BACKGROUND:

Summary

PRISM was formed by and for the California counties in 1979 by the California State Association of Counties (CSAC). Today, 54 out of the 58 counties in California participate in one or more of the PRISM programs. In 2001, PRISM expanded its offerings to other California public agencies. At this point, over 70% of the cities in California participate in one or more of the PRISM programs. In addition, a variety of special districts, school districts, and JPAs also participate in PRISM Programs. PRISM is recognized as the largest public entity property and casualty pool in the United States.

After 25 years of having public entity members participate in PRISM, the members of PRISM have proposed to update the composition of the Board of Directors to recognize the partnership that the counties have with the public entity members. At present, the PRISM Board of Directors is composed of 54 county members (all county members have a voting position on the Board of Directors) and 7 public entity voting spots for a total of 61 voting members. There are also 3 alternates for the public entity votes, but they only stand in place of the 7 voting spots and not in addition to. The proposal is to add 10 additional voting public entity board seats so that the total number of public entity voting seats will be 17 with 3 additional alternates. This results in a total of 71 voting Directors. Under this proposal, the counties will have a total of 76% of the total voting Board of Director seats, instead of 80%.

In addition, the PRISM members have also proposed to update the composition of the Executive Committee which oversees the day-to-day activities of the organization. Currently, the executive Committee has 11 members, and the proposal is to increase the number to 13 with an additional 2 alternates. The Executive Committee members are elected by the Board of Directors. The other changes that are proposed are updates to the Agreement that reflect the current operations of the organization and remove the word insurance from the document since the organization is a pool, not insurance.

These proposed changes were discussed with PRISM’s Executive Committee and various Committee Chairs at a strategic planning retreat beginning in November 2022. The discussion largely centered around the idea that public entities have been members of the organization since 2001, have participated in governance of the organization by serving on PRISM Committees, and approximately ½ of the contributions made to PRISM each year are from the public entity members while the other ½ is from counties. It was felt by the group that the

STATE OF CALIFORNIA**

organization should reconsider the size and function of the Board of Directors, including what it delegates to others and whether to eliminate the distinction between counties and public entity members in the governance process. The composition of the Executive Committee was also discussed.

Thereafter, the Executive Committee tasked the Governance Sub-Committee with reviewing the JPA Agreement and proposing amendments to reflect its desire to expand governance opportunities for the public entity members and participation on the Executive Committee. The Governance Sub-Committee did so, and those proposed changes were then reviewed by the Executive Committee and the Board of Directors. PRISM has also made some other amendments to the Agreement to “clean up” the document to coincide with current practices and the future vision of the organization and to remove the word “insurance” from the Agreement since the JPA is a risk sharing pool that provides excess coverage for members and risk-sharing pools are not “insurance” under the law.

Deadline for Completion

June 30, 2026.

Impact on County Operations and Risk Management

This amendment ensures a larger, more representative Board by bringing in a broader range of public entity perspectives, which can lead to more balanced coverage decisions and improved loss- prevention strategies.

Recommended Next Steps

Authorize the Chair to execute the Joint Powers Amendment before the June 30, 2026 deadline.

Impact on Residents and Businesses

There is no negative impact on residents or businesses within the County of Riverside.

- (b) PRISM may develop standards for the administration of claims for each program of PRISM so as to allow PRISM to oversee the administration of claims by the members.
- (c) Each participating member shall give PRISM timely written notice of claims in accordance with the provisions of the Bylaws and the applicable program Memorandum of Coverage.
- (d) A member shall not enter into any settlement involving liability of PRISM without the advance written consent of PRISM.
- (e) PRISM, at its own election and expense, shall have the right to participate with a member in the settlement, defense, or appeal of any claim, suit or proceeding, which, in the judgment of PRISM, may involve liability of PRISM.

ARTICLE 19 NEW MEMBERS

Any California county or public entity may become a party to this Agreement upon approval by the Executive Committee.

ARTICLE 20 WITHDRAWAL

- (a) A member may withdraw as a party to this Agreement upon thirty (30) days advance written notice to PRISM if it has never become a participant in any program pursuant to Article 14, or if it has previously withdrawn from all programs in which it was a participant.
- (b) After becoming a participant in a program, a member may withdraw from that program only at the end of a policy year for the program, and only if it gives PRISM at least sixty (60) days advance written notice of such action unless otherwise specified in a program Memorandum of Understanding.

