**REIMBURSEMENT AGREEMENT  
BY AND BETWEEN CVAG AND THE COUNTY OF RIVERSIDE  
FOR THE  
CVAG ARTS AND MUSIC LINE PROJECT**

**THIS AGREEMENT** is made and entered into this **16<sup>th</sup> day of March 2026**, by and between the **County of Riverside**, a political subdivision of the State of California, ("**County**") and the **Coachella Valley Association of Governments**, a California joint powers authority, ("**CVAG**"), and is made with reference to the following background facts and circumstances:

**RECITALS**

The "Coachella Valley Area Transportation Study", a valley-wide study prepared under the auspices of CVAG, has identified various transportation and highway projects and corridors throughout the Coachella Valley to be of regional importance. This Project is included in the 2016 Transportation Project Prioritization Study (TPPS) document; and,

Approval of a highway financing measure by the voters of Riverside County in November of 1988, as well as the approval of an extension of Measure A by the voters in November of 2002, has created a source of funds with which to construct such projects; and,

CVAG by agreement with its member agencies and with the Riverside County Transportation Commission ("RCTC"), has been designated as the agency through which such funds are to be conveyed and disbursed for the purpose of completing said regional transportation projects; and,

The CVAG Arts and Music Line Project is an innovative multi-modal project that will provide nearly nine miles of protected bicycle facilities (Class 1 and Class 4) along Avenue 48, Van Buren Street, Hjorth Street, the La Quinta Evacuation Channel, and Dillon Road in the Cities of La Quinta, Indio and Coachella, and unincorporated County. It will also provide more than six miles of new or upgraded Class 2 and Class 3 bikeways that directly connect the Project to 11 disadvantaged schools; and,

CVAG will expend upfront Measure A funds for the cost of the CVAG Arts and Music Line Project with said expended funds to be reimbursed in part by the County of Riverside.

**NOW, THEREFORE**, in consideration of the mutual covenants and subject to the conditions contained herein, the parties do agree as follows:

1. The Project is generally described as and consists of the following: **CVAG Arts and Music Line Project**. These services will hereinafter be referred to as the "Project".

2. The scope of work of the Project is more particularly described in **Exhibit "A"**, entitled "Scope of Services " attached hereto and made a part hereof. The cost estimate for the Project is more particularly described in **Exhibit "B"** - "Estimate of Cost", attached hereto and made a part hereof.
3. It is the agreement between CVAG and County that of the total estimated cost to construct modifications to the existing intersections of Avenue 48 and Van Buren Avenue, and Avenue 48 and Cabazon Road will be approximately \$252,775. County shall reimburse CVAG 100% of this cost as detailed in **Exhibit "B"**. This is County's Local Share of the Project.
4. CVAG may decline or delay regional funds to the Project should CVAG determine that such action is necessary to maintain a minimum balance of Measure A funds.
5. CVAG shall be responsible for initial payment of all covered Project costs as they are incurred. Following payment of such costs, CVAG shall submit invoices to County requesting reimbursement of the County's Local Share of the Project. Each invoice shall be accompanied by detailed contractor invoices, or other demands for payment addressed to CVAG, and documents evidencing CVAG's payment of the invoices or demands for payment. CVAG shall also submit a Project Completion Report, in a form acceptable to County, with each statement. CVAG shall submit invoices not more often than monthly and not less often than quarterly.
  - 5.1 Upon receipt of an invoice from CVAG, County may request additional documentation or explanation of the Project costs. Undisputed reimbursement amounts shall be paid by County to CVAG within thirty (30) days.
  - 5.2 If a post-payment audit or review indicates that County has provided reimbursement to CVAG in an amount in excess of the County's Local Share of eligible costs, CVAG shall reimburse County for the excess payments within thirty (30) days of notification by CVAG.
6. Prior to any final payment to CVAG by County, a final report shall be submitted to County by CVAG containing a record of all payments made for said Project and the source of funds of all such payments, together with a record of all change orders, cost over-runs, and other expenses incurred. Final payment will thereafter be paid by County in accordance with CVAG rules, regulations and policies concerning Project cost determination and expense eligibility.
7. The parties agree that should unforeseen circumstances arise which result in new work not covered in Exhibit "A," an increase of any costs over those shown in Exhibit "B," or other changes in the Scope of Work are proposed, CVAG will in good faith consider an amendment to this Agreement to provide for further appropriate reimbursement if the proposed amendment is in accordance with the policies, procedures, and cost determination/expense eligibility criteria adopted by CVAG. Mutually agreeable non-substantive changes may be made to this Agreement

subject to either parties General Counsel's approval.

