BACKGROUND:

Summary

The Cooperative Agreement ("Agreement") sets forth the terms and conditions by which certain flood control facilities required as a condition of approval for Tract Map No. 36467 are to be constructed by the Developer and inspected, operated and maintained by the District, County and Developer.

The Agreement is necessary to formalize the transfer of necessary rights of way and to provide for District inspection and subsequent operation and maintenance of the Menifee Valley – Leon Road Storm Drain, Stage 2, Menifee Valley – Holland Road Storm Drain, Stage 1 and Menifee Valley – Eucalyptus Road Storm Drain, Stage 2 facilities ("Project").

Upon completion of the Project, the District will ultimately assume ownership, operation and maintenance of the mainline storm drain system greater than 36 inches in diameter, its associated forebay structure, transition/junction structures, concrete pads, slope protection barriers, signage and fencing. However, the Developer will assume ownership, operation and maintenance of the Project in the interim until such time as the District assumes ownership, operation and maintenance in accordance with the terms and conditions as set forth in the Agreement.

The County will assume ownership, operation and maintenance of (i) approximately 70 lineal feet of 6"W x 4'H reinforced concrete box, including its associated transition, junction and basin discharge structures, (ii) concrete drop inlet structures, energy dissipater and apron and (iii) various catch basins, curb and gutters, connector pipes and lateral storm drains 36 inches and less in diameter within County-held easements or rights of way.

**SUBMITTAL TO THE FLOOD CONTROL AND WATER CONSERVATION DISTRICT BOARD
OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

The Developer will also retain ownership and responsibility for a certain concrete drop inlet structure and a lateral storm drain that is 36 inches or less in diameter located within privately held rights of way or easements.

County Counsel has approved the Agreement as to legal form, and the Developer has executed the Agreement. A companion item appears on the Riverside County Transportation Department's agenda on this same date.

Environmental Findings

The Agreement is exempt from CEQA pursuant to CEQA Guidelines Section 15061(b)(3) ("Common Sense" exemption), which provides, "The activity is covered by the common-sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA." The Agreement does not authorize actual physical development of the underlying property to any extent whatsoever. The Agreement merely establishes the terms and conditions under which the District will accept future operation and maintenance responsibilities of the facilities identified in the Agreement if and when they are constructed. Such development, if it occurs at all, is subject to separate CEQA review by the lead agency with land use authority over the development prior to construction. As such, execution of this Agreement is a separate and distinct project under CEQA from the development of the site, therefore, it can be seen with certainty that there is no possibility that executing this Agreement will have a significant effect on the environment.

Impact on Residents and Businesses

As noted above, construction of these drainage improvements is a requirement for the development of Tract Map No. 36467. The principal beneficiaries are the future residents of the tract. Ancillary benefits will accrue to the public who will utilize the tract's roadways.

Additional Fiscal Information

The Developer is funding all construction and construction inspection costs. Future operation and maintenance costs of the District maintained storm drain facilities will accrue to the District.

3. DISTRICT and COUNTY personnel may observe and inspect all work being done on DISTRICT FACILITIES but shall provide any comments to DISTRICT personnel who shall be solely responsible for all quality control communications with DEVELOPER's contractor(s) during the construction of DISTRICT FACILITIES.

4. If DEVELOPER fails to commence construction of PROJECT within twenty-four consecutive months after execution of this Agreement, then DISTRICT reserves the right to withhold issuance of the Notice to Proceed after this period of time pending a review of

the existing site conditions as they exist at the time DEVELOPER provides written notification to DISTRICT of the start of construction as set forth in Section I.14. In the event of a change in the existing site conditions that materially affects PROJECT function or DISTRICT's ability to operate and maintain DISTRICT FACILITIES, DISTRICT may require DEVELOPER to modify IMPROVEMENT PLANS as deemed necessary by DISTRICT.

5. DEVELOPER shall complete construction of PROJECT within twelve consecutive months after commencement of construction of PROJECT, it is expressly understood that since time is of the essence in this Agreement, unless DISTRICT and COUNTY agree to extend the time to complete construction. Failure of DEVELOPER to perform the work within the agreed upon time shall constitute authority (i) for DISTRICT to terminate the Agreement and (ii) for COUNTY to require DEVELOPER's surety to pay to COUNTY the penal sum of any and all bonds for DISTRICT to complete construction and perform any other remaining work on DISTRICT FACILITIES and COUNTY FACILITIES. In the event, COUNTY and DISTRICT elect to proceed under Section IV.5.ii, the following provisions (a) and (b) apply:

- a. DEVELOPER grants to DISTRICT and DISTRICT's officers, deputies, employees, agents, representatives, contractors and other designees the irrevocable permission to enter upon the Tract Map No. 36467 to complete construction and perform any other remaining work on DISTRICT FACILITIES and COUNTY FACILITIES. This right of entry shall terminate when such construction and any other remaining work is complete.
- b. COUNTY shall enforce the bonds and subsequently reimburse DISTRICT for DISTRICT costs incurred. If funds from the bond are insufficient to cover both COUNTY and DISTRICT's costs, COUNTY

6. In the event DEVELOPER wishes to expedite issuance of a Notice to Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at DEVELOPER's sole cost and expense. DEVELOPER shall furnish appropriate documentation of the individual's credentials and experience to DISTRICT for review and, if appropriate, written approval. DISTRICT shall review the individual's qualifications and experience, upon approval thereof, said individual, hereinafter called "DEPUTY INSPECTOR", shall be authorized to act on DISTRICT's behalf on all DISTRICT FACILITIES construction and quality control matters regarding issuance of Notice to Proceed. If DEVELOPER's initial construction inspection deposit, furnished pursuant to Section I.5., exceeds Ten Thousand Dollars, DISTRICT shall refund to DEVELOPER up to eighty percent of DEVELOPER's initial inspection deposit within forty-five calendar days of DISTRICT's approval of DEPUTY INSPECTOR, however, a minimum balance of Ten Thousand Dollars shall be retained on account.

7. PROJECT construction work shall be on a five day, forty hour work week with no work on Saturdays, Sundays or DISTRICT or COUNTY designated legal holidays, unless otherwise approved in writing by DISTRICT and COUNTY. If DEVELOPER feels it is necessary to work more than the normal forty-hour work week or on DISTRICT or COUNTY designated legal holidays, DEVELOPER shall make a written request for permission from DISTRICT and COUNTY to work the additional hours. The request shall be submitted to DISTRICT and COUNTY at least seventy-two hours prior to the requested additional work hours and state the reasons for the overtime and the specific time frames required. The decision of granting permission for overtime work shall be made by DISTRICT and COUNTY at their sole

discretion and shall be final. If permission is granted by DISTRICT and COUNTY, DEVELOPER will be charged the cost incurred at the overtime rates for additional inspection time required in connection with the overtime work in accordance with COUNTY Ordinance Nos. 671 and 749, including any amendments thereto.

8. DEVELOPER shall indemnify, defend and hold harmless and require DEVELOPER's construction contractor(s) to identify, defend and hold harmless DISTRICT and COUNTY (including each of their respective agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) (individually and collectively referred to as "Indemnitees") from any liability, action, claim or damage whatsoever, based or asserted upon any acts, omissions, or services of DEVELOPER and/or DEVELOPER's construction contractor(s), (including their respective officers, employees, subcontractors, agents or representatives) (individually and collectively hereinafter referred to as "Indemnitors") arising out of or in any way relating to this Agreement, including, but not limited to, property damage, bodily injury or death, or any other element of any kind or nature whatsoever. DEVELOPER or DEVELOPER's construction contractor(s) shall defend, at its sole expense, all costs and fees (including, but not limited to, attorney fees, cost of investigation, defense and settlements or awards) in any claim or action based upon such alleged acts or omissions. All applicable indemnification provisions of this Agreement shall remain in effect following the termination of the Agreement.

9. With respect to any action or claim subject to indemnification herein by DEVELOPER, DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and may adjust, settle or compromise any such action or claim only with the prior consent of DISTRICT and COUNTY. Any such adjustment, settlement or compromise shall not in any

manner whatsoever limit or circumscribe DEVELOPER's indemnification to Indemnitees as set forth herein.

10. DEVELOPER's and DEVELOPER's construction contractor(s) indemnification obligations hereunder shall be satisfied when DEVELOPER or DEVELOPER's construction contractor(s) has provided to DISTRICT and COUNTY the appropriate form of dismissal relieving DISTRICT and COUNTY from any liability for the action or claim involved.

11. The specified insurance limits required in this Agreement shall in no way limit or circumscribe DEVELOPER's or DEVELOPER's construction contractor(s) obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

12. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with California Civil Code Section 2782. Such interpretation shall not relieve DEVELOPER or DEVELOPER's construction contractor(s) from indemnifying the Indemnitees to the fullest extent allowed by law.

13. DEVELOPER for itself, its successors and assigns hereby releases DISTRICT and COUNTY (including each of their respective agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, including, but not limited to, any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused by the discharge of drainage within or from PROJECT. Nothing contained herein shall constitute a release by DISTRICT or COUNTY (including each of their respective agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, elected

and appointed officials, employees, agents and representatives) of DEVELOPER from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, for the negligent maintenance of PROJECT by DEVELOPER prior to the acceptance of PROJECT by DISTRICT or COUNTY.

14. Any waiver by any Party hereto of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term hereof. Failure on the part of any Party hereto require exact, full and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms hereof or estopping such Party from enforcement hereof.
