C.E.O. RECOMMENDATION:

BACKGROUND:

Summary

Waste Collection Franchise Agreements covering unincorporated areas of Riverside County were phased in between 1997 and 1998. Within each of the existing eleven Franchise Agreements is a provision for an annual adjustment of the rates effective each July 1st. Franchise Areas 5 (La Cresta/Lakeland Village - Attachment C), 6 (Gilman Hot Springs - Attachment D), 7 (Cherry Valley/San Timoteo Canyon - Attachment E), 8 (Mountain Areas - Attachment F), 9 (Cabazon/Whitewater - Attachment G) and 13 (Palo Verde Valley - Attachment H) are spread across various areas of the unincorporated county.

This adjustment to the rates includes consideration of a number of indexes, detail below in Section 10.4.1 of the current Franchise Agreement:

1. The Consumer Price Index (Bureau of Labor Statistics – CPI-U Series CUURS49CSA0)
2. The Disposal Tipping Fee
3. The Recycling Processing Fee
4. The Organics Processing fee

The detailed rate calculation worksheets factoring in the CPI increase have been reviewed for accuracy by the Department of Environmental Health and a third-party waste consultant. The updated rate sheets are maintained by the Department of Environmental Health.

Impact on Residents and Businesses

Presently, residential customer rates vary across CR&R's six Franchise Areas. The rate for three bin residential service currently ranges from \$36.53 to \$38.22 per month. The varied proposed rate changes would increase up to \$1.22 per month, raising the range from \$37.70 to \$39.44 per month.

Business rates will also increase by varying amounts, depending on the size of the bins and the frequency of service provided.

The complete rate sheets are provided as Attachment B.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The approval of this change will result in no cost to the County; implementation expenses are borne by the franchisee.