8. CVAG shall maintain an accounting of all funds received from County pursuant to this Agreement in accordance with generally accepted accounting principles. CVAG agrees to keep all Project contracts and records for a period of not less than three years from the date a notice of completion is filed by CVAG on such Project; or, if the Project is not one as to which a notice of completion would normally be recorded, for three years from the date of completion. CVAG shall permit County, at any reasonable time, upon reasonable notice, to inspect any records maintained in connection with the Project. County shall have no duty to make any such inspection and shall not incur any liability or obligation by reason of making or not making any such inspection.
9. The occurrence of any one or more of the following events shall, at CVAG's option, constitute an event of default and County shall provide CVAG with immediate notice thereof.
  - 9.1 Any warranty, representation, statement, report or certificate made or delivered to CVAG by County or any of County's officers, employees or agents now or hereafter which is incorrect, false, untrue or misleading in any material respect; or,
  - 9.2 County shall fail to pay, perform or comply with, or otherwise shall breach, any obligation, warranty, term or condition in this Agreement or any amendment to this Agreement, or any agreement delivered in connection with the Project; or,
  - 9.3 There shall occur any of the following: dissolution, termination of existence or insolvency of County; the commencement of any proceeding under any bankruptcy or insolvency law by or against County; entry of a court order which enjoins, restrains or in any way prevents County from paying sums owed to creditors.
10. No waiver of any Event of Default or breach by one party hereunder shall be implied from any omission by the other party to take action on account of such default, and no express waiver shall affect any default other than the default specified in the waiver and the waiver shall be operative only for the time and to the extent therein stated. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. The consent or approval by one party to or of any act by the other party shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent or similar act.
11. This Agreement is made and entered into for the sole mutual protection and benefit of CVAG and County and no third person shall have any right of action under this Agreement.
12. This Agreement is for funding purposes only and nothing herein shall be construed so as to constitute CVAG as an owner or a partner or joint venture with County as

to the Project. CVAG shall assume the defense of, indemnify and hold harmless the County and their respective officers, directors, agents, employees, servants, attorneys, and volunteers, and each and every one of them, from and against all actions, damages, claims, losses and expenses of every type and description to which they may be subjected or put by reason of or resulting from the actions or inactions of CVAG related to the Project or taken in the performance of this Agreement or any agreement entered into by County with reference to the Project.

13. Any dispute concerning a question of fact arising under this Agreement that is not disposed of by voluntary negotiations between the parties shall first be decided by the CVAG Executive Director or designee, who may consider any written or verbal evidence submitted by County. This decision shall be issued in writing. However, no action in accordance with this Section shall in any way limit any party's rights and remedies through actions in a court of law with appropriate jurisdiction. Neither the pendency of dispute nor its consideration by CVAG will excuse County from full and timely performance in accordance with the terms of this Agreement.
14. County and CVAG warrant that all aspects of the Project undertaken by them shall be undertaken in compliance with all applicable local, state and federal rules, regulations and laws. County will execute and deliver to CVAG such further documents and do other acts and things as CVAG may reasonably request in order to comply fully with all applicable requirements and to effect fully the purposes of this Agreement.
15. This Agreement may not be assigned without the express written consent of the other party first being obtained.
16. Both parties and their successors in interest and assigns shall be bound by all the provisions contained in this Agreement.
17. No officer or employee of either party shall be personally liable to either party or any successor in interest, in the event of any default or breach by either party or for any amount with may become due to either party or to its successor, or for breach of any obligation of the terms of this Agreement.
18. No officer or employee of CVAG shall have any personal interest, direct or indirect, in this Agreement; nor shall any such officer or employee participate in any decision relating to this Agreement which effects his or her personal interest or the interest of any corporation, partnership or association in which she or he is, directly or indirectly, interested, in violation of any state, federal or local law.
19. CVAG warrants that the funds received by County pursuant to this Agreement shall only be used in a manner consistent with CVAG's reimbursement policy and all applicable regulations and laws. Any provision required to be included in this type of agreement by federal or state law shall be deemed to be incorporated into this Agreement.

20. All notices or other communications required or permitted hereunder shall be in writing and shall be either personally delivered (which shall include delivery by means of professional overnight courier service which confirms receipt in writing, such as Federal Express or UPS); sent by telecopier or facsimile machine capable of confirming transmission and receipt; or sent by certified or registered mail, return receipt requested, postage prepaid to the following parties at the following addresses or numbers:
