BACKGROUND:

Summary

The Riverside County Board of Supervisors designated the HOPE (Healing, Outreach, Prevention, Education) Collaborative as the County's Child Abuse Prevention Council (CAPC), responsible for coordinating community's efforts to prevent and respond to child abuse and neglect, as well as providing oversight of the Children's Trust Fund.

Family Service Association (FSA) provides oversight of the HOPE Collaborative. Pursuant to Welfare and Institutions Code (WIC), section 18983.6 and the terms of Agreement DPSS-0004896 between FSA and the Department of Public Social Services, FSA is required to submit an annual report to the Riverside County Board of Supervisors detailing the operations and accomplishments of the HOPE Collaborative.

FSA focuses its efforts on a primary strategy widely adopted by child welfare agencies across the United States: providing direct support for families and equipping parents with the skills and resources needed to strengthen family well-being.

This year, the annual report introduced the "Be the Hope Pledge" a countywide initiative encouraging individuals to publicly commit to creating a safer environment for children. Participants were connected to resources and training focused on recognizing signs of abuse. A total of 795 individuals took that pledge.

Highlights from the HOPE Collaborative Annual Report for FY 24/25 include:

- Thirty-one (31) Mandated Reporter Trainings facilitated by HOPE staff, training a total of 469 participants which includes but not limited to: Administrative staff, Community Engagement Staff and School Personnel.
- Fifty-one (51) community events serving 13,751 individuals.
- 2,583 foster youth served through the annual community-driven donation campaign, providing gifts, books, clothing, and other essential items.

To reach a broader range of families, the HOPE Collaborative leverages several social media platforms, including Facebook, Instagram, and X to share child abuse prevention information and resources. Content is tailored to families with young children, teenagers, young adults, and professionals.

The HOPE Collaborative Annual Report includes additional information on achievements in training and education, community outreach, public awareness,

fundraising, and measurable outcomes. The report highlights key events and provides the number of individuals served throughout the year.

Impact on Residents and Businesses

HOPE Collaborative programs provide much needed assistance to individuals and families considered at-risk and in need of child abuse prevention and intervention services in Riverside County.

HOPE Collaborative

About Us

HOPE Collaborative, under the guidance of Family Service Association, has served as the Child Abuse Prevention Council (CAPC) since 2013. Through a contract with Riverside County Department of Public and Social Services, the CAPC brings together community stakeholders to prevent child abuse by raising awareness, providing education, and offering support to families.

Mission & Values

HOPE's mission is to promote the safety of children and prevent abuse and neglect in Riverside County. HOPE accomplishes this by facilitating interagency collaboration, providing education and training for professionals, parents, and community members, offering support services to victims and families impacted by abuse, and advocating for policies that protect children and strengthen families. Through these coordinated efforts, HOPE strives to build a community where every child can thrive in a safe and nurturing environment.

A MESSAGE FROM OUR CHAIR

As Chair of the Riverside County Child Abuse Prevention Council, I am honored to share this reflection on a year of progress and partnership. While reports of child abuse remain deeply concerning, our Council continues to meet this challenge with commitment, collaboration, and innovation.

This year, our Board of Directors and District Collaborative groups worked faithfully to bring forward their expertise and local perspectives, shaping strategies that strengthen families and protect children. Through partnerships with service agencies, schools, and community organizations, the HOPE Collaborative expanded outreach, connected families to vital resources, and advanced prevention efforts across Riverside County.

At the heart of our mission is a simple but powerful goal, to support families before abuse occurs. By equipping parents with skills, resources, and connections, we help reduce the stresses that place children at risk and create opportunities for families to thrive. The programs and initiatives highlighted in this report are a testament to what is possible when prevention is embraced.

On behalf of the CAPC, I extend sincere gratitude to the Department of Public Social Services (DPSS) for their oversight and partnership, and to the many community members, funders, and organizations whose dedication fuels this work. Together, we are building safer communities and brighter futures for every child in Riverside County.

Prevention Snapshot

Our commitment to preventing child abuse is reflected in the wide-reaching impact of our programs and initiatives throughout Riverside County. By engaging with individuals, families, and professionals across communities, we build awareness, foster safe environments, and strengthen protective networks. Every interaction, event, and training contribute to a stronger foundation for child safety and well-being.