ARTICLE 21 CANCELLATION

- (a) Notwithstanding the provisions of Article 20,
 - (1) The Board of Directors may, on a two-thirds vote, cancel any member from this Agreement and membership in PRISM. Such action shall have the effect of canceling the member's participation in all programs of PRISM as of the date that all membership is canceled.
 - (2) A program governing committee may cancel any member's participation in a program of PRISM, without canceling the member's membership in PRISM or participation in other programs, on a vote of two-thirds of the program governing committee.
 - (3) PRISM shall give sixty (60) days advance written notice of the effective date of any cancellation under the foregoing provisions. Upon such effective date, the member shall be treated the same as if it had voluntarily withdrawn from this Agreement, or from the program, as the case may be.
- (b) Except as otherwise provided in a program Memorandum of Understanding, a member that does not enter one or more of the programs developed and implemented by PRISM within the member's first year as a member of PRISM shall be considered to have withdrawn as a party to this Agreement at the end of such period, and its membership in PRISM shall be automatically canceled as of that time, without action of the Board of Directors.
- (c) A member which withdraws from all programs of PRISM in which it was a participant and does not enter any program for a period of six (6) months thereafter shall be considered to have withdrawn as a party to the Agreement at the end of such period, and its membership in PRISM shall be automatically canceled as of that time, without action of the Board of Directors.

ARTICLE 22 EFFECT OF WITHDRAWAL OR CANCELLATION

- (a) If a member's participation in a program of PRISM is canceled under Article 21, with or without cancellation of membership in PRISM, and such cancellation is effective before the end of the policy year for that program, PRISM shall promptly determine and return to that member the amount of any unearned premium payment from the member for the policy year, such amount to be computed on a pro-rata basis from the effective date of cancellation.

- (b) Except as provided in (a) above or as otherwise provided in a program Memorandum of Understanding, a member which withdraws or is canceled from this Agreement and membership in PRISM, or from any program of PRISM, shall not be entitled to the return of any premium or other payment to PRISM, or of any property contributed to PRISM. However, in the event of termination of this Agreement, such member may share in the distribution of assets of PRISM to the extent provided in Article 23 provided; however, that any withdrawn or canceled member, which has paid an assessment pursuant to Article 14 (b) (3) (ii) shall be entitled to return of said member's unused assessment, plus interest accrued thereon, at such time as the Board of Directors or program governing committee declares that a surplus exists in any program for which an assessment was made.
- (c) Except as provided in (d) below, a member shall pay any premium charges, which the Board of Directors or program governing committee determines are due from the member for losses and costs incurred during the entire coverage year in which the member was a participant in such program regardless of the date of entry into such program. Such charges may include any deficiency in a premium previously paid by the member, as determined by audit under Article 14 (b) (2); any assessment declared and attributed to the member under Article 14 (b) (3); and any additional amount of premium, which the Executive Committee determines to be due from the member upon final disposition of all claims arising from losses under the program during the entire coverage year in which the member was a participant regardless of date of entry into such program. Any such premium charges shall be payable by the member in accordance with PRISM's invoice and payment policy.
- (d) Those members that have withdrawn or been canceled pursuant to Articles 20 and 21 from any program of PRISM during a coverage year shall pay any premium charges which the Board of Directors or Executive Committee determines are due from the members for losses and costs which were incurred during the member's participation in any program.

ARTICLE 23 TERMINATION AND DISTRIBUTION OF ASSETS

- (a) A three-fourths vote of the total voting membership of PRISM, consisting of member counties, acting through their boards of supervisors, and the voting Board of Directors members from the member public entities is required to terminate this Agreement; provided; however, that this Agreement and PRISM shall continue to exist after such election for the purpose of disposing of all claims, distributing all assets, and performing all other functions necessary to conclude the affairs of PRISM.
- (b) Upon termination of this Agreement, all assets of PRISM in each program shall be distributed among those members that participated in that program in proportion to their premium contributions. The Board of

Directors shall determine such distribution within six (6) months after disposal of the last pending claim or other liability covered by the program.

