BACKGROUND:

Summary

By Minute Order dated December 16, 2025 (Agenda Item: 3.56), the County of Riverside Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the Re-Bid Buck Road – Warren Road Resurfacing Project, in the Communities of Rancho California and French Valley.

The County originally advertised this project on May 7, 2024, and awarded the construction contract on August 27, 2024. On October 16, 2024, the project was suspended after it was discovered that Eastern Municipal Water District (EMWD) had initiated a new sewer line installation project with limits overlapping the County's project area. Because EMWD's work requires pavement removal, and the County's project includes a roadway profile change, it was determined that proceeding concurrently was not feasible. Therefore, the County's project was suspended to allow EMWD to complete their work prior to starting construction.

The project consists of resurfacing an approximate 1.2-mile segment of Buck Road/Warren Road between the intersection of Buck Road/Rancho California Road and Warren Road/Borel Road.

Buck Road – Warren Road is a two-lane facility with a road width of 26 feet and is currently classified as mountain arterial road in the circulation element of the County of Riverside General Plan. Buck Road becomes Warren Road at the intersection with East Benton Road. The areas in the immediate vicinity include wineries and open fields.

Roadway resurfacing is needed due to the deteriorated pavement conditions. The resurfacing project consists of grinding in place (pulverize) the existing Asphalt Concrete (AC) pavement, performing moisture conditioning, mixing and recompacting grindings with existing native material, and paving the new base with Hot Mix Asphalt (HMA).

Additional improvements include construction of asphalt concrete dike, the construction of asphalt concrete driveways, the construction of runoff infiltration areas adjacent to the roadway for the removal of pollutants in stormwater, the placement of safety edge and shoulder backing

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

to protect the outside edge of pavement, safety features include placing thermoplastic pavement markings, roadside signs, and other associated work.

The Contract includes the following schedules of work:

Base Bid Schedule 1:	Buck Road – Warren Road Resurfacing Project
Alternative Bid Schedule 1:	Frontier Manhole Adjustments
Alternative Bid Schedule 2:	Eastern Municipal Water District (EMWD) Manhole Adjustments

Frontier and EMWD have accepted the bid prices proposed by Hardy & Harper, Inc. for Alternative Bid Schedule 1 and Alternative Bid Schedule 2 respectively, which combined include adjustments of a total of nine (9) manholes, and the cost for the work will be reimbursed by Frontier and EMWD through reimbursement letter Agreements that will be executed by the Director of Transportation. The Director of Transportation has the authority to sign reimbursement Agreements up to \$100,000 per Minute Order dated November 19, 2019 (Agenda Item 3.25).

The contractor, Hardy & Harper, Inc., is qualified to perform the work as outlined in the bid, has executed the Contract, and has provided bonds and insurance documents which meet the requirements of the contract documents.

Project No. D1-0063

Impact on Residents and Businesses

The purpose of this project is to replace existing deteriorated pavement with new hot mix asphalt concrete for the approximate 1.2-mile segment of Buck Road – Warren Road in the Communities of Rancho California and French Valley to provide the public with a smooth paved roadway that will improve the safety and efficiency of vehicular traffic.

The work is scheduled to begin in late spring 2026. The work will be phased to keep the road open during construction as much as possible and will take approximately two months to complete.

SUPPLEMENTAL:

Additional Fiscal Information

Construction is expected to be completed in Fiscal Year 2026/2027 and will be funded with Gas Tax/SB-1, Frontier, and Eastern Municipal Water District funds.

There are no General Funds used in this project.

Contract History and Price Reasonableness

bid. The low bidder, Hardy & Harper, Inc., submitted the lowest responsive and responsible bid in the amount of \$1,371,910 which is \$429,071 (23.8%) below the engineer's cost estimate.

The Transportation Department recommends the award of the contract to Hardy & Harper, Inc. in the amount of \$1,371,910.

