**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

BACKGROUND:

Summary

The Board of Supervisors serves as the governing body for the County of Riverside and is responsible for establishing policy, providing fiscal oversight, and ensuring County departments operate effectively, efficiently, and in a manner that maintains public confidence.

Over the past several years, questions regarding oversight and accountability of Sheriff Department operations have been raised through public comment, community advocacy, media reporting, prior Board discussions, state investigations, and, most recently, the 2025-2026 Riverside County Civil Grand Jury Report. While these perspectives differ in their conclusions and recommendations, together they demonstrate sustained public interest in how oversight of the Sheriff's Department is structured and carried out.

The Board has previously considered whether additional advisory or oversight mechanisms should be evaluated or established, but those discussions did not result in formal Board action.

Since that time, circumstances have continued to evolve. Additional public engagement, continued external interest, and recent findings issued by the Civil Grand Jury have renewed discussion regarding the County's existing advisory structures and whether additional governance mechanisms should be considered.

Accordingly, rather than presupposing a particular outcome, it is appropriate for the Board to undertake a deliberate and comprehensive review of the available options. Establishing an Ad Hoc Committee provides an opportunity to evaluate existing advisory mechanisms, review governance models implemented in other jurisdictions, engage with stakeholders representing a variety of perspectives, and consider the legal, operational, fiscal, and governance implications associated with various approaches.

The purpose of the Ad Hoc Committee is to develop a well-informed recommendation that reflects Riverside County's operational needs, governance responsibilities, and community expectations for consideration by the full Board of Supervisors.

The Ad Hoc Committee should engage with County departments, community organizations, advocacy groups, labor organizations, subject matter experts, existing advisory bodies, and other interested stakeholders as appropriate. It should review the County's current advisory and accountability mechanisms, evaluate practices employed by comparable jurisdictions, consider the fiscal and operational implications of various approaches, and identify potential options for future Board consideration.

Within 180 days, the Ad Hoc Committee will return to the Board with its findings and recommendations, including any proposed next steps.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Impacts on Residents and Businesses

Establishing the Ad Hoc Committee provides an opportunity for a thoughtful and inclusive review of governance options related to the Sheriff's Department. The review will allow the Board to consider a range of approaches, evaluate their legal, fiscal, and operational implications, and receive input from interested stakeholders before determining whether any changes are warranted. This process is intended to support informed decision-making, strengthen public confidence in County government and public safety, and ensure that any future actions are tailored to Riverside County's unique operational needs.

Additional Fiscal Information

The fiscal impact of this proposal will primarily involve staff time and potential consultant fees for expert input to assist the Ad Hoc Committee.

VIA EMAIL & CERTIFIED MAIL (Hand Delivered. Riverside County Clerk of the Board)

Board of Supervisors Riverside County Administrative Office 4080 Lemon Street, 12th Floor
Riverside, CA 92502

RE: URGENT — Support for Sheriff Bianco Budget & Documentation of Systematic Undermining of Public Safety.

Agenda Item 69 (Sheriff's Office Oversight) 07.14.2026

Dear Members of the Board of Supervisors:

I. PURPOSE OF THIS LETTER

This letter serves three critical purposes: (1) formal support for Sheriff Chad Bianco's proposed budget request for fiscal year 2025-2026; (2) documentation of the Board's failure to heed multiple warnings from the Sheriff regarding public safety threats; and (3) concern about emerging patterns of intimidation targeting the Sheriff's Office that mirror the employee retaliation documented in the 2025-2026 Civil Grand Jury reports.

II. THE BOARD'S REFUSAL TO COMPLY WITH GRAND JURY RECOMMENDATIONS

Most critically, you have refused to implement Grand Jury recommendations addressing corruption vulnerabilities in county governance. The **"Uncapped Influence"** Grand Jury report (January 2026) found that Ordinance 963 caps direct campaign contributions but contains an exception allowing **unlimited independent expenditures** by PACs and unions. The Grand Jury concluded this loophole **undermines public confidence** and creates "perception of influence" and possible "undue influence." It noted that **4 out of 5 supervisors received money** from the RSA union, and recommended eliminating the unlimited spending exception.

Carrie Law

Note: see

- **Form 460 (Recipient Committee Campaign Statement)** filings.

Casino and Tribal Contributions , Warehouse Developers (Amazon Trucking & Logistics), political action committees (PACs)—**major industrial real estate developers** (like *Lewis Group o Companies, IDIL, or Howard Industrial Partners*) are massive donors.

You rejected these recommendations, asserting the county's campaign-finance rules "don't need fixing" (Press Enterprise, June 23, 2026). This refusal comes despite the Grand Jury documenting a **\$10 million settlement pattern** from retaliation claims across county departments. The Board must formally respond to all Grand Jury findings by **September 24, 2026** — yet already demonstrated unwillingness to address campaign finance vulnerabilities.

Additionally, reports exist of the conviction of Coachella Mayor Steve Hernandez and a County Manager from District 4 following a 9-count indictment during Supervisor V. Manuel Perez's tenure. While these may involve ongoing proceedings, combined with your rejection of Grand Jury reform recommendations, they raise questions about accountability structures within county board of Supervisors governance.

III. THE SHERIFF'S REPEATED WARNINGS IGNORED

Sheriff Bianco has warned county leadership about multiple crises requiring adequate funding. In December 2024, he expressed concerns about the Board's 3-1 vote restricting county resources for federal immigration enforcement. On January 28, 2025, he opposed the Board's 4-1 vote establishing a formal sanctuary designation. On February 21, 2025, he testified in Sacramento in support of SB 554 (sanctuary state overhaul), stating SB 54 "does absolutely nothing but harm the people they say they are protecting." Throughout 2025-2026, the Grand Jury documented that jail understaffing contributed to **29 inmate deaths** (February 2023 – April 2026), yet funds continued to be directed away from public safety toward sanctuary programs. The Sheriff has also warned about drug trafficking, cartel infiltration, and the fentanyl crisis in the county with no corresponding budget increase for interdiction resources.

The Grand Jury report "After a Decade of Recorded Deaths in County Jails" documented "systemic failures in staffing, intake/screening, supervision" contributing to inmate deaths. **The Board of supervisors controls the power of the purse over the Sheriff's Office.**

proper governance roles — the Grand Jury found supervisors "influencing operations beyond proper governance role."

V. PUBLIC SAFETY COSTS OF UNDERFUNDING THE SHERIFF

Jail operations remain understaffed with deaths documented and fentanyl overdoses confirmed in multiple cases. Drug interdiction resources are insufficient despite illegal cannabis operations with human trafficking documented in the Coachella Valley. Federal oversight on immigration detainee medical protocols continues. Staff morale is compromised by the Grand Jury's documented. **The Sheriff has warned about cartel infiltration while FBI and DEA operations in the region require local support.**

The county faces a **\$38 million deficit** (mid-year 2025-26), compounded by **\$450 million in federal healthcare cuts**. **Yet funds continue being redirected toward sanctuary programs while public safety is starved.**

VI. LEGAL AND ETHICAL CONCERNS

Underfunding jails violates Eighth Amendment protections and the County's constitutional duty to provide adequate conditions. Redirecting funds from interdiction to sanctuary programs conflicts with the duty to protect residents from crime. The documented pattern of retaliation violates whistleblower protections under Labor Code § 1102.5. The County is exposed to significant legal risk: jail death lawsuits contributing to the \$38M deficit, \$10M in retaliation settlements (2016-2025), ongoing federal civil rights violations, and FPPC campaign finance violations from the "Uncapped Influence" Grand Jury report.

VII. REQUESTED ACTIONS

Within 30 days, we request: (1) approval of Sheriff Bianco's full budget request without reduction; (2) a written explanation for any budget line-item reductions to the Sheriff's Office; and (3) cessation of public criticism of the Sheriff that undermines operational security.

Within 90 days, we request: (4) establishment of independent oversight for retaliation complaints as recommended by the Grand Jury; (5) a third-party audit of Sheriff's Office budget adequacy; and (6) creation of a whistleblower protection channel separate from Board-controlled HR.

Before the end of the fiscal year, we request: (7) **full compliance with Grand Jury recommendations from the "Uncapped Influence" and "Code Enforcement" reports** (including elimination of unlimited campaign spending exceptions); (8) a full response to the **September 24, 2026 deadline** for all Grand Jury findings; and (9) a halt to the diversion of public safety funds to **sanctuary programs without Board of Supervisors justification.**

VIII.

CONCLUSION

The Board of Supervisors faces a critical choice: continue undermining the Sheriff's Office despite his documented warnings and boards, reject Grand Jury reform recommendations, or restore proper public safety funding and address the systemic problems the Grand Jury has identified. The pattern of retaliation against employees documented by the Grand Jury cannot be ignored when similar patterns appear to be emerging against the Sheriff's Office. Your rejection of campaign finance reforms despite documented "undue influence" concerns compounds the liability the County faces.

If the Board proceeds with budget cuts while ignoring warnings about public safety risks and rejecting anti-corruption reforms, the County **board of supervisors** will bear legal and moral

responsibility for foreseeable harms.

We urge the Board to act responsibly, support the Sheriff's budget request, and cease all actions that resemble political intimidation.

Respectfully submitted,

Riverside County Resident

Nancy Word

Nancy Word

Good morning, Chair and Supervisors.

My name is **Doreen Fisher**.

I am not here today as an expert in government or public policy. I am here as a mother whose son entered the Riverside County jail alive and never truly recovered from what happened there.

I understand today's vote is **not** about creating an oversight board. It is about creating a temporary ad hoc committee to study the issue, hear from families, law enforcement, and experts, and recommend what independent oversight in Riverside County should look like.

I respectfully ask each of you to vote **yes**.

On **October 30, 2023**, while waiting for his court appearance at the Larry D. Smith Correctional Facility, my son was brutally assaulted by four inmates. After a disagreement over the use of a phone, several inmates became confrontational. My son was on his way to get a deputy when he was attacked. His jaw was broken in four places. He suffered lacerations and head injuries with a serious concussion.

The assault nearly took his life.

The following day, unaware of what had happened, I called the jail to schedule a visit with my son. I was told I could not because he was not there, and no one could tell me where he was because of HIPAA.

I explained that I believed my son had listed me as his emergency contact. I asked, **"Do I need to search hospitals? Was he hurt?"** I was told that if I did, I would be arrested.

I was never notified that my son had been seriously injured or transported to the hospital, and my son later confirmed that I was his emergency contact.

When my son returned from the hospital, I bailed him out as quickly as I could. He was in tremendous pain, and he could not eat; he did not receive medical care back at the jail.

I immediately took him to the Redlands Community Hospital Emergency Room, where we were told they could not treat him because there were no records of his injuries anywhere. We then returned to Riverside University Health System in Moreno Valley, where he had initially been taken. They could not find his records either. It wasn't until I insisted they search further that they discovered he had been admitted under a different name and his records had been hidden.

My son never truly recovered. He lived with constant pain and never received the surgery he needed to repair his broken jaw.

"On June 24, 2024, I lost my son. After everything he endured, he took his own life."

When he died, I wanted every possible question answered. I asked the Sheriff's Coroner to perform a toxicology test. My request was denied. Later, when I sought records about my son's death, I once again encountered obstacles that left me feeling there was no independent place for my family to turn for answers.

That is why I am here today.

Our family was preparing to pursue legal action because we believed many of these events could have been prevented. But what we wanted most were answers. To this day, we still do not know whether anyone was ever held accountable for the assault on my son.

I believe transparency and independent oversight can help families understand what happened, identify what went wrong, and help prevent similar tragedies in the future. When people feel they have been heard and their questions have been honestly addressed, it builds trust. That benefits families, the Sheriff's Department, Riverside County, and the community we all serve.

I would like to share one of the last things my son told me:

"Mom, there are a lot of good sheriffs, and there are bad ones. The good ones don't deserve to have this on them."

I have never forgotten those words. He was right. I am not here because I hate law enforcement.

I am here because I loved my son. I am here because my son's voice deserves to be heard.

I believe there are many honorable deputies who serve Riverside County every day. Independent oversight is not about attacking them. It is about strengthening public trust, protecting the good deputies, and ensuring families have confidence that serious incidents are reviewed fairly and transparently.

Today's vote is **not** about deciding my son's case.

It is about deciding whether Riverside County is willing to listen.

A **yes** vote today does not assign blame. It does not determine guilt. It simply allows Riverside County to study the issue, hear from families, deputies, and experts, and make informed decisions about whether improvements are needed.

I cannot change what happened to my son.

But I will continue sharing his story in the hope that another family never has to fight for answers or stand where I am standing today.

I respectfully ask each of you to vote **yes**.

Thank you for listening to my son's story.

Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please ensure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chair adheres to a strict three (3) minutes per speaker. ***Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.***

Group/Organized Presentations:

Addressing the Board & Acknowledgement by Chair:

The Chair will determine what order the speakers will address the Board and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using course, crude, profane or vulgar language while speaking to the Board members, staff, the public and/or meeting participants. Such behavior, at the discretion of the Board Chair may result in removal from the Board Chambers by Sheriff Deputies.

RE: Importance of Public Accountability

Dear Members of the Riverside County Board of Supervisors,

As someone who is a property owner and works in Riverside County, I believe accountability and transparency should always be part of how government operates.

The public places trust in county institutions every day, and taxpayers deserve to know that the agencies funded by public dollars are operating responsibly and within systems that promote openness and accountability.

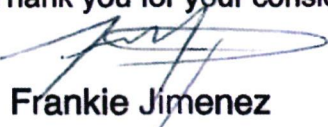

Creating a Public Safety Oversight Advisory Board is an important step toward strengthening confidence in local government and ensuring residents know there are independent processes that support transparency.

This is about making sure the public has confidence that government institutions are operating in a way that respects both taxpayers and the communities those institutions serve.

Riverside County should continue building systems that strengthen accountability and reinforce public trust.

I encourage the Board of Supervisors to move this effort forward.

Thank you for your consideration.

Re: Support for Agenda Item 3.69

Dear Chair and Members of the Riverside County Board of Supervisors,

On behalf of TruEvolution, I write in support of Agenda Item 3.69 establishing an Ad Hoc Committee to evaluate advisory and oversight options for the Riverside County Sheriff's Department.

For nearly two decades, TruEvolution has worked alongside public agencies, healthcare providers, educators, businesses, and community organizations throughout Riverside County to build healthier communities. Through this work, we have learned that lasting solutions are built through meaningful collaboration, transparency, and a willingness to listen to the people most affected.

We support this proposal because it creates a structured process to bring stakeholders together, evaluate governance options, and make informed recommendations before permanent decisions are made. This represents a responsible and collaborative approach to public policy.

Communities are strongest when residents have confidence that the government is willing to listen, examine difficult issues thoughtfully, and pursue solutions that strengthen trust across our diverse county.

We respectfully encourage the Board to approve this item and begin that important work.

Sincerely,

Riverside County Board of Supervisors
4080 Lemon Street
Riverside, California 92501

Re: Support for July 14, 2026, Agenda Item 3.69 — Formation of an Ad Hoc Committee to Examine Independent Sheriff's Department Oversight

Dear Chair Spiegel and Members of the Riverside County Board of Supervisors:

On behalf of **Starting Over Strong** and the **Ruchell Cinque Magee Community Land Trust**, I write in strong support of Agenda Item 3.69

Formation of this committee is a necessary and long-overdue first step. The committee should be charged with examining the details of an effective oversight system, including its structure, membership, responsibilities, authority, access to information, staffing, funding, and accountability to the public.

Over the five-year period from 2021 through 2025, available reports indicate that **at least 79 people died while under the custodial responsibility of the Riverside County Sheriff's Office**. Thirty-three deaths were recorded in 2021, and an additional 46 deaths were documented between 2022 and 2025. That means at least 79 families have been forced to grieve the loss of a loved one who died while in the government's care.

These are not merely statistics. Each number represents a person, a family, and a community forever changed. Regardless of why a person has been arrested or confined, that person has not been sentenced to death. **The County has a responsibility to protect the health, safety, dignity, and constitutional rights of every person in its custody.**

Independent oversight will not bring back those whose lives have already been lost, but it can help save lives in the future. It can identify patterns, expose institutional weaknesses, improve medical and mental-health responses, strengthen intake and monitoring procedures, require corrective action, and restore some level of public trust in the Sheriff's Office.

The evidence before the Board is substantial. The 2025–2026 Riverside County Civil Grand Jury concluded that the County has not established a comprehensive and independent civilian oversight structure. It found that existing oversight mechanisms are fragmented, largely internal to the Sheriff's

 1.951.898.0862

 startingoverstrong2022@gmail.com

 6355 Riverside Ave. Riverside CA 92506

chain of command, and insufficient to provide independent review of critical incidents, systemic risk analysis, or consistent public transparency. The Grand Jury recommended that the Board establish an independent oversight body with investigative access, dedicated staffing and funding, authority to review in-custody deaths and other critical incidents, and mandatory public reporting.

The Grand Jury also found systemic concerns involving intake screening, staffing, medical and mental-health care, supervision, documentation, emergency response, and the absence of independent review.

The human cost is accompanied by a serious financial cost. Riverside County taxpayers repeatedly bear the expense of litigation, legal defense, settlements, judgments, insurance costs, and corrective measures taken only after preventable harm has occurred. Riverside County paid **\$7.5 million to settle one case involving an in-custody death**, and the Grand Jury noted that comparable custodial-death and medical-neglect cases have resulted in settlements ranging from \$1 million to more than \$10 million per incident.

Riverside County allocates billions of dollars annually to public-safety functions. No responsible governing body should entrust an entity with enormous public resources, life-and-death authority, weapons, detention facilities, and the power to deprive people of their liberty without meaningful independent review. The Sheriff's Office should be no exception.

An ad hoc committee should examine and make recommendations regarding:

- The structure, membership, appointment process, duties, and authority of an independent oversight body;
- Whether Riverside County should establish a civilian oversight commission, an inspector general, or a combined model;
- Independent review of in-custody deaths, uses of force, complaints, disciplinary systems, jail conditions, and correctional health services;
- Access to records, facilities, personnel, data, video, investigative materials, and other information necessary to conduct meaningful review;
- Subpoena authority and other investigative powers permitted under California law;
- Independent staffing, legal counsel, funding, and administrative support;
- Mandatory public reporting, regular data dashboards, findings, recommendations, and written departmental responses;
- Protections ensuring independence from the Sheriff's chain of command and inappropriate political interference;

 1.951.898.0862

 startingoverstrong2022@gmail.com

 6355 Riverside Ave. Riverside CA 92506

- Meaningful participation by families, formerly incarcerated and directly impacted residents, civil-rights organizations, medical and mental-health professionals, labor representatives, and civilian-oversight experts; and
- A clear timeline for returning to the full Board with recommendations and an implementation plan.

This issue is bigger than Sheriff Chad Bianco and his political aspirations. It is bigger than any individual officeholder or election cycle. It is about what is best for Riverside County and all the people who live here—including people who are arrested, detained, or incarcerated.

Effective oversight is not anti-law-enforcement. Properly designed oversight can protect the public, support professional personnel, identify operational deficiencies, improve working conditions, distinguish individual misconduct from institutional failures, and strengthen the credibility of the Sheriff's Office. Accountability and public safety are not opposing goals. Accountability is essential to legitimate and effective public safety.

The Board has been presented with more than enough evidence to act: the continuing death toll, the Civil Grand Jury's findings, the ongoing California Department of Justice investigation, failures in public reporting and transparency, concerns regarding staffing and budget management, costly litigation, and criminal allegations involving current or former Sheriff's personnel.

This has gone on for far too long. Continuing to study the problem without creating a path toward meaningful independent oversight is no longer an acceptable response. I am not interested in another stall tactic and want to lift up the urgency of this matter. Since July 29 2025 at least 16 more people have died, 12 of them, inside the jails.

We respectfully urge every member of the Riverside County Board of Supervisors to vote **yes on Agenda Item 3.69**, establish the ad hoc committee, require a transparent and community-informed process, and direct the committee to develop a strong, permanent, and effective model for independent oversight of the Riverside County Sheriff's Office.

The people of Riverside County—and the families who have already paid the greatest possible price—deserve nothing less.

Sincerely,

Subject: Policy Calendar Item #69 on the July 14, 2026 Board of Supervisors Meeting Agenda

Dear Chair Spiegel and Members of the Board:

We are writing on behalf of Community Law Enforcement Accountability Now ([CLEAN](#)) of Sonoma County to support an inspector general and civilian oversight board for Riverside County as authorized by AB1185. The recent [Riverside County civil grand jury report](#) released in June reinforces the need for ongoing professional oversight and accountability to the public.

CLEAN is a 501(c)(3) grassroots nonprofit organization that has been instrumental in establishing and enhancing oversight of the Sonoma County Sheriff's Office through ballot initiatives (Measure P) and ongoing advocacy. Our mission is to ensure effective checks and balances through transparency and accountability of Sonoma County law enforcement agencies, while rebuilding trust between the community and law enforcement.

Independent oversight of law enforcement is a commonsense approach to professionalism and good government from our sworn law enforcement personnel. Effective, collaborative oversight provides important institutional guardrails to promote transparency and accountability while reducing taxpayer liability and risk due to misconduct and lawsuits.

Thank you for considering this important step.

Dear Members of the Board of Supervisors,

I am a resident of Moreno Valley and represent 93 Unions, over 400,000 Members through the Inland Empire Labor Council and I am writing in support of efforts to establish a Public Safety Oversight Advisory Board in Riverside County, on behalf of the Inland Empire Labor Council.

I believe transparency and accountability in government are important because, we work hard for the tax dollars we contribute to keep this County Running and there should be accountability in every County Office, that's including the Sherri's office.

I believe Riverside County residents deserve, a Sherri's department that's accountable to the County and the Residents of Riverside County.

I encourage the Board of Supervisors to support efforts that strengthen public trust and create greater accountability within county government.

Thank you for your consideration.

I oppose this proposal because Riverside County has already spent years studying problems within the Sheriff's Department. As a family member of someone who died in the Sheriff's custody, I believe the County has heard enough reports and recommendations. It is time to act on those recommendations, improve transparency, and hold the Department accountable instead of creating another ad hoc committee that may delay needed reforms.

I am writing as Chair of the Social & Environmental Justice Committee of the Universalist Unitarian Church of Riverside in strong support of Item 69, establishing an Ad Hoc Committee to evaluate advisory and oversight options for the Riverside County Sheriff's Department.

As Unitarian Universalists, we affirm the inherent worth and dignity of every person, and we hold Justice, Equity, and compassion in human relations as core values. Those principles compel us to speak up when institutions that hold power over people's lives and safety operate without adequate transparency or accountability.

The 2025–2026 Civil Grand Jury report, released last month, found that Riverside County has not established the independent civilian oversight structure authorized under AB 1185, and it documented systemic deficiencies behind a decade of record in-custody deaths. The Grand Jury recommended the Board establish an independent oversight body with subpoena authority within twelve months. Independent oversight is not an accusation against the men and women who work in the Sheriff's Department. It is a governance best practice that protects both the public and the institution; building trust, catching problems early, and ensuring that every person in the county's care is treated with the dignity they deserve.

Our congregation urges the Board to move forward with this Ad Hoc Committee today and to act with urgency on the Grand Jury's findings. Riverside County residents deserve a sheriff's department that operates with transparency and accountability.

Thank you for your consideration.

Dear Chair and Members of the Riverside County Board of Supervisors,

I regret that I am unable to attend Tuesday's meeting in person, but I wanted to express my support for Agenda Item 3.69 establishing an Ad Hoc Committee to evaluate advisory and oversight options for the Riverside County Sheriff's Department.

As a Trustee for the Moreno Valley Unified School District, I also have firsthand experience working with the Riverside County Sheriff's Department through our school safety partnership. Like the City of Moreno Valley, our district contracts with the Sheriff's Department because we do not have an independent law enforcement agency. While we value the importance of maintaining safe schools, there have also been instances that have raised community concerns regarding interactions with students. Those experiences reinforce my belief that thoughtful, independent oversight can strengthen public confidence, improve accountability, and ultimately benefit both the community and the dedicated deputies who serve honorably.

As an elected member of the Moreno Valley Unified School District Board of Education, I understand the importance of transparency, accountability, and public trust in our institutions. Responsible governance requires taking the time to study important issues, hear from stakeholders, and carefully evaluate options before making long-term decisions.

I appreciate that this proposal does not predetermine an outcome. Instead, it creates a thoughtful and transparent process to engage the community, examine best practices, and return to the Board with informed recommendations. That approach reflects the principles of good governance and responsible public stewardship.

Establishing this committee is not a judgement on the Sheriff's Department- it is a commitment to responsible governance. Evaluating oversight models used throughout California and engaging stakeholders before making policy decisions reflects the transparency and accountability that Riverside County Residents deserve.

I respectfully encourage the Board to approve the establishment of the Ad Hoc Committee and begin this important public process.

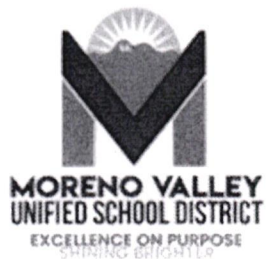

Thank you for your consideration.

Sincerely,

Sammie Luna

Subject: Fwd: Adoption of civilian oversight of the Sheriff's Department: Support Agenda Item 3.69

CAUTION: This email originated externally from the **Riverside County** email system. **DO NOT** click links or open attachments unless you recognize the sender and know the content is safe.

Good morning County Supervisor,

My name is Janet Bernabe, and I am a 30 year resident of the city of Perris. - Deputy District 5 Director with the League of United Latin American Citizens LULAC and Vice President of the League of Women Voters LWV.

LULAC supports the Civil Grand Jury's recommendation for independent civilian oversight of the Riverside County Sheriff's Department. The Grand Jury has completed its work, and the responsibility now rests with this Board to provide a meaningful response and move toward implementation of that recommendation. I am writing today to urge you to support the enactment of oversight measures over the Riverside County Sheriff's Department (RCSD.) RCSD's ongoing sheriff-involved shootings, in-custody deaths, and the significant financial liability have eroded public trust and demand urgent reforms. To restore and maintain confidence in the Sheriff's Department and its operations, the County must establish an Oversight Board and an Office of Inspector General with subpoena power, as authorized under AB 1185. This fact was just recently re-affirmed in a report by our own civil grand jury.

The people of Riverside County deserve a sheriff's department that serves with integrity, transparency, and accountability. The current lack of independent oversight and the concentration of power within the Sheriff's Office have created an environment of mistrust, fear, and injustice. The time for change is now. I urge you to implement these critical reforms immediately to ensure public safety and justice for all Riverside County residents.

The Riverside County Grand Jury Report found oversight necessary. Myself and many other residents agree with this completely — there has been too many human lives lost within Riverside County jails, too many people hurt due to a lack of civilian oversight, and too much taxpayer money used for lawsuits against the sheriff for malpractice which should've never occurred.

Riverside County Board of Supervisors (BoS)
County Administrative Center / First Floor Board Chambers
4080 Lemon St.
Riverside, CA. 92501
Attention: Clerk of the Board of Supervisors

Re: Written testimony in regards to Agenda Items: 2.16, 3.2, 3.13, 3.69, 16.D-1, & PUBLIC HEARING(S): 21.2, 21.5. & 21.8.

Dear current BoS members,

Please review my written statements prior to the consideration of each agenda Item as listed.

1) Agenda Item: 2.16. (Register of Voters-)

Position: In Opposition

Please refrain from this purely "received and filed" proceeding to add ANY form of accountability and accurate summaries provided by Riverside County Register of Voters provided services for the June 2, 2026 elections.

It's reasonable that Riverside County officials are NOT currently serving it's population in an honorable manner.

2) Agenda Item: 3.2. (Community Improvement Designation (CID) funds)

Position: In Opposition (as presented)

Organizations such as Riverside County entrenched and politically motivated insider(s) Lift to Rise should be recognized as being extremely motivate as a political driven organization with unique and unusual political elements that ONLY caterers to selective groups and causes.

CID funds could reach more deserving organizations then a group that desires to build an extream compound over providing services to the community that they claim to serve.

3) Agenda Item: 3.13. (Riverside County Transportation commission (RCTC) SPECIAL ELECTION (Renew and Extend use tax (Sales Tax)).

Position: In Opposition

It's reasonable that special considerations should be recognized to the private sector businesses and political maneuvers that were provided to spend the People's resources to add another governmental agency (Sales Tax scheme) to the November 2026 election cycle.

Clearly this attempt to use the current "Register of Voters" to provide services to help profit seeking schemer's - common sense approached to good governance and ethical standards has been compromised by RCTC appointed members.

4) Agenda Item: 3.69. (The creation of an non-transparent Ad-Hoc committee)

Position: In Opposition

This matter has been proposed and rejected recently during a wildly attended BoS public meeting. It was mention in this agenda Items staff report that a recent Grand jury report was considered for recommending this subject to be revisited.

Please be advised that a Grand jury investigation was also provided in regards to the BoS public meeting proceedings. (Please be reminded that this submitted agenda Item/topic has been placed at the end of the policy calendar agenda. It's reasonable that Riverside County Grand jury investigations are worthless and meaningless to governmental agencies that are investigated.

It's reasonable to consider that this subject is ONLY political in nature.

5) Agenda Item: 16.D-1. (Regional Park - Public Art)

Position: In Opposition

It's reasonable that most Riverside County residents and businesses didn't give permission to have Unincorporated Communities Funds (UCF) used to lease precived "Public Art".

Lake Cahuilla Veterans Park (La Quinta) shouldn't be used by Riverside County officials to supply certain organizations with financial resources under the misleading narrative of Public Art (lease).

Clearly the requested amount of nearly TWO HUNDRED THOUSAND DOLLARS (up to \$200,000.00) for a TEN YEAR engagement with another 10 year extension if desired is nonsensical and extremely dangerous for PUBLIC Trust of Riverside County officials and their willingness to expel local resources in a wasteful fashion.

6) Agenda Item: 21.2 (PUBLIC HEARING TOPIC) TRASH COLLECTION SERVICES

Position: In Opposition

Tax lien against private properties for garbage collection services is nonsensical and extremely dangerous for an ethical governmental agency.

Clearly NOT every property would have the same services if any or ongoing required and or request service.

Service from supplies are not maintained to an acceptable level to have private properties burden with tax liens submitted from those suppliers. Garbage disposal services are a private matter between parties (residents and disposal company) ONLY. Private sector businesses shouldn't be subjected to having the ability from Riverside County to collect sizeable benefits with out detailing an accurate accounting for services provided.

Absolutely NO tax liens should be obtained from private sector companies that are employed by customers for garbage disposal services.

7) Agenda Item: 21.5 (PUBLIC HEARING TOPIC) Treasurer Tax Collector

Position: In Opposition

Clearly Riverside County Treasurer Tax Collector has allowed it's compromised political driven schemes in partnership with other undesirables governmental agencies to take financial resources from estates of Riverside County residents.

Virus narrative event COVID-19 has exceed Riverside County officials (Treasurer Tax Collector) goal to REASSEST real properties at an increase rate. Riverside County governmental agencies have been successful in obtaining financial resources from mostly deceased individuals through deceptive methods and constructed third-party (sharks) that asist with cheating property owners and or family members of private assets.

Riverside County Enforcement Department have shown their unique and unusual punishment techniques (excessive fines and accounting practices) to individuals (property owners) that were probably unaware of precived violations and or the unusual punishment of labor statistics and payment processing of that Riverside County department and other undesirables.

8) Agenda Item: 21.8 (PUBLIC HEARING TOPIC) TREASURER TAX COLLECTOR

Position:

Clearly Riverside County Treasurer Tax Collector has been compromised and have been discovered. It's reasonable to consider that unique compromises were obtained to allow this matter to become established as defaulted (again).

It's reasonable that Riverside County officials willingness to perform poorly will provide windfalls at little to No risk to their operations as usual techniques.

Please refrain from any futher reprisal actions against my private property or person for reporting this true and accurate summary of concerns and opinions expressed.

Sincerely,

Brad Anderson | 37043 Ferber Dr. Rancho Mirage, CA. 92270

Board of Supervisors Riverside County Administrative Office 4080 Lemon Street, 12th Floor Riverside, CA 92502

CC: Riverside County Sheriff Chad Bianco; Riverside County District Attorney; Civil Grand Jury Foreperson; Office of the County Auditor-Controller

Re: Support for Sheriff Bianco Budget and Documentation of Systematic Undermining of Public Safety

Attention Members of the Board of Supervisors:

I. PURPOSE OF THIS LETTER

This letter serves three critical purposes: (1) formal support for Sheriff Chad Bianco's proposed budget request for fiscal year 2025-2026; (2) documentation of the Board's failure to heed multiple warnings from the Sheriff regarding public safety threats; and (3) concern about emerging patterns of intimidation targeting the Sheriff's Office that mirror the employee retaliation documented in the 2025-2026 Civil Grand Jury reports.

II. THE SHERIFF'S REPEATED WARNINGS IGNORED

Sheriff Bianco has warned county leadership about multiple crises requiring adequate funding. In December 2024, he expressed concerns about the Board's 3-1 vote restricting county resources for federal immigration enforcement. On January 28, 2025, he opposed the Board's 4-1 vote establishing a formal sanctuary designation. On February 21, 2025, he testified in Sacramento in support of SB 554 (sanctuary state overhaul), stating SB 54 "does absolutely nothing but harm the people they say they are protecting." Throughout 2025-2026, the Grand Jury documented that jail understaffing contributed to 29 inmate deaths (February 2023 – April 2026), yet funds continued to be directed away from public safety toward sanctuary programs. The Sheriff has also warned about drug trafficking, cartel infiltration, and the fentanyl crisis in the Coachella Valley, with no corresponding budget increase for interdiction resources.

The Grand Jury report "After a Decade of Record Deaths in County Jails" documented "systemic failures in staffing, intake/screening, supervision" contributing to inmate deaths. The Board controls the power of the purse over the Sheriff's Office.

III. GRAND JURY FINDINGS ON RETALIATION & INTIMIDATION

The 2025-2026 Civil Grand Jury documented a disturbing pattern of retaliation against employees who speak up or resist improper directives. The report "Not Living Up to Code" (June 2026), based on 32+ employee interviews, documented punitive transfers known as "highway therapy," bullying and rumor-spreading against dissenting employees, and approximately 80% of harassment complaints being downgraded to "rude behavior" and closed. The report "Policy vs Practice" found HR records didn't match employee filings, suggesting complaint suppression. Across all 41 county departments, approximately \$10 million in settlements from retaliation and harassment claims were paid between 2016 and 2025.

Given this established pattern, we are concerned that current efforts to undermine the Sheriff's budget represent political retaliation for the Sheriff's public disagreement with Board policies, attempted coercion to force compliance on immigration enforcement matters, and a violation of proper governance roles — the Grand Jury found supervisors "influencing operations beyond proper governance role."

IV. PUBLIC SAFETY COSTS OF UNDERFUNDING THE SHERIFF

Jail operations remain understaffed with 29 deaths documented and fentanyl overdoses confirmed in multiple cases. Drug interdiction resources are insufficient despite illegal cannabis operations with human trafficking documented in the Coachella Valley. Federal oversight on immigration detainee medical protocols continues. Staff morale is compromised by the Grand Jury's documented retaliation pattern. The Sheriff has warned about cartel infiltration while FBI and DEA operations in the region require local support.

The county faces a \$38 million deficit (mid-year 2025-26), compounded by \$450 million in federal healthcare cuts. Yet funds continue being redirected toward sanctuary programs while public safety is starved.

V. LEGAL AND ETHICAL CONCERNS

Underfunding jails violates Eighth Amendment protections and the County's constitutional duty to provide adequate conditions. Redirecting funds from interdiction to sanctuary programs conflicts with the duty to protect residents from crime. The documented pattern of retaliation violates whistleblower protections under Labor Code § 1102.5. The County is exposed to significant legal risk: jail death lawsuits contributing to the \$38M deficit, \$10M in retaliation settlements (2016-2025), ongoing federal civil rights violations, and FPPC campaign finance violations from the "Uncapped Influence" Grand Jury report.

VI. REQUESTED ACTIONS

Within 30 days, we request: (1) approval of Sheriff Bianco's full budget request without reduction; (2) a written explanation for any budget line-item reductions to the Sheriff's Office; and (3) cessation of public criticism of the Sheriff that undermines operational security.

Within 90 days, we request: (4) establishment of independent oversight for retaliation complaints as recommended by the Grand Jury; (5) a third-party audit of Sheriff's Office budget adequacy; and (6) creation of a whistleblower protection channel separate from Board-controlled HR.

Before the end of the fiscal year, we request: (7) compliance with Grand Jury recommendations from the "Uncapped Influence" and "Code Enforcement" reports; (8) a full response to the September 24, 2026 deadline for all Grand Jury findings; and (9) a halt to the diversion of public safety funds to sanctuary programs without Board justification.

VII. CONCLUSION

The Board of Supervisors faces a critical choice: continue undermining the Sheriff's Office despite his documented warnings, or restore proper public safety funding and address the systemic problems the Grand Jury has identified. The pattern of retaliation against employees documented by the Grand Jury cannot be ignored when similar patterns appear to be emerging against the Sheriff's Office. If the Board proceeds with budget cuts while ignoring warnings about public safety risks, the County will bear legal and moral responsibility for foreseeable harms.

We urge the Board to act responsibly, support the Sheriff's budget request, and cease all actions that resemble political intimidation.

Respectfully submitted,

Carrie Law

Greetings Riverside County Supervisors & Staff,

My name is Ismael Gonzalez, and I am a resident of Moreno Valley, County District 5.

I urge you and the Board of Supervisors to support the establishment of an advisory and oversight committee for the Riverside County Sheriff's Department (RCSD) as explained and outlined by the submittal document for item 3.69 (ID # 30893) from Supervisors Jose Medina and Karen Spiegel.

In this document, the two authoring supervisors wrote: "Over the past several years, questions regarding oversight and accountability of Sheriff Department operations have been raised through public comment, community advocacy, media reporting, prior Board discussions, state investigations, and, most recently, the 2025-2026 Riverside County Civil Grand Jury Report.

While these perspectives differ in their conclusions and recommendations, together they demonstrate sustained public interest in how oversight of the Sheriff's Department is structured and carried out.

The Board has previously considered whether additional advisory or oversight mechanisms should be evaluated or established, but those discussions did not result in formal Board action. Since that time, circumstances have continued to evolve. Additional public engagement, continued external interest, and recent findings issued by the Civil Grand Jury have renewed discussion regarding the County's existing advisory structures and whether additional governance mechanisms should be considered." Please see attached for the submittal document.

RCSD's ongoing sheriff-involved shootings, in-custody deaths, and the significant financial liability have eroded public trust and demand urgent reforms. To restore and maintain confidence in the Sheriff's Department and its operations, the County must establish an Oversight Committee and an Office of Inspector General with subpoena power, as authorized under AB 1185. This fact was just recently re-affirmed in a report by our own civil grand jury.

The people of Riverside County deserve a sheriff's department that serves with integrity, transparency, and accountability.

The current lack of independent oversight and the concentration of power within the Sheriff's Office have created an environment of mistrust, fear, and injustice. The time for change is now.

I urge you to implement these critical safeguards immediately to ensure public safety and justice for all Riverside County residents.

Thank you,

Ismael Gonzalez (he/him/they/them)

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

BACKGROUND:

Summary

The Board of Supervisors serves as the governing body for the County of Riverside and is responsible for establishing policy, providing fiscal oversight, and ensuring County departments operate effectively, efficiently, and in a manner that maintains public confidence.

Over the past several years, questions regarding oversight and accountability of Sheriff Department operations have been raised through public comment, community advocacy, media reporting, prior Board discussions, state investigations, and, most recently, the 2025-2026 Riverside County Civil Grand Jury Report. While these perspectives differ in their conclusions and recommendations, together they demonstrate sustained public interest in how oversight of the Sheriff's Department is structured and carried out.

The Board has previously considered whether additional advisory or oversight mechanisms should be evaluated or established, but those discussions did not result in formal Board action.

Since that time, circumstances have continued to evolve. Additional public engagement, continued external interest, and recent findings issued by the Civil Grand Jury have renewed discussion regarding the County's existing advisory structures and whether additional governance mechanisms should be considered.

Accordingly, rather than presupposing a particular outcome, it is appropriate for the Board to undertake a deliberate and comprehensive review of the available options. Establishing an Ad Hoc Committee provides an opportunity to evaluate existing advisory mechanisms, review governance models implemented in other jurisdictions, engage with stakeholders representing a variety of perspectives, and consider the legal, operational, fiscal, and governance implications associated with various approaches.

The purpose of the Ad Hoc Committee is to develop a well-informed recommendation that reflects Riverside County's operational needs, governance responsibilities, and community expectations for consideration by the full Board of Supervisors.

The Ad Hoc Committee should engage with County departments, community organizations, advocacy groups, labor organizations, subject matter experts, existing advisory bodies, and other interested stakeholders as appropriate. It should review the County's current advisory and accountability mechanisms, evaluate practices employed by comparable jurisdictions, consider the fiscal and operational implications of various approaches, and identify potential options for future Board consideration.

Within 180 days, the Ad Hoc Committee will return to the Board with its findings and recommendations, including any proposed next steps.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Impacts on Residents and Businesses

Establishing the Ad Hoc Committee provides an opportunity for a thoughtful and inclusive review of governance options related to the Sheriff's Department. The review will allow the Board to consider a range of approaches, evaluate their legal, fiscal, and operational implications, and receive input from interested stakeholders before determining whether any changes are warranted. This process is intended to support informed decision-making, strengthen public confidence in County government and public safety, and ensure that any future actions are tailored to Riverside County's unique operational needs.

Additional Fiscal Information

The fiscal impact of this proposal will primarily involve staff time and potential consultant fees for expert input to assist the Ad Hoc Committee.

Agenda Item 69 (Sheriff's Office Oversight)

From Nancy Word

RCJA@protomail.com

Date: July 14th, 2026

Date: July 14, 2026

VIA EMAIL & CERTIFIED MAIL (Hand Delivered Riverside County Clerk of the Board)

Board of Supervisors Riverside County Administrative Office 4080 Lemon Street, 12th Floor Riverside, CA 92502

CC: Riverside County Sheriff Chad Bianco; Riverside County District Attorney; California Fair Political Practices Commission; Office of the County Auditor-Controller

RE: URGENT — Support for Sheriff Bianco Budget & Documentation of Systematic Undermining of Public Safety.

Dear Members of the Board of Supervisors:

I. PURPOSE OF THIS LETTER

This letter serves three critical purposes: (1) formal support for Sheriff Chad Bianco's proposed budget request for fiscal year 2025-2026; (2) documentation of the Board's failure to heed multiple warnings from the Sheriff regarding public safety threats; and (3) concern about emerging patterns of intimidation targeting the Sheriff's Office that mirror the employee retaliation documented in the 2025-2026 Civil Grand Jury reports.

II. THE BOARD'S REFUSAL TO COMPLY WITH GRAND JURY RECOMMENDATIONS

Most critically, you have refused to implement Grand Jury recommendations addressing corruption vulnerabilities in county governance. The **"Uncapped Influence"** Grand Jury report (January 2026) found that Ordinance 963 caps direct campaign contributions but contains an exception allowing **unlimited independent expenditures** by PACs and unions. The Grand Jury concluded this loophole **undermines public confidence** and creates "perception of influence" and possible "undue influence." It noted that **4 out of 5 supervisors received money** from the RSA union, and recommended eliminating the unlimited spending exception.

Note: see

- **Form 460 (Recipient Committee Campaign Statement)** filings.

Casino and Tribal Contributions , Warehouse Developers (Amazon Trucking & Logistics), political action committees (PACs)—**major industrial real estate developers** (like *Lewis Group of Companies*, *IDIL*, or *Howard Industrial Partners*) are massive donors.

You rejected these recommendations, asserting the county's campaign-finance rules "don't need fixing" (Press Enterprise, June 23, 2026). This refusal comes despite the Grand Jury documenting a **\$10 million settlement pattern** from retaliation claims across county departments. The Board must formally respond to all Grand Jury findings by **September 24, 2026** — yet already demonstrated unwillingness to address campaign finance vulnerabilities.

Additionally, reports exist of the conviction of Coachella Mayor Steve Hernandez and a County Manager from District 4 following a 9-count indictment during Supervisor V. Manuel Perez's tenure. While these may involve ongoing proceedings, combined with your rejection of Grand Jury reform recommendations, they raise questions about accountability structures within county board of Supervisors governance.

III. THE SHERIFF'S REPEATED WARNINGS IGNORED

Sheriff Bianco has warned county leadership about multiple crises requiring adequate funding. In December 2024, he expressed concerns about the Board's 3-1 vote restricting county resources for federal immigration enforcement. On January 28, 2025, he opposed the Board's 4-1 vote establishing a formal sanctuary designation. On February 21, 2025, he testified in Sacramento in support of SB 554 (sanctuary state overhaul), stating SB 54 "does absolutely nothing but harm the people they say they are protecting." Throughout 2025-2026, the Grand Jury documented that jail understaffing contributed to **29 inmate deaths** (February 2023 – April 2026), yet funds continued to be directed away from public safety toward sanctuary programs. The Sheriff has also warned about drug trafficking, cartel infiltration, and the fentanyl crisis in the Coachella Valley, with no corresponding budget increase for interdiction resources.

The Grand Jury report "After a Decade of Recorded Deaths in County Jails" documented "systemic failures in staffing, intake/screening, supervision" contributing to inmate deaths. **The Board of supervisors controls the power of the purse over the Sheriff's Office.**

IV. GRAND JURY FINDINGS ON RETALIATION & INTIMIDATION

The 2025-2026 Civil Grand Jury documented a disturbing pattern of retaliation against employees who speak up or resist improper directives. The report "Not Living Up to Code" (June 2026), based on 32+ employee interviews, documented punitive transfers known as "highway therapy," bullying and rumor-spreading against dissenting employees, and approximately 80% of harassment complaints being downgraded to "rude behavior" and closed. The report "Policy vs Practice" found HR records didn't match employee filings, suggesting complaint suppression. Across all 41 county departments, approximately **\$10 million in settlements** from retaliation and harassment claims were paid between 2016 and 2025.

Given this established pattern, we are concerned that current efforts to undermine the Sheriff's budget represent political retaliation for the Sheriff's public disagreement with Board policies, attempted coercion to force compliance on immigration enforcement matters, and a violation of proper governance roles — the Grand Jury found supervisors "influencing operations beyond proper governance role."