Mandated Reporter Training

Mandated Reporter Trainings equip individuals who work closely with children with the knowledge and confidence to recognize signs of abuse and respond appropriately. These trainings play a significant role in building a community that is informed, vigilant, and responsive to the needs of children. As part of our ongoing efforts, we are expanding this work beyond mandated reporting to also include mandated supporting so professionals are equipped to respond with care and connection.

Uplifting Foster Youth

Through *HOPE for the Holidays*, we connect directly with Riverside County Social Workers to ensure that every foster child feels seen, valued, and supported during the holiday season. This annual community-driven donation campaign provides gifts, toys, books, clothing, and other essentials to children and teens in foster care. Thank you to our generous partner, Kaiser Permanente, who donated hundreds of toys, and clothing. Another partner, the Build-A-Bear Foundation, ensured every child received a furry friend, we were able to brighten the holidays for children across Riverside County.

Growing Resilient Communities

Resilience is strengthened through connection and awareness of available resources. Throughout the year, we host and participate in events that bring families, service providers, and community organizations together in shared spaces. These events create opportunities for families to access resources, engage with service providers, and build relationships.

Pledging to Protect Children

This year we introduced the *Be the HOPE Pledge*, a powerful way to involve the entire county in child abuse prevention. Designated to be easily accessible to everyone, the pledge invited individuals to publicly commit to creating a safer environment for children. Participants were connected to resources and trainings focused on recognizing abuse.

National Child Abuse Awareness Month

Since 1983, April has been nationally recognized as Child Abuse Prevention Month. HOPE commemorated the lives of children lost to abuse through a series of impactful events, including raising the Children's Memorial Flag, hosting a child abuse awareness rally, and coordinating several prevention-focused activities across the county. These events not only honored the memory of those we've lost but also highlighted the need for community education, and collaboration to ensure every child has the opportunity to grow up safe and supported.

Children's Memorial Flag Raising Ceremony

HOPE hosted Riverside County's annual Children's Memorial Flag Raising Ceremony in partnership with Riverside County 2nd District Supervisor. A solemn event held to honor the lives of children lost to abuse and neglect. The ceremony was both a memorial and a reminder of the vital role that service providers, law enforcement, and community members play in preventing and reporting abuse.

Held in early April, the event centered around the theme of "An Umbrella of Support." More than 100 individuals representing over 50 agencies stood in solidarity with county leaders, including 1st District Supervisor Jose Medina, 2nd District Supervisor Karen Spiegel, Katie Gilbertson representative of the Riverside County District Attorney's Office, Riverside County Sheriff Chad Bianco, and Bridgette Hernandez of the Department of Public Social Services.

The flag raising ceremony concluded with a heartfelt performance by students from Riverside Unified School District, who delivered a moving rendition of “It’s A Good Day.” Their voices brought a sense of hope and unity to the day, and their presence reminded us of the very children we work to protect.

Rally for Prevention

During Child Abuse Awareness Month, HOPE also hosted a Rally for Prevention in Temecula that united the community in a powerful call to protect children. The event brought together residents of all ages, who stood along one of the city’s busiest streets holding handmade signs with messages like “No Excuse for Abuse” and “Every Child Deserves Love.”

The awareness rally served as a visual statement, with participants lining the street in a wave of blue shirts and pinwheels. More than just a demonstration, the event sparked meaningful conversations, captured public attention, and strengthened community engagement. This event reinforced that child abuse prevention is a shared responsibility. Long lasting change begins with awareness, unity, and action.

Denim Day

HOPE partnered with the SAFE Family Justice Center to host a Denim Day event for youth survivors of abuse. The event featured multiple workshops and a “What Were They Wearing?” denim display, designed and created by seven resilient youth survivors, to confront victim-blaming myths and affirm that clothing is never an excuse for abuse.

The event provided a safe, trauma-informed space for over 30 survivors, featuring open dialogue, interactive displays, and opportunities for healing-centered activities, self-expression, and peer to peer connection.

Regional Collaboratives

To meet the needs of each diverse community in Riverside County, HOPE Collaborative has established seven regional collaborative councils. These councils are led and maintained by dedicated community leaders who address the specific needs of their respective communities. Each council identified an area of focus that helps guide their efforts throughout the year.