A. Paragraphs **2** and **3** of the **Cancellation** Common Policy Condition are replaced by the following:

2. All Policies In Effect For 60 Days Or Less

If this policy has been in effect for 60 days or less, and is not a renewal of a policy we have previously issued, we may cancel this policy by mailing or delivering to the first Named Insured, at the mailing address shown in the policy, and to the producer of record, advance written notice of cancellation, stating the reason for cancellation, at least:

a. 10 days before the effective date of cancellation if we cancel for:

- (1)** Nonpayment of premium; or
- (2)** Discovery of fraud by:
 - (a)** Any insured or his or her representative in obtaining this insurance; or
 - (b)** You or your representative in pursuing a claim under this policy.

b. 30 days before the effective date of cancellation if we cancel for any other reason.

3. All Policies In Effect For More Than 60 Days

a. If this policy has been in effect for more than 60 days, or is a renewal of a policy we issued, we may cancel this policy only upon the occurrence, after the effective date of the policy, of one or more of the following:

- (1)** Nonpayment of premium, including payment due on a prior policy we issued and due during the current policy term covering the same risks.
- (2)** Discovery of fraud or material misrepresentation by:
 - (a)** Any insured or his or her representative in obtaining this insurance; or
 - (b)** You or your representative in pursuing a claim under this policy.
- (3)** A judgment by a court or an administrative tribunal that you have violated a California or Federal law, having as one of its necessary elements an act which materially increases any of the risks insured against.

- (4) Discovery of willful or grossly negligent acts or omissions, or of any violations of state laws or regulations establishing safety standards, by you or your representative, which materially increase any of the risks insured against.
 - (5) Failure by you or your representative to implement reasonable loss control requirements, agreed to by you as a condition of policy issuance, or which were conditions precedent to our use of a particular rate or rating plan, if that failure materially increases any of the risks insured against.
 - (6) A determination by the Commissioner of Insurance that the:
 - (a) Loss of, or changes in, our reinsurance covering all or part of the risk would threaten our financial integrity or solvency; or
 - (b) Continuation of the policy coverage would:
 - (i) Place us in violation of California law or the laws of the state where we are domiciled; or
 - (ii) Threaten our solvency.
 - (7) A change by you or your representative in the activities or property of the commercial or industrial enterprise, which results in a materially added, increased or changed risk, unless the added, increased or changed risk is included in the policy.
- b. We will mail or deliver advance written notice of cancellation, stating the reason for cancellation, to the first Named Insured, at the mailing address shown in the policy, and to the producer of record, at least:
- (1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium or discovery of fraud; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason listed in Paragraph 3.a.

B. The following provision is added to the **Cancellation** Common Policy Condition:

7. Residential Property

This provision applies to coverage on real property which is used predominantly for residential purposes and consisting of not more than four dwelling units, and to coverage on tenants' household personal property in a residential unit, if such coverage is written under one of the following:

Commercial Property Coverage Part

Farm Coverage Part – Farm Property – Farm Dwellings, Appurtenant Structures And Household Personal Property Coverage Form

- a. If such coverage has been in effect for 60 days or less, and is not a renewal of coverage we previously issued, we may cancel this coverage for any reason, except as provided in b. and c. below.
- b. We may not cancel this policy solely because the first Named Insured has:
 - (1) Accepted an offer of earthquake coverage; or
 - (2) Cancelled or did not renew a policy issued by the California Earthquake Authority (CEA) that included an earthquake policy premium surcharge.

However, we shall cancel this policy if the first Named Insured has accepted a new or renewal policy issued by the CEA that includes an earthquake policy premium surcharge but fails to pay the earthquake policy premium surcharge authorized by the CEA.

- c. We may not cancel such coverage solely because corrosive soil conditions exist on the premises. This restriction (c.) applies only if coverage is subject to one of the following, which exclude loss or damage caused by or resulting from corrosive soil conditions:
 - (1) Commercial Property Coverage Part – Causes Of Loss – Special Form; or
 - (2) Farm Coverage Part – Causes Of Loss Form – Farm Property, Paragraph D. Covered Causes Of Loss – Special.

d. If a state of emergency under California Law is declared and the residential property is located in any ZIP Code within or adjacent to the fire perimeter, as determined by California Law, we may not cancel this policy for one year, beginning from the date the state of emergency is declared, solely because the dwelling or other structure is located in an area in which a wildfire has occurred. However, we may cancel:

- (1) When you have not paid the premium, at any time by letting you know at least 10 days before the date cancellation takes effect;
- (2) If willful or grossly negligent acts or omissions by the Named Insured, or his or her representatives, are discovered that materially increase any of the risks insured against; or
- (3) If there are physical changes in the property insured against, beyond the catastrophe-damaged condition of the structures and surface landscape, which result in the property becoming uninsurable.

