BACKGROUND:

Summary

Riverside County Ordinance No. 745 and Resolutions No. 2026-031, establish Tax Lien Guaranteed Comprehensive Collection Areas for the properties located within the unincorporated County.

The franchised waste haulers (Haulers) have certified that bills and notices of delinquent trash collection charges were sent to each owner of record in accordance with Section 10 of Ordinance No. 745. New customers are advised of the responsibility to pay for all trash charges even if the property is occupied by a tenant.

A report listing the properties with unpaid trash collection fees subject to the special fee assessment has been prepared for the Department of Environmental Health (Department) and is attached as Exhibit A. A notice of the public hearing shall be sent to the subject property owners by the Department pursuant to Section 11 of Ordinance No. 745. The notice provides contact information for the Haulers so that the property owner can correct any asserted billing errors, or pay the amount owed prior to the final payment deadline. The notice also provides answers to frequently asked questions and contact information (online support and a dedicated phone line) for the Department so that the property owner can seek assistance in contacting the Haulers, understand the tax roll process, or ask any additional questions they may have. On the date of July 14, 2026, the public hearing, Department and Hauler staff will be on site to address citizen concerns. The property owner can pay or reconcile the delinquent trash collection charges on or before July 24, 2026, to avoid the special assessment.

Once the Board of Supervisors confirms the delinquent trash collection fees, the amounts are added as a special assessment to the property owner's tax bill. This assessment includes an \$82 per parcel administrative fee, authorized under Ordinance 640, to cover the Department's costs for processing and enforcing the assessment. This administrative fee is only applicable if the charge is officially placed on the tax bill. The estimated total fee will be approximately \$496,000. Upon full payment and reconciliation of the special assessment fees, the collected trash fees are disbursed to the contracted Haulers.

Impact on Residents and Businesses

The regular removal of solid waste from residential properties is a basic sanitation practice that protects both the environment and the public. The mandatory collection of solid waste and the payment for the collection is critical. Residents that have stayed current with their solid waste

collection bill would not be affected by this item. Those residents who pay the full outstanding balance owed to the Haulers on or before the July 24, 2026 deadline will not have those fees assessed on their property taxes.

FORMAL PROTEST AGAINST DELINQUENT TRASH ASSESSMENT

Date: July 14, 2026

To: Riverside County Board of Supervisors / Clerk of the Board

Regarding: Public Hearing for Delinquent Solid Waste Accounts / Ordinance No. 745

Property Address: 32817 State Highway 74, Hemet, CA 92545

Assessor's Parcel Number (APN): [Insert Your 9-Digit APN Number Here]

Franchise Hauler/Account: WMI Account under the name **Amy Remenar**

Protest Submitted By:

Shellie Remenar, Executor of the David Remenar Bypass Trust

642 S. Courtney Ave, Fullerton, CA 92833

Phone: 714-318-1500 | Email: shellieremenar@gmail.com

Dear Honorable Board of Supervisors,

I am writing to formally object and request a **continuance (deferral)** or **conditional waiver of administrative fees** regarding the impending delinquent trash lien scheduled to be placed on the property located at 32817 State Highway 74, Hemet, CA 92545.

The legal title and beneficial ownership of this property are currently subject to active trust litigation in the Riverside County Superior Court (**Case No. PRMC2400707, 850 Petition**, before Judge Michael Rushton, scheduled for August 4, 2026). The property belongs to **The Remenar Family Trust (Dated February 27, 2004)**.

This specific parcel highlights a critical, multi-agency regulatory loophole in Riverside County that allows bad-faith occupants to exploit the county's safety nets, avoid personal financial accountability, and intentionally drain private estate assets:

1. **Exploitation of Ordinance No. 745:** Because current policy passes 100% of an individual utility account's debt onto the property owner's tax roll, it creates a perverse incentive. The account holder, Amy Remenar, faces no utility shutoffs or personal collections for non-payment, forcing the trust to repeatedly clear tax penalties to avoid a tax sale. This account has already forced liens onto multiple annual property tax bills. Due to privacy laws and Amy's refusal to admit non-payment, the trust is not aware of delinquent payments until there is already a lien placed.
2. **Rejection of Co-Pay Options:** Amy denied her husband (separated) and co-resident, Scott Remenar (a trust beneficiary), access to the account. Scott requested and was denied by Amy to put the WMI account in his name to guarantee consistent, full payment. Most recently, on June 23, 2026, he provided a money order covering half of the current balance due. That payment has deliberately not been applied or posted to the WMI account by the holder.
3. **The Multi-Agency Loophole:** The utility account holder systematically exploits regulatory gaps across different Riverside County departments to avoid long-term accountability. The property has faced consecutive annual trash liens alongside separate county investigations—including two Child Protective Services inquiries regarding a severe rat infestation and medical neglect, an Animal Control citation for neglected living conditions, and an active \$4,100

utility delinquency with Southern California Edison while fraudulently enrolled in the CARE discount program. Because these independent agencies do not cross-reference data, the occupant is able to bypass their individual policies, allowing past unsafe conditions to persist “under the radar.”

4. **Systemic Lack of Enforcement:** By performing the bare minimum to mask code violations just prior to scheduled inspections—such as making nominal partial utility payments or temporarily cleaning prior to inspection—the occupant satisfies basic county criteria for electricity, water, and waste management. This structural lack of enforcement allows an occupant to remain on-site with zero utility-related or legal repercussions for non-payment. Consequently, the financial penalties and administrative burdens are shifted entirely onto the trust and the beneficiaries who are currently enduring a costly, two-year probate dispute.

Because our **850 Petition Hearing** is only two weeks away (August 4, 2026), I am legally frozen from seizing or forcing a name change on this franchise account until the probate court rules.

My Request to the Board:

- **Defer the Lien:** Please grant a brief continuance on this specific parcel's assessment vote until after our August 4, 2026 court date, allowing the probate judge to address the structural management of this estate.
- **Waive Administrative Penalties:** I request that the County's administrative staff fees be waived, as the true beneficiaries are actively trying to pay, but are being blocked by an occupant exploiting the structural design of your ordinance and county safety nets.
- **Accountability:** Please provide any policy or procedures that my legal counsel can take to transfer this account to the Executor on file. Provide a full accounting of statements, added fees, and any payments since 06/01/2024 for submission in the trust case.

If there are any additional legal questions pertaining to this property, please contact my attorney, Sophia Preston (321601) at Preston Law Group, P.C., at 949-418-7771, or via email at spreston@prestonlawgroup.com

Thank you for your consideration.

Respectfully submitted,

2. **Rejection of Co-Pay Options:** Her estranged husband and property co-resident, Scott Remenar (a trust beneficiary), offered to put the WMI account in his name to guarantee consistent on time payment in full. Most recently, on June 23, 2026, he provided a money order covering half

of the current balance due. That payment has deliberately not been applied or posted to the WMI account by the holder.

3. **The Multi-Agency Loophole:** This utility manipulation is part of a broader pattern of exploiting Riverside County agencies. This occupant has been investigated twice by County Child Protective Services (CPS) following school reports for medical neglect of a minor and a severe rat infestation, and has been cited by County Animal Control for animal neglect and unkept living conditions. Furthermore, she maintains a \$4,100, several month delinquency with Southern California Edison (SCE) while fraudulently enrolled in the low-income CARE discount program.
4. **Systemic Lack of Accountability:** By exploiting loopholes across these departments—such as pulling children out of school to quickly mask a rat infestation before a CPS inspection, or making nominal partial utility payments—she maintains the bare minimum county requirements for electricity, water, and trash. She faces zero long-term consequences across multiple county agencies, from county enforcement, or public utilities while the financial and administrative hardship is pushed entirely onto the trust and the rightful beneficiaries who are currently paying severe legal fees during a two-year-long probate dispute.

Because our **850 Petition Hearing** is only two weeks away (August 4, 2026), the rightful stakeholders are legally frozen from seizing or forcing a name change on this franchise account until the probate court rules.

My Request to the Board:

- **Defer the Lien:** Please grant a brief continuance on this specific parcel's assessment vote until after our August 4, 2026 court date, allowing Jude Michael Rushton to address the structural management of this estate.
- **Waive Administrative Penalties:** I request that the County's administrative staff fees be waived, as the beneficiaries are actively trying to pay, but are being blocked by an occupant exploiting the structural design of your ordinance and county safety nets
