AGREEMENT FOR LAW ENFORCEMENT SERVICES
BETWEEN THE JURUPA COMMUNITY SERVICES DISTRICT
AND THE COUNTY OF RIVERSIDE

THIS AGREEMENT FOR LAW ENFORCEMENT SERVICES ("Agreement") is made and entered into by and between the JURUPA COMMUNITY SERVICES DISTRICT, an independent special district, hereinafter "District," and the COUNTY OF RIVERSIDE, a political subdivision of the State of California, on behalf of the Riverside County Sheriff's Office, hereinafter "County", sometimes collectively referred to herein as the "parties" and individually as a "party".

IT IS THEREFORE AGREED AS FOLLOWS:

1. TERM

1.1 Effective Date. This Agreement shall be effective from July 1, 2026, through June 30, 2028.

1.2 Renewal. In the event District desires to renew this Agreement for any succeeding twelve (12) month period, the District Directors, not later than six (6) months preceding the expiration date of this Agreement, shall notify the Board of Supervisors that it wishes to renew the same, whereupon the Board of Supervisors, within thirty (30) days, shall notify said District Directors in writing of its acceptance of such renewal for an additional twelve (12) month period or such other term as mutually agreed upon; otherwise, such Agreement shall finally terminate at the end of the current twelve (12) month period.

1.3 Termination. Notwithstanding the provisions of Paragraphs 1.1 and 1.2 herein, either party may terminate this Agreement as of the beginning of the first day of July of any year upon notice in writing to the other party of not less than six (6) months prior thereto.

2. SCOPE OF SERVICE

The County agrees, through Sheriff thereof, to provide municipal police protection within the geographical limits of District to the extent and in the manner hereinafter set forth. The services shall encompass duties and functions of the type falling under the jurisdiction of and customarily rendered by the Sheriff under State statutes. Such services shall include the enforcement of State Criminal Codes and the codes and ordinances applicable to the District. Services shall also include traffic enforcement and related services to the extent possible given the size of the force provided for in this Agreement. County agrees to provide all investigative support necessary to complete criminal investigations conducted hereunder.

3. LEVEL OF SERVICE

3.1 Level of Service Specified. Sheriff will fulfill the Scope of Service by providing law enforcement services at the level specified in Attachment A, attached hereto and incorporated herein by this reference.

3.2 Variation in Level of Service. Increases or decreases in the level of service shall be made by amendment, as provided for in Section 9 of this Agreement. If District requests an increase in the level of service to be provided under this Agreement, County agrees to provide such increased level of service as soon as is practicable, consistent with the ability of the Sheriff to do so.

4. PROVISION OF SUPERVISION, LABOR, AND EQUIPMENT

4.1 Supervision. Supervision over the rendition of law enforcement services, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed, shall remain with County.

4.2 Labor and Equipment. For the purpose of performing said services, County shall furnish and supply all labor, supervision, equipment, communication services, and supplies necessary to maintain the level of service to be rendered hereunder. Location of the above will not necessarily be within District limits. Notwithstanding anything herein contained, it is agreed that in all instances where specific equipment used solely to support specialized enforcement activities within the District not normally provided by the Sheriff is to be used, or where special supplies, stationery, notices, forms, and the like related to law enforcement are to be issued in the name of District, such equipment and materials shall be supplied by District at its own cost and expense. Any such special equipment or materials so purchased by District shall meet with the Sheriff's specifications shall remain within the District limits, and ownership title thereto shall remain with District.

However, under no circumstances shall District purchase or otherwise provide general patrol vehicles for services provided pursuant to this agreement without permission of Sheriff. The County shall provide all marked general Patrol vehicles to District and shall charge District for their use on a per mile basis.

4.3 District-Owned Motorcycles and Specialized Support Vehicles. In the event District chooses to provide motorcycles or specialized support vehicles for use in providing services hereunder, the motorcycles or specialized support vehicles shall meet minimum specifications furnished by County, shall be adequately equipped and ready for use, and shall be registered in the name of District. It is further understood that District is providing motorcycles or specialized support vehicles to Sheriff expressly for law enforcement services and shall only be operated by Sheriff's personnel, or persons authorized by the Sheriff.

District shall bear the cost of maintenance, fuel, licensing, and any and all expenses associated with use of the motorcycles and specialized support vehicles for the provision of services hereunder, which is inclusive of responsibility for any and all cost for physical damage to the District-owned motorcycles or specialized support vehicles. However, County shall be responsible for the cost of all third party liability caused by the operation of the District-owned motorcycles or specialized support vehicles, including the property damage caused by the negligence or wrongful acts of County officers and employees while operating District-owned motorcycles and specialized support vehicles. Motorcycles and specialized support vehicles shall

be used only for District-approved functions.

4.4 Vehicle Insurance. District shall maintain insurance for any physical damage to the District-owned vehicles in an amount equal to the replacement value of all vehicles provided to the County under this Agreement. Policy shall, by endorsement, name the County of Riverside, its Departments, Districts, Agencies and Special Districts, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents, or representatives as Additional Insureds. Such insurance may be provided through a program of self-insurance.

"Cost" as used herein shall not include items of expense attributable to services normally provided or available to all territory within the County as part of the County's obligation to enforce State law.

6.2 Establishment of Costs. The law enforcement cost to be charged to District by way of an hourly rate, a mileage rate, and a facilities charge shall be adjusted periodically to reflect any changes in the cost to County for providing services hereunder. District shall, thereafter, be notified of adoption by County of the costs to be charged District, and said new costs to District shall take effect on the same date as County incurs the cost. Should District, subsequent to a cost adjustment, choose not to appropriate or expend any additional monies needed to support the level of service theretofore supplied, County reserves the right to reduce the level of service in accordance with the amount District is willing to expend.

6.3 Payment of Costs. County, through the Sheriff's Office, shall provide to District within thirty (30) days of the conclusion of each billing period an itemized statement of the costs for services being charged for said period. District shall remit payment to the invoicing department within thirty (30) days after receipt of such statement. County shall defend, at its sole cost and expense, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, the District, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, elected and appointed officials, employees, agents and representatives in any such action or claim. With respect to any action or claim subject to indemnification herein by County, County shall, at its sole cost, have the right to use counsel of its own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of District; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes County's indemnification of District. County's obligations hereunder shall be satisfied when County has provided to District the appropriate form of dismissal (or similar document) relieving the District from any liability for the action or claim involved.