V. PUBLIC SAFETY COSTS OF UNDERFUNDING THE SHERIFF

Jail operations remain understaffed with deaths documented and fentanyl overdoses confirmed in multiple cases. Drug interdiction resources are insufficient despite illegal cannabis operations with human trafficking documented in the Coachella Valley. Federal oversight on immigration detainee medical protocols continues. Staff morale is compromised by the Grand Jury's documented. **The Sheriff has warned about cartel infiltration while FBI and DEA operations in the region require local support.**

The county faces a **\$38 million deficit** (mid-year 2025-26), compounded by **\$450 million in federal healthcare cuts. Yet funds continue being redirected toward sanctuary programs while public safety is starved.**

VI. LEGAL AND ETHICAL CONCERNS

Underfunding jails violates Eighth Amendment protections and the County's constitutional duty to provide adequate conditions. Redirecting funds from interdiction to sanctuary programs conflicts with the duty to protect residents from crime. The documented pattern of retaliation violates whistleblower protections under Labor Code § 1102.5. The County is exposed to significant legal risk: jail death lawsuits contributing to the \$38M deficit, \$10M in retaliation settlements (2016-2025), ongoing federal civil rights violations, and FPPC campaign finance violations from the "Uncapped Influence" Grand Jury report.

VII. REQUESTED ACTIONS

Within 30 days, we request: (1) approval of Sheriff Bianco's full budget request without reduction; (2) a written explanation for any budget line-item reductions to the Sheriff's Office; and (3) cessation of public criticism of the Sheriff that undermines operational security.

Within 90 days, we request: (4) establishment of independent oversight for retaliation complaints as recommended by the Grand Jury; (5) a third-party audit of Sheriff's Office budget adequacy; and (6) creation of a whistleblower protection channel separate from Board-controlled HR.

Before the end of the fiscal year, we request: (7) **full compliance with Grand Jury recommendations from the "Uncapped Influence" and "Code Enforcement" reports** (including elimination of unlimited campaign spending exceptions); (8) a full response to the **September 24, 2026 deadline** for all Grand Jury findings; and (9) a halt to the diversion of public safety funds to sanctuary programs without Board of **Supervisors** justification.

VIII. CONCLUSION

The Board of Supervisors faces a critical choice: continue undermining the Sheriff's Office despite his documented warnings and reject Grand Jury reform recommendations, or restore proper public safety funding and address the systemic problems the Grand Jury has identified. The pattern of retaliation against employees documented by the Grand Jury cannot be ignored when similar patterns appear to be emerging against the Sheriff's Office. Your rejection of campaign finance reforms despite documented "undue influence" concerns compounds the liability the County faces.

If the Board proceeds with budget cuts while ignoring warnings about public safety risks and rejecting anti-corruption reforms, the County **board of supervisors** will bear legal and moral responsibility for foreseeable harms.

We urge the Board to act responsibly, support the Sheriff's budget request, and cease all actions that resemble political intimidation.

Respectfully submitted,

Riverside County Resident

Good morning. My name is Sean Thompson, and I'm a Riverside County resident.

I'm requesting the Board approve Sheriff Bianco's full budget and comply with Grand Jury recommendations. Three findings make this urgent:

First, the Grand Jury documented 29 inmate deaths from understaffing and inadequate screening. Yet the county faces a \$38 million deficit while redirecting funds toward sanctuary programs instead of jail safety.

Second, the "Uncapped Influence" report revealed unlimited campaign spending loopholes creating undue influence. The Board rejected Grand Jury recommendations to fix this despite 4 of 5 supervisors receiving money from the union and PAC's, Developers, Casino's et al.

Third, the Grand Jury found systematic retaliation against employees — "highway therapy" transfers, bullying, and 80% of harassment complaints downgraded and suppressed. We're now seeing similar patterns targeting the Sheriff's Office.

Reports also indicate corruption cases at the municipal level, including Coachella Mayor Steve Hernandez's conviction under Supervisor Perez's tenure. Combined with your rejection of anti-corruption reforms, this raises serious accountability concerns.

I urge the Board to:

- (1) restore public safety funding without cuts,
- (2) eliminate campaign finance loopholes per Grand Jury recommendations,
- (3) halt retaliation against whistleblowers, and
- (4) provide written

explanations for any budget reductions to Sheriff operations.

I've submitted a detailed letter to the Clerk's office today for the public record. If the Board proceeds with cuts while ignoring these warnings, the County Board of Supervisors individually will bear legal responsibility for foreseeable harms.

Thank you.

Hiring Freeze for Eligibility Services Clerk

Message

Good Afternoon, Chair and Members of the Board.

My name is Kristy Rodriguez, and I am an Eligibility Services Clerk with Riverside County.

I attended this morning's Board meeting intending to speak during Agenda Item 3.69. However, with 58 speakers on the item and after waiting approximately three hours, I had to leave before my name was called. I was accompanied by my 79-year-old mother, who is diabetic. After the extended wait, she had become hungry and was experiencing pain due to the cold, and I made the decision to prioritize her well-being. I respectfully submit the remarks I had prepared.

My comments concern the ongoing hiring freeze affecting Eligibility Services Clerks. While funding was preserved for Eligibility Technician I positions, Eligibility Services Clerk positions continue to remain frozen. As a result, many of us are being involuntarily transferred from office to office to fill staffing shortages. In the past seven months alone, I have been transferred twice and was recently informed that I will be transferred again due to operational needs.

I understand the importance of cross-training, but repeated involuntary transfers create instability, lower morale, and make it difficult for employees to perform at their best. After four years of serving the public, I finally found a work environment where I felt supported and could focus on doing my job well. Now I am being moved again because there are not enough staff to meet operational demands.

This is not just my experience. Eligibility Services Clerks throughout Riverside County are overworked, understaffed, and underpaid. We are the frontline employees who serve residents every day, yet we continue to bear the burden of ongoing staffing shortages. LIUNA has consistently advocated for these concerns on behalf of its members, but meaningful change has yet to occur.

Today, I respectfully ask the Board to take three actions:

1. Lift the hiring freeze on Eligibility Services Clerk positions so existing vacancies can be filled.
2. Address the chronic understaffing that is placing an unfair burden on frontline employees and affecting the quality and efficiency of services provided to Riverside County residents.
3. Reduce unnecessary involuntary transfers and provide employees with greater workplace stability so we can continue serving the public effectively.

Investing in your frontline workforce is an investment in the people of Riverside County. By supporting the employees who serve residents every day, you strengthen the quality, consistency, and accessibility of the services our community depends on. I respectfully ask that you give these concerns your serious consideration and work toward lasting solutions that benefit both County employees and the residents we proudly serve.

Although I was unable to deliver these remarks in person, I respectfully request that this statement be included in the official public record.

Thank you for your time and consideration.

Respectfully,

Kristy Rodriguez