C. The following is added and supersedes any provisions to the contrary:

Nonrenewal

1. Subject to the provisions of Paragraphs C.2 and C.3. below, if we elect not to renew this policy, we will mail or deliver written notice, stating the reason for nonrenewal, to the first Named Insured shown in the Declarations, and to the producer of record, at least 60 days, but not more than 120 days, before the expiration or anniversary date.

We will mail or deliver our notice to the first Named Insured, and to the producer of record, at the mailing address shown in the policy.

2. Residential Property

This provision applies to coverage on real property used predominantly for residential purposes and consisting of not more than four dwelling units, and to coverage on tenants' household property contained in a residential unit, if such coverage is written under one of the following:

Commercial Property Coverage Part

Farm Coverage Part – Farm Property – Farm Dwellings, Appurtenant Structures And Household Personal Property Coverage Form

a. If this policy provides coverage as described in the preceding paragraph, and we elect not to renew this policy, we will mail or deliver written notice, stating the reason for nonrenewal, to the first Named Insured shown in the Declarations, and to the producer of record, at the mailing address shown in the policy, at least 75 days, but not more than 120 days, before the expiration or anniversary date.

If we fail to give the first Named Insured shown in the Declarations notice of nonrenewal at least 75 days prior to the policy expiration, as required in the paragraph above, this policy, with no change in its terms and conditions, shall remain in effect for 75 days from the date that the notice of nonrenewal is delivered or mailed to the Named Insured. A notice to this effect shall be provided by us to the first Named Insured with the notice of nonrenewal.

b. We may elect not to renew such coverage for any reason, except as provided in Paragraphs c., d. and e. below.

c. We will not refuse to renew such coverage solely because the first Named Insured has accepted an offer of earthquake coverage.

However, the following applies only to insurers who are associate participating insurers as established by Cal. Ins. Code Section 10089.16. We may elect not to renew such coverage after the first Named Insured has accepted an offer of earthquake coverage, if one or more of the following reasons applies:

- (1) The nonrenewal is based on sound underwriting principles that relate to the coverages provided by this policy and that are consistent with the approved rating plan and related documents filed with the Department of Insurance as required by existing law;

(2) The Commissioner of Insurance finds that the exposure to potential losses will threaten our solvency or place us in a hazardous condition. A hazardous condition includes, but is not limited to, a condition in which we make claims payments for losses resulting from an earthquake that occurred within the preceding two years and that required a reduction in policyholder surplus of at least 25% for payment of those claims; or

(3) We have:

(a) Lost or experienced a substantial reduction in the availability or scope of reinsurance coverage; or

(b) Experienced a substantial increase in the premium charged for reinsurance coverage of our residential property insurance policies; and

the Commissioner has approved a plan for the nonrenewals that is fair and equitable, and that is responsive to the changes in our reinsurance position.

d. We will not refuse to renew such coverage solely because the first Named Insured has cancelled or did not renew a policy, issued by the California Earthquake Authority, that included an earthquake policy premium surcharge.

e. We will not refuse to renew such coverage solely because corrosive soil conditions exist on the premises. This restriction (e.) applies only if coverage is subject to one of the following, which exclude loss or damage caused by or resulting from corrosive soil conditions:

(1) Commercial Property Coverage Part – Causes Of Loss – Special Form; or

(2) Farm Coverage Part – Causes Of Loss Form – Farm Property, Paragraph D. Covered Causes Of Loss – Special.

f. If a state of emergency under California Law is declared and the residential property is located in any ZIP Code within or adjacent to the fire perimeter, as determined by California Law, we may not nonrenew this policy for one year, beginning from the date the state of emergency is declared, solely because the dwelling or other structure is located in an area in which a wildfire has occurred.