- 1 Riverside, Perris, Highgrove, March Air Force Base, Mead Valley
- 2 Corona, Norco, Eastvale, Lake Elsinore, Mira Loma, Jurupa Valley
- 3 Temecula, Murrieta, Menifee, Wildomar, Romoland, Anza
- 4 Palm Springs, Desert Hot Springs, Mecca, Coachella, Palm Desert
- 4B Blythe
- 5 Moreno Valley, Beaumont, Banning, Cabazon, Calimesa, Cherry Valley
- 5B Hemet, San Jacinto, Nuevo, Lakeview

DISTRICT 1

Area of Focus: Empowering the Community Through Home, Health, and Hope

Back to School Readiness

July 24, 2024

Hosted an annual Backpack Giveaway and Resource Event. Through this effort they distributed over 1,000 backpacks filled with essential school supplies to K-12 students in the Riverside area. This collaborative effort supported academic readiness and connected families with vital community resources.

Spring into Hope

April 10, 2025

Hosted the Spring into Hope Resource Fair, providing free resources, family activities, and opportunity gift baskets to over 200 attendees. Increasing awareness of available services and strengthening protective factors.

Youth Mentorship

May 21, 2025

Partnered with Riverside Unified School District to host a Mock Interview and Graduation Prep event focused on youth empowerment and prevention through education. High school students had the opportunity to receive mentorship, while also gaining confidence and communication tools.

DISTRICT 2

Area of Focus: Building Healthy Relationships with Families and Communities

Dare to Dream Summit

November 14, 2024

Partnered with the Corona Norco Unified School District (CNUSD) Parent Center to host the Dare to Dream Summit. This event was specifically for CNUSD All Starts (Foster youth) and Club Hope (McKinney-veto) students to engage them in a day of empowerment, and connection. Through educational workshops and presentations, the event supported students' academic success and personal growth.

Springing Forward Together

March 22, 2025

Partnered with the Corona-Norco YMCA to provide essential services including dental screenings, emergency preparedness resources, behavioral health support, and public health education to families in need.

Foster Youth Expression

May 15, 2025

Hosted a live theater experience for 170 foster youth, sparking creativity and interest in the performing arts. The event not only offered an introduction to theater, but also provided opportunities for continued growth through scholarships to local arts classes.

DISTRICT 3

Area of Focus: Empowering Families through Education and Awareness

Family Fall Festival

November 16, 2024

Partnered with Cahuilla Band of Indians to host a day filled with family friendly activities and community connection. Opportunity drawings, blankets, coats, and jackets were distributed to families to ensure everyone stays safe and warm during the cold months.

Familyland Resource Fair

January 25, 2025

Partnered with the Romoland School District to host a family board game themed resource event. Bringing families and community resources together for a day filled with carnival style fun and engagement.

Public Awareness

April 2025

April had community members come together to speak out against child abuse at the Rally for Prevention and also honor survivors of sexual assault at the Denim Day event for both Child Abuse Prevention Month and Sexual Assault Awareness Month.

DISTRICT 4

Area of Focus: Leading Youth to Success by Empowering Families

Wellbeing Event

February 24, 2024

Hosted a family well-being event focused on promoting mental health awareness and self-care as vital tools to unite and strengthen families. Through interactive activities and practical resources, families gained strategies they can apply at home and in daily life to support emotional wellness, build resilience, and foster a nurturing, supportive environment for all family members.

Child Abuse Prevention Campaign

April 2025

Launched “*Empowered by HOPE*”, a visibility campaign highlighting the vital role community members play in protecting children and supporting families. Over 100 community members, staff, and partners wore bright blue Empowered by HOPE t-shirts throughout the month, sparking conversations and raising awareness everywhere they went. Each shirt served as a reminder that everyone has a role in protecting children and supporting families.

Youth Voices Heard

May 2025

Created a “What Does Hope Look Like to Me” art contest invited youth across the Coachella Valley to express their vision of hope through their artwork. This contest encouraged young people to inspire their communities by illustrating what it means to be part of a village of hope and support for one another. The winning pieces were proudly displayed and distributed throughout local libraries, stores, and community centers.

DISTRICT 4B

Area of Focus: Creating Opportunities & Connections to Empower Youth & their Families

Blythe Family Resource and Fun Fair

January 25, 2025

Hosted a community resource fair at Blythe's Todd Park to help strengthen protective factors for families and create a safe, supportive environment where children can thrive. By bringing together local service providers, the event connected families to critical resources, raised awareness about child abuse prevention, and reinforced the capacity of organizations working to protect and nurture children in the Blythe community..

