture device installation work will be funded with Gas Tax / HUTA local funds.

No General Funds will be used on this project.

NOTICE OF EXEMPTION

July 15, 2025

Removed: By: Deputy

PROJECT TITLE: Full Trash Capture Device Installation
Project Work Order#ZD60061C Task Code #Z1530

PROJECT SPONSOR: County of Riverside Transportation Department

PROJECT LOCATION: Throughout the County of Riverside

PROJECT DESCRIPTION: The County of Riverside proposes to install trash capture devices known as Connector Pipe Screens (CPS) on existing storm drain inlet facilities located within the County of Riverside right-of-way, in order to comply with the State mandated trash provisions. The storm drain inlet facilities are located in identified significant trash generating areas in the Santa Ana, Whitewater and Santa Margarita watershed regions of the County of Riverside. The number of trash capture devices to be installed in the Santa Ana watershed are 145, Santa Margarita watershed are 34 and Whitewater watershed are 77, for a total of 256 trash capture devices.

ENVIRONMENTAL ANALYSIS:

The proposed project will take place in the County right-of-way. Temporary construction easements will not be required for the proposed improvements.

This project is subject to compliance with the Western Riverside County Multiple Species Habitat Conservation Plan (MSHCP) and the Coachella Valley Multiple Species Habitat Conservation Plan (MSHCP). In accordance with Section 7 of the Western Riverside County MSHCP and the Coachella Valley MSHCP, necessary operation and maintenance along existing roadways are considered a covered activity outside/inside of cell criteria area/conservation areas. This project is considered to be operation and maintenance; therefore, it is a covered activity under both the Western Riverside County MSHCP and the Coachella Valley MSHCP.

If tree and/or vegetation removal takes place during the migratory bird breeding season (February 1 – September 1), a preconstruction nesting survey will be conducted pursuant to the Migratory Bird Treaty Act.

The County of Riverside Transportation Department has found that the above-described project is exempt from the provisions of the California Environmental Quality Act (CEQA), based on the following:

Section 15301 (c) – Existing Facilities – The project proposes to install trash capture devices known as Connector Pipe Screens (CPS) on existing storm water drainage inlet facilities located within the County of Riverside right-of-way in order to comply with the State mandated trash provisions. The project in its entirety is consistent with Section 15301(c) because it does not create additional traffic lanes and involves no expansion of use of the existing roadway and associated facilities.

TRANSPORTATION DEPARTMENT

FORM APPROVED COUNTY COUNSEL
BY: 
DANIELLE D. MALAND

Notice to Bidders

County of Riverside, herein called Owner, invites sealed proposals for:

**Trash Capture Device Installation
Various Locations in Riverside County
Throughout the Santa Margarita,
Santa Ana, and Whitewater Watersheds
Project No. D6-0061**

Bid shall be delivered to the County of Riverside Transportation Department, 14th Street Annex, 3525 14th Street, Riverside, California 92501, telephone (951) 955-6780 not later than 2:00 p.m., on Wednesday, **April 15, 2026**, to be promptly opened in public at said address. Each bid shall be in accordance with plans, specifications and other contract documents, dated **January 2026**, and prepared by County of Riverside, whose address is same as the above, from whom a digital set of documents (bid book and plans) may be obtained upon request, at no cost, or a printed set of bidding documents with 11" x 17" size plans may be obtained upon request for a nonrefundable fee of **\$20.00** per set, plus mailing costs. Email request of bidding documents, with company and contact information, to **Bids-Contracts@rivco.org** and reference this project (or contact the address or telephone number above).

Pursuant to Labor Code section 1771.1, any Contractor bidding, or subcontractor to be listed on a bid proposal subject to Public Contract Code section 4104, shall not be qualified to bid after March 1, 2015, unless currently registered and qualified to perform public works pursuant to Labor Code section 1725.5. No Contractor or subcontractor may be awarded a contract or perform work on any contract for public work, after April 1, 2015, without proof of current registration with the Department of Industrial Relations pursuant to Labor Code section 1725.5 to perform public works.

The County of Riverside, in accordance with Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the Department of Commerce (15 C.F.R., Part 8) and related statutes, issued pursuant to such Act, hereby notifies all bidders that minority businesses will be afforded full opportunity to submit bids, and it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color, sex, national origin, religion, age, or disability.

The Contractor is required to have a Class "A" license at the time of bid submission.

Notice to Bidders
County of Riverside, herein called Owner, invites sealed proposals for:

**Trash Capture Device Installation
Various Locations in Riverside County
Throughout the Santa Margarita,
Santa Ana, and Whitewater Watersheds**

Project No. D6-0061

Bid shall be delivered to the County of Riverside Transportation Department, 14th Street Annex, 3525 14th Street, Riverside, California 92501, telephone (951) 955-6780 not later than 2:00 p.m., on Wednesday, **April 15, 2026**, to be promptly opened in public at said address. Each bid shall be in accordance with plans, specifications and other contract documents, dated **January 2026**, and prepared by County of Riverside, whose address is same as the above, from whom a digital set of documents (bid book and plans) may be obtained upon request, at no cost, or a printed set of bidding documents with 11" x 17" size plans may be obtained upon request for a nonrefundable fee of **\$20.00** per set, plus mailing costs. Email request of bidding documents, with company and contact information, to **Bids-Contracts@rivco.org** and reference this project (or contact the address or telephone number above).

Pursuant to Labor Code section 1771.1, any Contractor bidding, or subcontractor to be listed on a bid proposal subject to Public Contract Code section 4104, shall not be qualified to bid after March 1, 2015, unless currently registered and qualified to perform public works pursuant to Labor Code section 1725.5. No Contractor or subcontractor may be awarded a contract or perform work on any contract for public work, after April 1, 2015, without proof of current registration with the Department of Industrial Relations pursuant to Labor Code section 1725.5 to perform public works.

The County of Riverside, in accordance with Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the Department of Commerce (15 C.F.R., Part 8) and related statutes, issued pursuant to such Act, hereby notifies all bidders that minority businesses will be afforded full opportunity to submit bids, and it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color, sex, national origin, religion, age, or disability.

The Contractor is required to have a Class "A" at the time of bid submission.

Engineering Estimate:
\$1,450,000 - \$1,700,000
(Base Bid Schedule)

Bid Bond 10 %

Performance Bond 100 %

Payment Bond 100 %

Working Days 80
