Free adult transportation on buses for equal rights opportunities since under 18 ride free bus so does all consumers after all trump thinks income from taxes is not needed or that people does not need to open SSA like paying taxes on SSA and Medicare from earned income

Those with earned income from the pass and is now on SSA retirement must have more benefits like groceries and dues not need physical or mental chronic illness to qualify

People on SSA retirement perhaps only received less than \$2000 SSA SSDI SSI r&r monthly

Yet rent for one bedroom in California is over \$1400 monthly

Without entitlement like medical Medicare EBT section 8 vouchers people will end up on streets and not able to work to earn l come for California and USA

Let's think

When people work demand supply abound

So put people to work

And still have entitlement benefits

People are getting old but the people need to be able to use their minds so they will not be idle with brains functioning

Let's to survey and search people who are willing to work and earn income even after seventy years old

If they have not worked and have gotten well provide skills and knowledge so USA people are not brain dead

This will make life last longer

And less seen in the doctors office

We need to develop better nutritious food for pets and pets owners

We need to upgrade nutritious value

Make nutritious good like first vit e needs to be limited now that there is mri

Eating almond should be unlimited

All good products should be cheaper now that minimum wages are like \$16.50 per hour

Minimum wages should be \$34 per hour

Infact wages should be set

Like so people can afford rent food bills government should ensure people or family have at least able to save \$125 per person in a household

Each person must have money to spend when they reach certain age

California must maintain economic profit better than any other states

We must produce all kinds

Have manufacturing

Agriculture

Must make marijuana good because of its diludional power
Research it could allowed by God for people to have powers