However, we may nonrenew:

(1) If willful or grossly negligent acts or omissions by the Named Insured, or his or her representatives, are discovered that materially increase any of the risks insured against;

(2) If losses unrelated to the postdisaster loss condition of the property have occurred that would collectively render the risk ineligible for renewal; or

(3) If there are physical changes in the property insured against, beyond the catastrophe-damaged condition of the structures and surface landscape, which result in the property becoming uninsurable.

3. We are not required to send notice of nonrenewal in the following situations:

a. If the transfer or renewal of a policy, without any changes in terms, conditions or rates, is between us and a member of our insurance group.

b. If the policy has been extended for 90 days or less, provided that notice has been given in accordance with Paragraph C.1.

c. If you have obtained replacement coverage, or if the first Named Insured has agreed, in writing, within 60 days of the termination of the policy, to obtain that coverage.

d. If the policy is for a period of no more than 60 days and you are notified at the time of issuance that it will not be renewed.

e. If the first Named Insured requests a change in the terms or conditions or risks covered by the policy within 60 days of the end of the policy period.

f. If we have made a written offer to the first Named Insured, in accordance with the timeframes shown in Paragraph C.1., to renew the policy under changed terms or conditions or at an increased premium rate, when the increase exceeds 25%.

EXCESS LIABILITY POLICY

There are provisions in this policy that restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Words and phrases in quotation marks have special meaning and can be found in the **Definitions** Section or the specific policy provision where they appear.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations we agree with you to provide coverage as follows:

INSURING AGREEMENTS

I. COVERAGE

We will pay on behalf of the Insured "loss" in excess of the Underlying Limits of Insurance shown in Item 5. of the Declarations, but only up to an amount not exceeding the Company's Limits of Insurance as shown in Item 4. of the Declarations. Except for the terms, conditions, definitions and exclusions of this policy, the coverage provided by this policy will follow the First Underlying Insurance Policy, as shown in Item 5. of the Declarations.

The inclusion or addition hereunder of more than one Insured shall not operate to increase the Company's Limits of Insurance beyond that set forth in Item 4. of the Declarations.

We will be furnished a complete copy of the First Underlying Insurance Policy described in Item 5. of the Declarations.

II. LIMITS OF INSURANCE

A. The Limits of Insurance shown in the Declarations and the rules below describe the most we will pay regardless of the number of:

1. Insureds;
2. claims made or suits brought; or
3. Persons or organizations making claims or bringing suits.

B. The Limits of Insurance of this policy will apply as follows:

1. This policy applies only in excess of the Underlying Limits of Insurance shown in Item 5. of the Declarations.
2. The aggregate limit shown in Item 4. of the Declarations is the most we will pay for all "loss" that is subject to an aggregate limit provided by the First Underlying Insurance Policy. The aggregate limit applies separately and in the same manner as the aggregate limits provided by the First Underlying Insurance Policy.
3. Subject to B.2., the occurrence limit stated in Item 4. of the Declarations is the most we will pay for all "loss" arising out of any one occurrence to which this policy applies.
4. Subject to Paragraphs B.2. and B.3. above, if the underlying Limits of Insurance stated in Item 5. of the Declarations are reduced or exhausted solely by payment of "loss," such insurance provided by this policy will apply in excess of the reduced Underlying Limits or, if all Underlying Limits are exhausted, will apply as underlying insurance subject to the same terms, conditions, definitions and exclusions of the First Underlying Insurance Policy, except for the terms, conditions, definitions and exclusions of this policy.
5. The Limits of Insurance of this policy apply separately to each consecutive annual period and to any remaining pe-

riod of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

III. DEFENSE

- A. We will not be required to assume charge of the investigation of any claim or defense of any suit against you.
- B. We will have the right, but not the duty, to be associated with you or your underlying insurer or both in the investigation of any claim or defense of any suit which in our opinion may create liability on us for "loss" under this policy. If we exercise such right, we will do so at our own expense.
- C. If all Underlying Limits of Insurance stated in Item 5. of the Declarations are exhausted solely by payment of "loss," we shall have the right but not the duty to investigate and settle any claim or assume the defense of any suit which in our opinion may give rise to a "loss" under this policy. Such investigation or defense shall be at our own expense. We may, however, withdraw from the defense of such suit and tender the continued defense to you if our applicable Limits of Insurance stated in Item 4. of the Declarations are exhausted by payment of "loss."