- (c) Following termination of this Agreement, any member that was a participant in a program of PRISM shall pay any additional amount of premium, determined by the Board of Directors in accordance with a loss allocation formula, which may be necessary to enable final disposition of all claims arising from losses under that program during the entire coverage year in which the member was a participant regardless of the date of entry into such program.

ARTICLE 24 LIABILITY OF BOARD OF DIRECTORS, OFFICERS, COMMITTEE MEMBERS AND LEGAL ADVISORS

The members of the Board of Directors, Officers, committee members and legal advisors to any Board of Directors or committees of PRISM shall use ordinary care and reasonable diligence in the exercise of their powers and in the performance of their duties pursuant to this Agreement. They shall not be liable for any mistake of judgment or any other action made, taken or omitted by them in good faith, nor for any action taken or omitted by any agent, employee or independent contractor selected with reasonable care, nor for loss incurred through investment of PRISM funds, or failure to invest.

No Director, Officer, committee member, or legal advisor to any Board of Directors or committee shall be responsible for any action taken or omitted by any other Director, Officer, committee member, or legal advisor to any committee. No Director, Officer, committee member or legal advisor to any committee shall be required to give a bond or other security to guarantee the faithful performance of their duties pursuant to this Agreement.

The funds of PRISM shall be used to defend, indemnify and hold harmless PRISM and any Director, Officer, committee member or legal advisor to any committee for their actions taken within the scope of the authority of PRISM. Nothing herein shall limit the right of PRISM to purchase insurance or reinsurance to provide such coverage, as is hereinabove set forth.

ARTICLE 25 BYLAWS

The Board of Directors may adopt Bylaws consistent with this Agreement, which shall provide for the administration and management of PRISM.

ARTICLE 26 NOTICES

PRISM shall address notices, billings and other communications to a member as directed by the member. Each member shall provide PRISM with the email address to which communications are to be sent. Members shall address notices and other

communications to PRISM to the Chief Executive Officer of PRISM, at the office address of PRISM or via email, as set forth in the Bylaws.

ARTICLE 27 AMENDMENT

A two-thirds vote of the total voting membership of PRISM, consisting of member counties, acting through their boards of supervisors, and the voting Board of Directors members from the member public entities is required to amend this Agreement. However, the Executive Committee is authorized to make non-substantive, clerical amendments to the Agreement and does not need to obtain approval from the Board of Directors to make such amendments.

ARTICLE 28 EFFECTIVE DATE OF AMENDMENTS

Any amendment of this Agreement shall become effective upon the date specified by the Board of Directors and upon approval of any Amended Agreement as required in Article 27. Approval of any amendment by the voting boards of supervisors and public entity board members must take place no later than 30 days from the effective date specified by the Board of Directors.

ARTICLE 29 PROHIBITION AGAINST ASSIGNMENT

No member may assign any right, claim or interest it may have under this Agreement, and no creditor, assignee or third party beneficiary of any member shall have any right, claim or title to any part, share, interest, fund, premium or asset of PRISM.

ARTICLE 30 AGREEMENT COMPLETE

This Agreement constitutes the full and complete Agreement of the parties.

ARTICLE 31 DISPUTE RESOLUTION

When a dispute arises between PRISM and a member, the following procedures are to be followed:

- (a) Request for Reconsideration. The member will make a written request to PRISM for the appropriate Committee to reconsider their position, citing the arguments in favor of the member and any applicable case law that applies. The member can also request a personal presentation to that Committee, if it so desires.
- (b) Committee Appeal. The committee responsible for the program or having jurisdiction over the decision in question will review the matter and

reconsider PRISM's position. This committee appeal process is an opportunity for both sides to discuss and substantiate their positions based upon legal arguments and the most complete information available. If the member requesting reconsideration is represented on the committee having jurisdiction, that committee member shall be deemed to have a conflict and shall be excluded from any vote.

- (c) Executive Committee Appeal. If the member is not satisfied with the outcome of the committee appeal, the matter will be brought to the Executive Committee for reconsideration upon request of the member. If the member requesting reconsideration is represented on the Executive Committee, that Executive Committee member shall be deemed to have a conflict and shall be excluded from any vote.
- (d) Arbitration. If the member is not satisfied with the outcome of the Executive Committee appeal, the next step in the appeal process is arbitration. The arbitration, whether binding or non-binding, is to be mutually agreed upon by the parties. The matter will be submitted to a mutually agreed arbitrator or panel of arbitrators for a determination. If Binding Arbitration is selected, then the decision of the arbitrator is final. Both sides agree to abide by the decision of the arbitrator. The cost of arbitration will be shared equally by the involved member and PRISM.
- (e) Litigation. If, after following the dispute resolution procedure paragraphs a-d, either party is not satisfied with the outcome of the non-binding arbitration process, either party may consider litigation as a possible remedy to the dispute.

ARTICLE 32 FILING WITH SECRETARY OF STATE

The Chief Executive Officer of PRISM shall file a notice of this Agreement with the office of California Secretary of State within 30 days of its effective date, as required by Government Code Section 6503.5 and within 70 days of its effective date as required by Government Code Section 53051.

SUBMITTAL DATE:

SUBJECT: Amendment to the CSAC-Excess Insurance Authority Joint Powers Agreement to allow member counties to extend coverage to non-profit entities as identified by the member county.

RECOMMENDED MOTION: That the Board of Supervisors authorize 1) the Chair to execute the amendment to the Joint Powers Agreement of the CSAC-Excess Insurance Authority; 2) the Interim Risk Manager to sign the applications and other documents, as needed, to effect coverages, and; 3) the Asst. County Executive Officer/Human Resources Director to enter into a Memorandum of Understanding with the below listed nonprofits and future County non-profits for Risk Management and loss prevention services.

BACKGROUND: The Board of Supervisors previously approved this amendment on July 27, 2004; however, CSAC-EIA failed to receive the 2/3rds majority member approval required under the terms of their Joint Powers Authority. The Board of Directors of CSAC-EIA is confident that a 2/3rds majority approval is now achievable and requests that all members submit the amendment to their respective Boards for their endorsement.

BACKGROUND (continued)

Under advice from legal counsel, CSAC is required to initiate this second vote with all members and not presume that any previous votes are still in effect. In addition, the Board of CSAC-EIA approved that members' non-profit organizations would continue to be included within the general liability program (GL II) until November 1, 2005, thereby allowing time for the members to vote on the amendment.

The County of Riverside has been a member of the CSAC Excess Insurance Authority since 1984. At that time, the Board executed a Joint Powers Agreement (JPA) creating the CSAC Excess Insurance Authority, which is formed under Section 6500 et. Seq. of the California Government Code. From time to time, the JPA has been amended to reflect various changes in the JPA document and the governance of the Excess Insurance Authority. Article 3(b) of the JPA outlines who can be a party to the JPA and defines public entity pursuant to section 811.2 of the Government Code, which limits the definition of public entity to include "...the State, the Regents of the University of California, a county, city, district, public authority, public agency, and any other political subdivision or public corporation in the State.

Legal counsel to the CSAC Excess Insurance Authority has opined that this definition does not include non-profit corporations.

In recent years, many counties throughout the State have been creating non-profit public benefit corporations for a variety of reasons. We have identified the following non-profit organizations created for the benefit of the County:

	<u>Status</u>
• County of Riverside Asset Leasing Corporation AKA "CORAL"	Active
• Riverside District Court Financing Corporation	Active
• Riverside County Park Facilities Corporation	In the process of dissolving
• Desert Facilities Corporation	Active
• RCRMC Foundation	Active
• Friends of the Coachella Valley Animal Campus	Active
• County of Riverside Court Financing Corporation	Active

However, these non-profits do not fit the CSAC-EIA JPA membership requirements, therefore if the JPA Amendment does not pass, each non-profit will need to secure individual policies which are subject to minimum premiums.

The amendment to Article 3(b) of the JPA provides for the expansion of the definition of public entity to include any nonprofit entity, including a nonprofit public benefit corporation formed pursuant to Corporations Code sections 5111, 5120 and 5065, which the member county requests be added and that such request is approved by the Executive Committee of the CSAC-Excess Insurance Authority. The amendment goes on to explain that any such nonprofit entity shall be subject to and included within the member county's self-insurance retention (SIR) or deductible and shall not be considered a separate party to the JPA.