Dia Del Niño

April 26, 2024

Partnered with la Escuela de la Raza Unida to celebrate the innocence of childhood, as we all play a role in helping children shape the future. This event promoted the educational and emotional growth of children.

DISTRICT 5

Area of Focus: Educating Youth & their Families to Build Healthy Boundaries

Be a Friend, Not a Bully Art Contest

October 2024

During Bullying Prevention Month, HOPE partnered with MVUSD for a sticker and poster art contest. There were 52 submissions for the sticker design and 38 for the poster design.

Parent Symposium

March 19, 2025

Partnered with Moreno Valley Unified School District to host *Empowering Families through Mindfulness*, an all-day parent symposium to promote self-care and coping skills for families. This collaboration provided tools and resources to help families build resilience and support their mental well-being.

Dads Day

June 7, 2025

Partnered with DCSS for Father's Day month to host an event empowering fathers by promoting family unity and providing resources and services for families. This effort earned a Certificate of Recognition presented by Fifth District Supervisor Yxstian Gutierrez from the Riverside County Board of Supervisors.

DISTRICT 5B

Area of Focus: Improving the Health & Wellness of All Children in the Valley

Community Connect

February 8, 2025

Partnered with Department of Child Support Services in San Jacinto to provide 240 individuals with resources, clothing, food, refreshments, school supplies, books, and offered free haircuts to children and adults. Alongside these items, families were able to take away key supportive services for themselves.

Summer Kickoff

June 6, 2025

Hosted the Summer Kick Off event in partnership with the Hemet Public Library and Valley Restart to provide 280 attendees with free resources, meals, adult education, mental health services, daycare, eye exams, and immunizations. This effort received a Certificate of Recognition presented by Mayor Jaculin Peterson and the City of Hemet for creating a unifying and supportive community event.

County Children's Trust Fund

The purpose of the County Children's Trust Fund (CCTF) is to support child abuse prevention services in the community and to fund child abuse prevention coordinating councils (CAPCs), along with child abuse and neglect prevention and intervention programs operated by private nonprofit organizations or public institutions of higher education, and established Child Abuse Prevention Councils. Since 2013, Family Service Association has received CCTF funding to support HOPE Collaborative, the designated Child Abuse Prevention Council for Riverside County.

Contract Outcomes & Targets

HOPE Collaborative's mission continues to align with the California Department of Social Services Welfare and Institutions Code (W & IC 18982). Our work centers on four strategic pillars to prevent child abuse and neglect: Public Awareness, Capacity Building, Training & Education, and Community Connections. We strive to remain flexible, community-responsive, and data informed in our efforts.

Prevention Approaches & Strategies

PUBLIC AWARENESS

- Maintain and upkeep the HOPE Collaborative/Riverside County CAPC website, that provides information to the public, Board of Supervisors, and DPSS.
- Complete an annual report, which highlights all of its efforts and achievements throughout the year.
- Participate in community events throughout all Supervisorial Districts, distributing materials related to prevention of child maltreatment.
- Maintain HOPE media accounts where information related to the prevention of child abuse maltreatment is shared.

CAPACITY BUILDING

- Maintain a broad base of volunteers
- Utilize grant writing, fundraising, and other revenue-generating strategies to provide additional strategic initiatives (in addition to contract requirements)
- Obtain and coordinate in-kind goods.

TRAINING & EDUCATION

- Facilitate a minimum of 24 Mandated Reporter Trainings throughout the year.

COMMUNITY CONNECTIONS

- Participate in community assessment/forums
- Participate in Riverside County's self-assessment (as applicable)
- Maintain bi-monthly multidisciplinary team meetings (HOPE Board Meetings)
- Assist with the Community Partners Forum.
- Network with providers in the community to facilitate/coordinate ongoing family strengthening services, based on community needs at the family support organizations.
- Map and strengthen a comprehensive, accessible, unified network of sustainable family-support organizations.
- Expand collaborative participation by 10%, advancing innovative partnership that increase and influence prevention funds.

2024-2025 DONORS

We sincerely thank our generous donors for their unwavering commitment to preventing child abuse and maltreatment.