IV. EXCLUSIONS

This policy does not apply to:

VI. CONDITIONS

A. Appeals

In the event you or any underlying insurer elects not to appeal a judgment in excess of the amount of the Underlying Insurance, we may elect to appeal at our expense. If we do so elect, we will be liable for the costs and additional interest accruing during this appeal. In no event will this provision increase our liability beyond the applicable Limits of Insurance described in Section II. of this policy.

B. Bankruptcy or Insolvency

The bankruptcy, insolvency or inability to pay of any Insured will not relieve us from our obligation to pay "loss" covered by this policy.

In the event of bankruptcy, insolvency or refusal or inability to pay, of any underlying insurer, the insurance afforded by this policy will not replace such underlying insurance, but will apply as if the underlying insurance was fully available and collectible.

C. Cancellation

1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancellation is to take effect.
2. We may cancel this policy. If we cancel because of nonpayment of premium, we must mail or deliver to you not less than ten (10) days advance written notice stating when the cancellation is to take effect. If we cancel for any other reason, we must mail or deliver to you not less than thirty (30) days advance written notice stating when the cancellation is to take effect. Mailing that notice to you at your mailing address shown in Item 1. of the Declarations will be sufficient to prove notice.

3. The policy period will end on the day and hour stated in the cancellation notice.
4. If we cancel, final premium will be calculated pro rata based on the time this policy was in force.
5. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force and increased by our short rate cancellation table and procedure.
6. Premium adjustment may be made at the time of cancellation or as soon as practicable thereafter but the cancellation will be effective even if we have not made or offered any refund due you. Our check or our representative's check, mailed or delivered, will be sufficient tender of any refund due you.
7. The first Named Insured in Item 1. of the Declarations will act on behalf of all other Insureds with respect to the giving and receiving of notice of cancellation and the receipt of any refund that may become payable under this policy.
8. Any of these provisions that conflict with a law that controls the cancellation of the insurance in this policy is changed by this statement to comply with the law.

D. Maintenance of Underlying Insurance

During the period of this policy, you agree:

1. To keep the policies listed in the Schedule of Underlying Insurance in full force and effect;
2. That the Limits of Insurance of the policies listed in the Schedule of Underlying Insurance will be maintained except for any reduction or exhaustion of aggregate limits by payment of claims or suits for "loss" covered by Underlying Insurance.

If you fail to comply with these requirements, we will only be liable to the same extent that we would have been had you fully complied with these requirements.

E. Notice of Occurrence

1. You must see to it that we are notified as soon as practicable of an occurrence which may result in a "loss" covered under this policy. To the extent possible, notice will include:
 - a. how, when and where the occurrence took place;
 - b. the names and addresses of any injured persons and witnesses;
 - c. the nature and location of any injury or damage arising out of the occurrence.
2. If a claim or suit against any Insured is reasonably likely to involve this policy you must notify us in writing as soon as practicable.
3. You and any other involved Insured must:
 - a. immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit;
 - b. authorize us to obtain records and other information;
 - c. cooperate with us in the investigation, settlement or defense of the claim or suit; and
 - d. assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the Insured because of injury or damage to which this insurance may also apply.

4. The Insureds will not, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

F. Other Insurance

If other insurance applies to a "loss" that is also covered by this policy, this policy will apply excess of the other insurance. Nothing herein will be construed to make this policy subject to the terms, conditions and limitations of such other insurance. However, this provision will not apply if the other insurance is specifically written to be excess of this policy.

Other insurance includes any type of self-insurance or other mechanism by which an Insured arranges for funding of legal liabilities.

G. Terms Conformed to Statute

When the amount of "loss" has finally been determined, we will promptly pay on behalf of the Insured the amount of "loss" covered under the terms of this policy.
