BACKGROUND:

Summary

The State legislature enacted the County Service Area Law to provide broad statutory authority for county Boards of Supervisors to County Service Areas (CSA) as a method to finance and provide needed public facilities and services within unincorporated areas of the county. Pursuant to Riverside County Ordinance No. 573 and Government Code section 25215 et seq., the proposed fiscal year 2026-2027 charges are attached as Exhibit A. County Service Areas provide municipal services to residential neighborhoods such as landscape maintenance, street lighting, street sweeping and road maintenance. The services each community receives are determined during the planning phase of new development, and the cost associated with providing those services are unique to each community. All new residential development is required to prepare an engineer's report that allows for annual adjustments by the greater of two percent or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U), as applicable. Rising utility costs for electricity, water, and trash services as well as increases in labor costs require some CSA charges to increase to ensure the successful delivery of municipal services. Further, Riverside County Ordinance No. 573 Section 3 sets the parameters for the annual setting of charges for CSAs. A written report of (1) the extended services provided in the County by county service areas, and each county service area extending each such service, (2) each parcel of real property within each county service area, and which extended services each such parcel receives, and (3) the amount of charge to each such parcel for each extended service provided thereto. At the public hearing the Board of Supervisors shall hear and consider all objections and protests, if any, to the report. At the conclusion of the hearing, the Board of Supervisors may, by way of resolution, adopt, revise, change, reduce, or modify any charge and shall make a determination upon each charge as described in the report.

Impact on Residents and Businesses

County Service Areas allow communities in unincorporated areas to pay for and receive specific municipal services. These services are unique to each community and offer quality-of-life enhancement.

11 WHEREAS, pursuant to California Government Code section 25215.4, the Board of
12 Supervisors (the "Board") is permitted, by resolution or ordinance, to establish user fees, rates,
13 or other charges that are not property-related and to collect said fees, rates, or charges for the
14 services and facilities that the County Service Area ("CSA") provides;

15 WHEREAS, Section 2 of Ordinance No. 573 of the County of Riverside provides that all
16 parcels of real property within the boundaries of a CSA shall be subject to a charge for each
17 extended service provided in the service area, and that all such charges shall be computed on
18 the basis of benefit conferred to each parcel, without regard to the assessed value of such parcel;

19 WHEREAS, Section 6 of Ordinance No. 573 ordains the Board of Supervisors, for every
20 fiscal year, to determine the nature, extent and cost of the extended services to be provided by
21 and within each County Service Area, in conjunction with the proceedings for adoption of the
22 budget for the County;

23 WHEREAS, Section 6 of Ordinance No. 573 further provides that the rate of charge for
24 each service shall be computed by dividing the net cost of each such service by the total number
25 of parcels in the service area receiving the particular service;