BACKGROUND (continued)

CSAC-EIA has developed a policy statement defining the general conditions within which a member county may add a nonprofit entity. Those general conditions include that the nonprofit must exist for the benefit of the member county or for the member county in conjunction with other public agencies. The member county is also required to accept responsibility for the self-insured retention or deductible of the nonprofit and be responsible for all risk management and loss prevention activities of the nonprofit. Finally, CSAC-EIA requires that a written agreement or memorandum of understanding be established between the member county and the nonprofit. The member county must complete an application for coverage and include a Board Resolution or Minute Order authorizing the acceptance of these general conditions.

Once the CSAC-EIA amendment has been ratified by 2/3's of the member counties, the Risk Manager will proceed with completing the application process to meet the general conditions for nonprofit coverage for the above named nonprofits, which are recommend be included in the County's insurance programs.

FROM: Human Resources Department

SUBMITTAL DATE:
February 17, 2006

SUBJECT: Amendment to the CSAC-Excess Insurance Authority Joint Exercise of Power Agreement

RECOMMENDED MOTION: The Assistant County Executive Officer/Director of Human Resources recommends the Board authorize the Chair to execute the proposed amendment to the CSAC-Excess Insurance Authority (EIA) Joint Exercise of Powers Authority.

BACKGROUND: On July 1, 2001 CSAC-EIA sponsored the formation of the California Public Entities Insurance Authority (CPEIA) to extend access to the EIA's programs and services to all public entities in California. As a result, CSAC-EIA has enjoyed increased insurance market leverage due to the near doubling of annual premium that resulted from increased membership. CSAC-EIA is now the largest public entity insurance pooling organization in the United States.

The proposed amendment eliminates the separate, non-voting nature of CPEIA and includes CPEIA as part of CSAC-EIA while leaving control of the Authority with Counties. Passage of the amendment will provide CPEIA with two seats on an eleven member Executive Board as well as seven seats to the sixty-one member Board of Directors.

BACKGROUND:

The County of Riverside is a member of CSAC-Excess Insurance Authority (EIA) which is a joint powers authority (JPA) that provides an insurance risk sharing pool for California public entities. The sole purpose of CSAC-EIA is to provide cost-effective insurance solutions and risk management services for its members. The size of the CSAC-EIA program creates stability and offers economies of scale that allow the JPA to leverage the market. Additionally, the combined size of the program ensures competitive pricing in hard and soft markets, and ensures stability as the insurance market fluctuates. The County of Riverside has been a participating member in CSAC-EIA since 1984 and obtains insurance coverage through the JPA.

CSAC-EIA is proposing to change its name to Public Risk Innovation, Solutions, and Management (otherwise known as PRISM). The consideration of a name change came at the request of CSAC (California State Association of Counties) due to the on-going confusion over the fact that CSAC- EIA and CSAC are two separate entities. There is additional confusion in the CSAC- EIA name as it relates to current identity. CSAC-EIA offers multiple primary and excess programs and is no longer singularly focused on "excess" programs. CSAC-EIA is not an insurance company and does not provide "insurance" from a technical standpoint.

The subject of a name change was discussed with the CSAC-EIA's Executive Committee and various Committee Chairs. At the forefront of the discussion was removing confusion by eliminating "CSAC," "Excess," and "Insurance" from the name. The new name – Public Risk Innovations, Solutions, and Management (PRISM) will support the organization's current and future identity as one of the largest, most successful member-directed risk sharing pools in the nation.

The main purpose of the proposed JPA Amendment is to substitute the new name for the old one throughout the document. One other notable change is that the provision that county members must maintain their membership in CSAC is being removed. This will help the organization create a unique identity apart from CSAC. The removal of this requirement does not affect the governance of CSAC-EIA in any way. CSAC-EIA's relationship with CSAC is very good and its desire is to continue to foster a very strong and collaborative relationship with CSAC going forward. CSAC is aware of this proposed change and has not expressed any concern over it.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Since the JPA Agreement was being amended to address the name change and removal of the CSAC membership requirement, CSAC-EIA has also made some other amendments to the Agreement to "clean up" the document to coincide with current practices and the future vision of the organization.
