BACKGROUND:

Summary

The Victims of Crime Act (VOCA) authorizes federal financial assistance to states through the VOCA Formula Grant Program for the purpose of supporting eligible crime victim assistance programs that: 1) respond to the emotional and physical needs of victims of crime; 2) help primary and secondary victims of crime to stabilize their lives after a victimization; 3) help victims of crime understand and participate in the criminal justice system; and 4) provide victims of crime with a measure of safety and security.

On February 20, 2026, the California Office of Emergency Services (Cal OES) Victim Services & Public Safety Branch awarded \$213,336 in VOCA and State supplemental funds Victim Compensation Grant Funding (VCGF) to The Regents of the University of California, on behalf of the Riverside Campus to support elder abuse prevention programs in Riverside County. From that amount, DPSS was awarded \$67,928 with a cost match of \$30,027 to support the Riverside County Elder Abuse Forensic Center (EAFC).

With the funding allocated by Cal OES, the EAFC can strengthen the community's capacity to combat, investigate, and prosecute elder and dependent adult abuse, neglect, and exploitation, through enhanced service coordination among partner agencies. EAFC services include, but are not limited to, in-home geriatric medical assessments, in-home neuropsychological evaluations (capacity assessments), forensic evaluations, case consultations with the EAFC multidisciplinary team, public outreach, and education.

DPSS will utilize these funds to support a series of events, including the annual Elder Abuse Symposium. These events will provide community members with information on how to identify, investigate, and prosecute cases involving elder and dependent adult abuse. In addition to serving as an introduction for those new to the field, the events will also address emerging issues and the latest techniques in elder abuse prosecution.

DPSS will also utilize funds to support administrative expenses for staff training pertaining to elder and dependent adult abuse, in addition to supporting EAFC staff salaries. EAFC staff are responsible for engaging the community in the protection and empowerment of elder and dependent adults throughout Riverside County. The EAFC personnel also consult with various professionals from community agencies to improve the lives and safety of our clients, including

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

medical and financial institutions, law enforcement, District Attorney representatives, and community service/faith-based organizations.

Impact on Residents and Businesses

Adult Protective Services (APS) utilizes the EAFC to provide services to vulnerable residents of Riverside County with complex needs that require multi-agency collaboration. The EAFC ensures that vulnerable clients requiring an increased level of intervention are connected to APS within the community to create a link between existing resources and comprehensive case management, thus closing gaps to improve our community's ability to combat, investigate, and prosecute elder and dependent adult abuse.

Additional Fiscal Information

DPSS will provide documentation of in-kind match amounts that correspond to all VOCA expenditures for which reimbursement is claimed. The VOCA Formula Grant Program requires a cash and/or in-kind match equal to twenty-five (25) percent of the total project cost. County expenditures of the Adult Services Division salaries will count towards the VOCA match requirement. The VOCA Grant allocation for DPSS is as follows:

Grant Year 2025	
	VOCA
VOCA Amount	\$67,928
VOCA Cost Match	\$30,027
Total	\$97,955

With the support of funding provided by the California Office of Emergency Services (Cal OES), the Riverside County Elder Abuse Forensic Center (EAFC) is able to improve our community's ability to combat, investigate, and prosecute elder and dependent adult abuse, neglect and exploitation, through enhanced collaboration/service provision among partner agencies. Services offered by the EAFC include, but are not limited to, in-home geriatric medical assessments, in-home neuropsychological evaluations (capacity assessments), forensic evaluations/examinations, medical record reviews, case consultations with the EAFC multidisciplinary team, public outreach/education, etc. As a grant subrecipient, Riverside County DPSS will utilize the funding from Cal OES to supplement the salary of the DPSS staff member that coordinates the Elder Abuse Forensic Center (EAFC), who serves as the primary coordinator and Elder Abuse Victim Specialist for this project. The subaward will also be utilized to support eligible DPSS staff to attend important conferences in the arena of elder and dependent adult abuse. Continuing education is critical as we strive to engage the community in the protection and empowerment of elder and dependent adults throughout Riverside County. Further, the funding will also help support the annual 2026 Elder and Dependent Adult Abuse Symposium for local service providers that serve the elder and dependent adult population.
